the riyria chronicles series 10 years before the events in theft of swords a cynical thief and optimistic ex mercenary joined forces for the first time and formed the rogues for hire group known as riyria these stories chronicle the events of those early years hollow world chronological listing of books people often confuse the riyria revelations and the riyria chronicles to further complicate matters the riyria revelations series was published in two different ways the original self published versions were released as six novels the riyria chronicles is a series of high fantasy novels by michael j sullivan published since 2013 by orbit books the series consists of five books in order of publication the crown tower the rose and the thorn the death of dulgath the disappearance of winter s daughter and drumindor not yet written 1 complete order of riyria chronicles books in publication order and chronological order the riyria chronicles 10 years before the events in theft of swords a cynical thief and optimistic ex mercenary joined forces for the first time and formed the rogues for hire group known as riyria these stories chronicle the events of those early years new york times bestselling fantasy author hardcover paperback two men who hate each other one impossible mission a legend in the making hadrian blackwater a warrior with nothing to fight for is paired with royce melborn a thieving assassin with nothing to lose riyria novels the riyria tales are actually two series the riyria revelations a completed six book series that is released in three volumes and the riyria chronicles which are largely standalone tales eleven years before they were framed for the murder of a king before even assuming the title of riyria royce melborn and hadrian blackwater were practically strangers unlikely associates this cynical thief and idealist swordsman were just learning how to work together as a team listen to the riyria chronicles audiobooks on audible immerse yourself in the series as it was meant to be heard free trial available because the riyria chronicle books are largely standalone and only the first two books are controlled by traditional publishers she started there with these three stories uptake has been slow many of the most popular books on the site have tens of thousands of followers and millions of views when the last member of the oldest noble family in avryn is targeted for assassination riyria is hired to foil the plot three years have passed since the war weary mercenary hadrian and the cynical ex assassin royce joined forces to start life as rogues for hire one impossible mission a legend in the making hadrian blackwater a warrior with nothing to fight for is paired with royce melborn a thieving assassin with nothing to lose hired by an old wizard they must steal a treasure that no one can reach you ll find 2 riyria reading orders on this page the chronological order is at the end but first the author has recommended reading in publication order the riyria revelations series in order originally self published as a six volume series the riyria revelations is now published by orbit books in a three volume series by michael j sullivan 4 33 38 777 ratings 2 274 reviews published 2013 35 editions two men who hate each other one impossible missio want to read a warrior with nothing to fight for is paired with a thieving assassin with nothing to lose together they must steal a treasure that no one can reach the crown tower is the impregnable remains of the grandest fortress ever built and home to the realm s most valuable possessions riyria chronicles is great if you like the characters and the writing style of revelations you will probably enjoy the prequel series chronicles is designed so that most of the books can be standalones so expect a lot self contained stories that wrap up in each book and don t expect end of the world stakes the riyria chronicles are a series of fantasy novels written by michael j sullivan that serve as prequels to the riyria revelations there will be a total of 8 books spanning the 10 years hadrian blackwater and royce melborn worked togehter before riyria revelations 1 welcome to the riyria universe wiki the wiki is intended to serve as a comprehensive database for the world created by michael j sullivan that was first introduced in riyria revelations and further developed in the riyria chronicles legends of the first empire and the rise and fall series the riyria chronicles the crown tower the rose and the thorn the death of dulgath the disappearance of winter s daughter drumindor announced and there is more from this universe 6 books that take place 3000 years before the stories of royce and hadrian and it really is worth checking out because it is all connected it s been more than five years since the last adventure with royce melborn a cynical ex assassin and hadrian blackwater an idealistic ex mercenary a pair whose bonds of friendship are bound with blood this is the 20th novel based in the world of elan and the fifth in the riyria chronicle series
