the melville j herskovits library of african studies at the northwestern
university holds a unique collection of conference papers and has
recently made this important research literature accessible through a
two volume index listing 562 conferences and over 12 000 individual
papers the first volume contains a register of the conferences with the
indexed papers listed alphabetically by author while the second volume
provides an extensive keyword index although the list of conference
papers reflects the paucity of scholarly work on namibia during the
1960s and the early 1970s it is nevertheless possible to find references
to some valuable material all papers are held by the northwestern
university library and are available for either loan or by photocopy
through the interlibrary loan department eriksen moorsom 1989

this book explores the fascinating phenomenon of place event marketing
in the asia pacific region it examines procedures in the promotion and
branding of places that use events to shape their identities it considers
how events are used in forming a branded image of a place and
disseminate information about it this innovative book offers theoretical
insights of the opportunities and challenges related to place event
marketing with contributions from leading thinkers in the field chapters
also draw on empirical examples to showcase a variety of events across
the asia pacific such as mice sporting events festivals and religious and
