the peaceful realm of azeroth stands on the brink of war as its civilization faces a fearsome race of invaders orc warriors fleeing their dying home to colonize another as a portal opens to connect the two worlds one army faces destruction and the other faces extinction from opposing sides two heroes are set on a collision course that will decide the fate of their family their people and their home

World of Warcraft: Jaina Proudmoore

2012-08-28

nothing is free go el jaina proudmoore said your knowledge and skills were bought at a cost the orc you left behind in your place had done much harm in your absence if i have heard about what is going on in orgrimmar and ashenvale surely you must have go el s mien which had been deeply peaceful now looked troubled i have heard of course and you do nothing i have another path he said you have seen the results of that path a threat that go el i hear this but now that task is over garrosh is stirring up trouble between the alliance and the horde trouble that didn t exist until he started it i can understand if you don t wish to undermine him publicly but perhaps you and i can work together form a summit of sorts ask baine to join us i know he has no love for what garrosh is striving for i could speak with varian as of late he seems to be more reachable everyone respects you even in the alliance go el you have earned that respect because of your actions garrosh has earned nothing but mistrust and hatred because of his she indicated her cloak which had blown about with the wind he had sent to bear her to shore you can control the winds as a shaman but the winds of war are blowing and if we do not stop garrosh now many innocents will pay the price for our hesitation the ashes of the cataclysm have settled across azeroth s

disparate kingdoms as the broken world recovers from the disaster the renowned sorceress lady jaina proudmoore continues her long struggle to mend relations between the horde and the alliance yet of late escalating tensions have pushed the two factions closer to open war threatening to destroy what little stability remains in the dark news arrives in jaina s beloved city theramore one of the blue dragonflight s most powerful artifacts the focusing iris has been stolen to unravel the item s mysterious whereabouts jaina works with the former blue dragon aspect kalecgos the two brilliant heroes forge an unlikely bond during their investigation but another disastrous turn of events looms on the horizon garrosh hellscream is mustering the horde s armies for an all out invasion of theramore despite mounting dissent within his faction the brazen warchief aims to usher in a new era of horde domination his thirst for conquest leads him to take brutal measures against anyone who dares question his leadership alliance forces converge on theramore to repel the horde onslaught but the brave defenders are unprepared for the true scope of garrosh s cunning and deceptive strategy his attack will irrevocably transform jaina engulfing the ardent peacekeeper in the chaotic and all consuming tides of war

World of Warcraft: The Shattering

2010-10-19

in her new york times bestseller the shattering christie golden delivers a sensational tie in to the newest world of warcraft game expansion thrall wise shaman and the warchief of the horde has sensed a disturbing change long ago azeroth s destructive native elementals raged across the world until the benevolent titans imprisoned them within the elemental plane despite the titans intervention many elementals have ended up back on azeroth over the ages shaman like thrall have communed with these spirits and through patience and dedication learned to soothe roaring infernos bring rain to sun scorched lands and otherwise temper the elementals ruinous influence on the world of azeroth now thrall has discovered that the elementals no longer heed the shaman s call the link shared with these spirits has grown thin and frayed as if azeroth itself were under great duress while thrall seeks answers to what ails the confused elements he also wrestles with the orcs precarious future as his people face dwindling supplies and growing hostility with their night elf neighbors meanwhile king varian wrynn of stormwind is considering violent action in response to mounting tensions between the alliance and the horde a hard line approach that

threatens to alienate those closest to him including his son anduin the conflicted young prince has set out to find his own path but in doing so he risks becoming entangled in political instability that is setting the world on edge the fate of azeroth s great races is shrouded in a fog of uncertainty and the erratic behavior of the elemental spirits troubling though it is may only be the first ominous warning sign of the cataclysm to come

The Warcraft Civilization

2012-09-21

an exploration of the popular online role playing game world of warcraft as a virtual prototype of the real human future world of warcraft is more than a game there is no ultimate goal no winning hand no princess to be rescued wow is an immersive virtual world in which characters must cope in a dangerous environment assume identities struggle to understand and communicate learn to use technology and compete for dwindling resources beyond the fantasy and science fiction details as many have noted it's not entirely unlike today's world in the warcraft civilization sociologist william sims bainbridge goes further arguing that wow can be seen not only as an allegory of today but also as a virtual prototype of tomorrow of a real human future in which tribe like groups will engage in combat over declining natural resources build temporary alliances on the basis of mutual self interest and seek a set of values that transcend the need for war what makes wow an especially good place to look for insights about western civilization bainbridge says is that it bridges past and future it is founded on western cultural tradition yet aimed toward the virtual worlds we could create in times to come

Lucy Hutchinson and the English Revolution

2022-09-12

in lucy hutchinson and the english revolution claire gheeraert graffeuille explores lucy hutchinson's historical writings and the memoirs of the life of colonel hutchinson which although composed between 1664 and 1667 were first published in 1806 the memoirs were a best seller in the nineteenth century but largely fell into oblivion in the twentieth century they were rediscovered in the late 1980s by historians and literary scholars interested in women's writing the emerging culture of republicanism and dissent by approaching the memoirs through the prism of history and from this book challenges the widely held assumption that early modern women did not and could not write the history of wars a field that was supposedly gendered as masculine on the contrary gheeraert graffeuille shows that lucy hutchinson a reader of ancient history and an outstanding latinist was a historian of the english revolution to be ranked alongside richard baxter edmund ludlow and edward hyde
