**Requiem** 1993-05 a collection of works most never before published in book form by the first grand master science fiction writers of america includes major novellas tenderfoot in space and destination moon which was made into the famous george pal film tributes from arthur c clarke robert silverberg and tom clancy a fine memorial arthur c clarke

The Best of Robert Heinlein 1973 for the first time the real story of the life of robert a heinlein in the authorized biography robert a heinlein 1907 1988 is generally considered the greatest american sf writer of the 20th century a famous and bestselling author in later life he started as a navy man and graduate of annapolis who was forced to retire because of tuberculosis a socialist politician in the 1930s he became one of the sources of libertarian politics in the usa in his later years his most famous works include the future history series stories and novels collected in the past through tomorrow and continued in later novels starship troopers stranger in a strange land and the moon is a harsh mistress given his desire for privacy in the later decades of his life he was both stranger and more interesting than one could ever have known this is the first of two volumes of a major american biography this volume is about robert a heinlein s life up to the end of the 1940s and the mid life crisis that changed him forever at the publisher s request this title is being sold without digital rights management software drm applied

**Robert A. Heinlein: Volume I** 2010-08-17 the wit and wisdom of the author of multiple new york times bestsellers is collected in this volume that offers heinlein fans a guided tour through the thoughts and insights of one of the most influential writers in american literature new york times book review original

**Robert A. Heinlein** 1978 robert a heinlein the dean of american sf writers also wrote fantasy fiction throughout his long career but especially in the early 1940s the golden age of sf was also a time of revolution in fantasy fiction and heinlein was at the forefront his fantasies were convincingly set in the real world particularly those published in the famous magazine unknown worlds including such stories as magic inc they and the unpleasant profession of jonathan hoag now all of heinlein s best fantasy short stories most of them long novellas have been collected in one big volume for the first time

**The Worlds of Robert Heinlein** 1970 robert a heinlein 1907 1988 is generally considered the greatest american sf writer of the 20th century a famous and bestselling author in later life he started as a navy man and graduate of annapolis who was forced to retire because of tuberculosis a socialist politician in the 1930s he became one of the sources of libertarian politics in the usa in his later years his most famous works include the future history series stories and novels collected in the past through tomorrow and continued in later novels starship troopers stranger in a strange land and the moon is a harsh mistress given his desire for privacy in the later decades of his life he was both stranger and more interesting than one could ever have known this is the first of two volumes of a major american biography this volume is about robert a heinlein s life up to the end of the 1940s and the mid life crisis that changed him forever

**Expanded Universe** 1983 franklin sees heinlein as a central cultural phenomenon expressing some of the deepest dreams and nightmares of a rapidly changing society

The Fantasies of Robert A. Heinlein 2002-05-17 six daring men stage an incredible revolt to free a conquered america

**Robert A. Heinlein: In Dialogue with His Century** 2010-08-17 hamilton felix is the ultimate man the end product of highly refined applied genetics in a world that has long since banished disease hunger and war but no one counts on what happens when this superman is recruited by a cabal of dissident revolutionaries for their glorious revolution they find out it is definitely not a good idea

The Best of Robert Heinlein 1977 this is volume 1 of 2 the single most important and valuable heinlein book ever published spider robinson robert a heinlein has been hailed as one of the most forward thinking science fiction writers of all time and expanded universe presented in two volumes offers the perfect collection of his works to provide readers with true insights into his uniquely creative mind heinlein personally selected each story or essay for inclusion in this collection which is ordered chronologically starting with his first sale in 1939 of life line to astounding for seventy dollars this remarkable collection highlights the development of heinlein s writing style and his philosophy on life throughout his career more importantly this collection is as close to an autobiography as anything heinlein wrote during his life heinlein was an extremely private person who never wrote much about himself in this exclusive collection he offers forewords to most of his stories and essays and an

occasional afterword giving readers a rare glimpse into the inner mind of the master expanded universe is a must have for any heinlein enthusiast and any fan of science fiction for the millions of heinlein fans a guided tour through the thoughts and insights of one of the most influential writers in american literature the new york times book review this is the book i ve always wanted from heinlein john bruni goodreads

*Robert A. Heinlein* 1980 science fiction noveller

**The Day After Tomorrow** 1949 in 1975 robert a heinlein was sixty six at the height of his literary career j neil schulman was twenty and hadn t yet started his first novel because he was looking for a way to meet his idol schulman wangled an assignment from the new york daily news at the time the largest circulation newspaper in the u s to interview heinlein for its sunday book supplement the resulting taped interview lasted three and a half hours this turned out to be the longest interview heinlein ever granted and the only one in which he talked freely and extensively about his personal philosophy and ideology the robert heinlein interview contains heinlein you won t find anywhere else even in heinlein s own expanded universe if you want to know what heinlein had to say about ufo s life after death epistemology or libertarianism this interview is the only source available also included in this collection are articles reviews and letters that j neil schulman wrote about heinlein including the original article written for the daily news about which the heinleins wrote schulman that it was the best article in style content and accuracy of the many many written about him over the years this book is must reading for any serious student of heinlein or any reader seeking to know him better

*The Worlds of Robert A. Heinlein* 2001-03-01 robert a heinlein began publishing in the 1940s at the dawn of the golden age of science fiction and today he is considered one of the genre s big three alongside arthur c clarke and isaac asimov his short stories were instrumental in developing its structure and rhetoric while novels such as stranger in a strange land and starship troopers demonstrated that such writing could be a vehicle for political argument heinlein s influence remains strong but his legacy is fiercely contested his vision of the future was sometimes radical sometimes deeply conservative and arguments have flared up recently about which faction has the most significant claim on his ideas in this major critical study hugo award winner farah mendlesohn carries out a close reading of heinlein s work including unpublished stories essays and speeches it sets out not to interpret a single book but to think through the arguments heinlein made over a lifetime about the nature of science fiction about american politics and about himself

*Beyond This Horizon* 2002-09 powerful tale of two young lovers driven apart by pride power and the vastness of interstellar time and space

*Robert A. Heinlein's Expanded Universe (Volume One)* 2022-06-22 the single most important and valuable heinlein book ever published spider robinson robert a heinlein has been hailed as one of the most forward thinking science fiction writers of all time and expanded universe presented in two volumes offers the perfect collection of his works to provide readers with true insights into his uniquely creative mind heinlein personally selected each story or essay for inclusion in this collection which is ordered chronologically starting with his first sale in 1939 of life line to astounding for seventy dollars this remarkable collection highlights the development of heinlein s writing style and his philosophy on life throughout his career more importantly this collection is as close to an autobiography as anything heinlein wrote during his life heinlein was an extremely private person who never wrote much about himself in this exclusive collection he offers forewords to most of his stories and essays and an occasional afterword giving readers a rare glimpse into the inner mind of the master expanded universe is a must have for any heinlein enthusiast and any fan of science fiction from life line 1939 one of his earliest works to a tale of adventure on the moon nothing ever happens on the moon this collection demonstrates the formidable talent and irascible perceptions of one of the genre s most outspoken writers library journal this is the book i ve always wanted from heinlein john bruni goodreads

*The Worlds of Robert A. Heinlein* 1975-06-01 in this volume of heinlein s monumental future history series free men clash with colonial slavery on venus the first female space engineer takes an orbiting station by storm and a young lieutenant makes the ultimate sacrifice to keep the earth free

*The Robert Heinlein Interview and Other Heinleiniana* 1999 the single most important and valuable heinlein book ever published

spider robinson robert a heinlein has been hailed as one of the most forward thinking science fiction writers of all time and expanded universe presented in two volumes offers the perfect collection of his works to provide readers with true insights into his uniquely creative mind heinlein personally selected each story or essay for inclusion in this collection which is ordered chronologically starting with his first sale in 1939 of life line to astounding for seventy dollars this remarkable collection highlights the development of heinlein s writing style and his philosophy on life throughout his career more importantly this collection is as close to an autobiography as anything heinlein wrote during his life heinlein was an extremely private person who never wrote much about himself in this exclusive collection he offers forewords to most of his stories and essays and an occasional afterword giving readers a rare glimpse into the inner mind of the master expanded universe is a must have for any heinlein enthusiast and any fan of science fiction from life line 1939 one of his earliest works to a tale of adventure on the moon nothing ever happens on the moon this collection demonstrates the formidable talent and irascible perceptions of one of the genre s most outspoken writers library journal this is the book i ve always wanted from heinlein john bruni goodreads The Best of Robert Heinlein, 1939-1942 1973 jim marlow and his strange looking martian friend willis were allowed to travel only so far but one day willis unwittingly tuned into a treacherous plot that threatened all the colonists on mars and it set jim off on a terrfying adventure that could save or destroy them all from the paperback edition

*The Pleasant Profession of Robert A. Heinlein* 2019 colonists on the moon declare their independence from earth and plan to win the ensuing battle with the aid of a computer

*Variable Star* 2006-09-19 a youth who has known only the primitive life of a galaxy slave is purchased by a beggar who turns out to be a man with many extracurricular activities

A Guide Through the Worlds of Robert A. Heinlein 1989 an earthling raised by martians returns to earth and teaches humankind some important lessons

**Robert Heinlein's Expanded Universe** 2015-01-26 travel to other planets is a reality and with overpopulation stretching the resources of earth the necessity to find habitable worlds is growing ever more urgent with no time to wait years for communication between slower than light spaceships and home the long range foundation explores an unlikely solution human telepathy identical twins tom and pat are enlisted to be the human radios that will keep the ships in contact with earth but one of them has to stay behind while the other explores the depths of space this is one of heinlein s triumphs

**The Green Hills of Earth** 1978 the nova effect makes the h bomb look like a kitchen match one bomb can vaporize an entire planet an undercover agent carrying the secret of this weapon must defeat an insane opponent one who has decided that when she dies the earth will go nova with her heinlein s new york times bestseller friday was a sequel to this volume

**Robert Heinlein's Expanded Universe** 2015-03-18 for use in schools and libraries only valentine michael smith born and raised on mars arrives on earth s stunning western culture with his superhuman abilities

**The Best of Robert Heinlein** 1973 one minute down and out actor lorenzo smythe was as usual in a bar drinking away his troubles as he watched his career go down the tubes then a space pilot bought him a drink and the next thing smythe knew he was shanghaied to mars suddenly he found himself agreeing to the most difficult role of his career impersonating an important politician who had been kidnapped peace with the martians was at stake failure to pull off the act could result in interplanetary war and smythe s own life was on the line for if he wasn t assassinated there was always the possibility that he might be trapped in his new role forever copyright libri gmbh all rights reserved

*The Future History of Robert Heinlein: "If this goes on--"* 2010 until he came to the part about handsome of face and figure scar gordon thought the ad was aimed straight at him by someone who knew his habit of reading the personals when on a whim he answered it the gorgeous amazon who examined him seemed to think his looks were fine now scar gordon in the company of the most beautiful woman he d ever met was off to glory road copyright libri gmbh all rights reserved
