The Other Eight 2014-04-01 superpowers have turned out to be a disappointment heat vision super strength flight they are nowhere to be found instead powers like photosynthesis or the ability to spontaneously change hair color seem to be the best the world can offer to make matters worse the gifted individuals tend to suffer from psychological issues nonetheless in hopes of finding enough functional meta humans to form a squad in 1965 the us military created the guardian project the head of the army s current incarnation of the project hires dr adam aiken a psychologist specializing in the meta human condition to filter out the most dangerously unbalanced of the prospective super soldiers the screening process is to be done with all possible secrecy this proves to be more easily said than done a misfiring superpower leaks news of the recruitment effort to the public attracting a flood of misfit meta humans from around the nation each hungry for heroic validation a sleazy pr officer knows publicity when he sees it and converts the secret program into a nationally broadcast competition with all of the dignity and grace of a reality show the ultimate prize is a coveted spot on a government sanctioned super team the other eight follows the exploits of the applicants deemed sane enough for consideration on one side are earnest but underpowered heroes like the twitch inducing nonsensica or the fluorescent tube hurling phosphor on the other are the better equipped but less dedicated recruits like walking good luck charm johnny on the spot and seed spitting loose cannon the hocker who will win a place on the team and what will be done about the jilted heroes who didn t make the cut

The Great Convergence 2010-12-30 the second in the book of deacon series the great convergence continues the tale of young myranda celeste with fresh knowledge of magic and steadfast resolve to see the end of the war that plagues her land myranda sets out to find and unite the five fated heroes the chosen each new warrior brings her world a step closer to peace but does she have the strength to survive the trials ahead

The Battle of Verril 2011-03-05 in this the finale of the book of deacon trilogy myranda and the chosen face their greatest challenges yet time is running out and the generals are growing desperate through victory and defeat reunion and betrayal neither the heroes nor their foes will rest until they have seen their task through to the end the only question is will it be the end of a war or the end of times

The Book of Deacon 2010-01-28 the book of deacon is the first book of the book of deacon series by joseph r lallo myranda celeste s world has been built on a legacy of bloodshed for more than a century her homeland the northern alliance has fought the kingdom of tressor in what has come to be known as the perpetual war while her people look upon the conflict with reverence myranda s hate for the war has made her an outcast when she finds a precious sword among the equipment of a fallen warrior she believes her luck may have changed little does she imagine that the treasure will draw her into an adventure of wizards and warriors soldiers and rebels and beasts both noble and monstrous the journey will teach her much about her potential about the origins of the war and about the threat her world truly faces will myranda unlock the secret of bringing peace once and for all or will the world be lost to the perpetual war

The Rise of the Red Shadow 2013-07-30 every story must begin somewhere for the warrior who would come to be known as the fearsome red shadow the story began in a forgotten glade deep in the land of tressor it was there that a pair of trackers eager to retrieve a lost slave instead found an orphaned malthrope had it been a human it might have been treated with compassion but in the eyes of human society a malthrope was a monster a mix of fox and man believed to be a murderer and thief by its very nature the beast was to be sold for a handful of silver but fate intervened in the form of an old blind slave named ben under the learned hand of the one human who believed in his potential the young malthrope would instead be given the wisdom to take his first steps on the long journey to his destiny the rise of the red shadow chronicles the early life of one of the most mysterious figures of the the book of deacon trilogy the creature called lain it tells of his years working and learning on a tresson plantation until a dark day of vengeance and bloodshed finally set him free from there you will follow as he finds his place in the world learning what it is to be a malthrope and turning to the purpose that will guide him for the rest of his days it is a story of love hate and lessons hard learned revealing the painful choices one must make to become the hero the world needs

The Story of Sorrel 2019-10-30 for some running and hiding is the only way to stay alive but no one can run forever sorrel and her twins are malthropes creatures hated by the people of their world for years they have sought sanctuary this mysterious new land would be a paradise if not for the terrible beast that casts its shadow over the people who call it home

Jade 2010-09-24 this short novel set after the events of the book of deacon follows the blessed and cursed life of jade rinton stripped of her family and kept in a tall tower by a fierce dragon due to the scheming of a mysterious stranger jade seems to be living in a twisted fairy tale she soon learns though that fate has its own ideas of who should play each part and that family is where you find it
