it s time to start taking toilet time a little more seriously well as seriously as you can with your pants around your ankles what s inside is a digestible re education in everything you probably learned but most likely forgot because you have too much crap to remember don t worry though the way the information s presented the learning won t be too rough during every visit you ll be schooled on five academic subjects history language arts math science and foreign language each subject is broken down into topics with each topic split into six mini lessons and finished off with a quick quiz think of each restroom trip as a day of middle school crammed into one bathroom break now rather than idle away as you do your business you ll be treated to a first class education that finishes when you flush and picks up again when you sit back down

A Ton of Crap

2011-10-15

educating palestine through the story of education and the teaching of history in mandate palestine reframes our understanding of the palestinian and zionist national movements it argues that palestinian and hebrew pedagogy could only be truly understood through an analysis of the conscious or unconscious dialogue between them the conflict over palestine the study shows shaped the way arabs and zionists thought taught and wrote about their past british rule over palestine promised the jews a national home but had no viable policy towards the palestinians and established an education system that lacked a sustainable collective ethos nevertheless palestinian educators were able to produce a national pedagogy that knew how to work with the british and simultaneously promoted an ideology of progress and independence that challenged colonial rule

The Church School Journal

1876

the names on the cast bronze plaques hanging in the national baseball hall of fame embody the history and drama of the sport they are the royalty of baseball yet many inductees believed their entry into the hall was anything but guaranteed and even some who waited by the phone for the fateful call to the hall were stunned to hear the news reactions to the call varied from stoicism to overwhelming emotion but for most of the 31 inductees interviewed in this book it was a moment of reflection and gratitude in other cases the call came years too late and family members received the posthumous honor

History and Post-war Writing

2024-03-13

the maastricht inflation criterion designed in the early 1990s to bring high inflation eu countries in line with low inflation countries prior to the introduction of the euro poses challenges for both new eu member countries and the european central bank while the criterion has positively influenced the public stance toward low inflation it has biased the choice of the disinflation strategy toward short run fiat measures rather than adopting structural reforms with longer term benefits with unpleasant consequences for the efficiency of the eurozone transmission mechanism the criterion is also unnecessarily tight for new member countries as it mainly reflects cyclical developments
