*THE COMPLETE NOVELS OF RUDYARD KIPLING (Illustrated Edition) 2017-08-07* on the heels of the great depression and staring into the abyss of a global war american writers took fiction and literature in a new direction that addressed the chaos that the nation and the world was facing these authors spoke to the human condition in traumatic times and their works reflected the dreams aspirations values and hopes of people living in the world war ii era in from native son to king s men the literary landscape of 1940s america robert mcparland examines notable works published throughout the decade among the authors covered are james baldwin pearl s buck james gould cozzens william faulkner ernest hemingway john hersey norman mailer ann petry irwin shaw john steinbeck robert penn warren eudora welty and richard wright mcparland explores how popular novels literary fiction and even short stories by these authors represented this pivotal period in american culture by examining the creative output of these authors this book reveals how the literature of the 1940s not only offered a pathway for that era s readers but also provides a way of understanding the past and our own times from native son to king s men will appeal to anyone interested in the cultural climate of the 1940s and how this period was depicted in american literature

**From Native Son to King's Men** 2017-11-08 anthony burgess combined high artistic seriousness with very broad popular appeal the writer of a clockwork orange and napoleon symphony variously cast himself in the roles of uncompromising artist and willing entertainer what links these contradictory aspirations is burgess ambivalent relationship with james joyce in his daring experimentation with the novel form burgess always had the joycean

example to emulate but he also invoked the great precursor to vindicate the rawer components of his art the author is not blinded by his comparative agenda to burges debts incurred elsewhere burges work reverberates with echoes of lesser masters as well as securely canonized classics his voices include the maughamesque and the shakespearean as they do the eliotian and of course the joycean anthony burges is thus reintroduced as a post modern classic himself jake s deserving peer and will s true son

*Will's Son and Jake's Peer* 2002 mr harold moore was a bilious countenanced studious young man he took himself very seriously and life and his work which latter was the tutoring of the young son of a british nobleman he felt that his charge was not making the progress that his parents had a right to expect and he was now conscientiously explaining this fact to the boy s mother it s not that he isn t bright he was saying if that were true i should have hopes of succeeding for then i might bring to bear all my energies in overcoming his obtuseness but the trouble is that he is exceptionally intelligent and learns so quickly that i can find no fault in the matter of the preparation of his lessons what concerns me however is the fact that he evidently takes no interest whatever in the subjects we are studying he merely accomplishes each lesson as a task to be rid of as quickly as possible and i am sure that no lesson ever again enters his mind until the hours of study and recitation once more arrive his sole interests seem to be feats of physical prowess and the reading of everything that he can get hold of relative to savage beasts and the lives and customs of uncivilized peoples but particularly do stories of animals appeal to him he will sit for hours together poring over the work of some african explorer and upon two occasions i have found him setting up in bed at night reading carl hagenbeck s book on men and beasts the boy s mother tapped her foot nervously upon the hearth rug you discourage this of course she ventured mr moore shuffled embarrassedly i ah essayed to take the book from him he replied a slight flush mounting his sallow cheek but ah your son is quite muscular for one so young he wouldn t let you take it asked the mother he would not confessed the tutor he was perfectly good natured about it but he insisted upon pretending that he was a gorilla and that i was a chimpanzee attempting to steal food from him he leaped upon me with the most savage growls i ever heard lifted me completely above his head hurled me upon his bed and after going through a pantomime indicative of choking me to death he stood upon my prostrate form and gave voice to a most fearsome shriek which he explained was the victory cry of a bull ape then he carried me to the door shoved me out into the hall and locked me from his room
