this collection of essays both defines and reassesses the concept of utility in considering the place of ethics in the recent history of art and design the text offers a way into the issues which concern design decision makers today the text presents topics such as the investigation in to hitherto undiscovered designs for a utility vehicle it gives a perspective on the philosophy behind the concept of utility as a design theory and offers a critique of the dangers of good design the text approaches the subject as a continuing history that has attempted to improve the human condition through a process of rational thought in the construction of the material world using the history of utility as a design theory the text suggests ways in which the past can teach us something of the present and reveals why on the cusp of the new millennium utility is important

## **Lady in the Dark 2015-12-01**

perhaps no idea is more emblematic of the field of law and society than crossing boundaries from the founding of the law and society association in the early 1960s participating scholars aspired to create a field that crossed boundaries in at least two senses by undertaking research that questioned and often bridged traditional methodological and disciplinary divisions and by using nontraditional approaches to explore the interconnections between law and its social context these essays reflect both aspirations

## **One More Page 1986**

from rock n roll to contemporary pop mixing pop and politics is a provocative and entertaining mash up of music and marxist theory a radical history of the political and social upheavals of the last 70 years told through the period s most popular music mixing pop and politics is not a history of political music but a political history of popular music spanning the early 50s to the present it shows how from doo wop to hip hop punk to crunk and grunge to grime music has both reflected and resisted the political events of its era mixing pop and politics explores the connections between popular music and political ideology whether that s the liberation of rock n roll or the containment of girl groups the refusal of glam or the resignation of soft rock the solidarity of disco or the individualism of 80s pop at a time when reactionary forces are waging political war in the realm of culture and we re being told to keep politics out of music mixing pop and politics is a timely original and joyful exploration of popular music s role in our society
