Public Health Leadership

2013

during the last twenty years the interest in public health leadership has continued to increase with the need to strengthen the infrastructure of public health the events of september 11 2001 the health reform movement scientific breakthroughs the increasing role for primary care programs in the public health agenda and the increasing deficit at the federal state and local level since the publication of the first edition in 2003 public health leadership putting principles into practice has become a standard reference for future and practicing public health leaders in five parts it explores the basic theories and principles of leadership and then describes how they may be applied in the public health setting leadership skills and competencies as well as methods for measuring and evaluating leaders are all thoroughly covered this new third edition is an exhaustive revision that now includes extensive coverage of the leadership skills and tools that are critical to managing public health emergencies it also offers updated exercises and case studies throughout new chapter on building infrastructure new chapter on accreditation new chapter on the global public health leader new accompanying online instructor s manual with over 100 references on leadership additional case studies curriculum guide toolkit and additional exercises

Essentials of Leadership in Public Health

2017-03-03

essentials of leadership in public health reflects the complexities of leadership in public health as well as the overall needs of effective leadership in a constantly changing social environment in addition the book examines the impact of health reform with an expanding definition of public health and understanding of how our leaders will be affected by these new changes important notice the digital edition of this book is missing some of the images or content found in the physical edition

Berdan's United States Sharpshooters in the Army of the Potomac, 1861-1865

1892

this volume is the essential guide to the manassas battlefields site of two of the civil war s critical campaigns ethan s rafuse a distinguished scholar of the civil war provides a clearly organized thorough and uniquely insightful account of both campaigns along with expert analysis and precise directions for armchair traveler and battlefield visitor alike the july 1861 battle of first manassas and the august 1862 battle of second manassas unequivocally influenced the course and outcome of the civil war the first battle dealt a decisive blow to hopes that the inexperienced armies of the north and the south could bring about a quick military resolution of the secession crisis the second battle was the climactic engagement of a spectacular campaign that carried the war to the outskirts of washington dc and marked the coming of age of robert e lee s army of northern virginia manassas a battlefield guide presents readers with a clear convenient guide to the sites in northern and central virginia that shaped the course and outcome of these campaigns lucid concise narratives give readers a better understanding of the events that took place on these battlefields and of the terrain personalities and decisions that shaped them

Transcript of the Enrollment Books

1927

the papers herein are volume 3 of the proceedings of the 11th international wheat genetics symposium held in brisbane australia in 2008 the series presents the science of the genetic sciences applied to bread and durum wheats and other species

Manassas

2014-05-01

in this book the author provides an hour by hour tactical history of the battle beginning before dawn on september 17 and concluding with the immediate aftermath of the battle including general mclellan s fateful decision to not pursue lee s retreating forces back across the potomac to virginia but this is not only an operational history of antietam the author also offers the reader insight into the experiences of enlisted soldiers the terror of the fighting itself and the emotional aftermath for those who survived

Proceedings of the 11th International Wheat Genetics Symposium, 24-29 August 2008, Brisbane, Qld., Australia

2008

the fighting on the first day at gettysburg on july 1 1863 was unexpected heavy confusing and in many ways decisive much of it consisted of short and often separate simultaneous engagements or firefights a term soldiers often use to describe close vicious and bloody combat several books have studied this important inaugural day of gettysburg but none have done so from the perspective of the rank and file of both armies john michael priest s strong men of the regiment sobbed like children john reynolds i corps at gettysburg on july 1 1863 rectifies this oversight in splendid style when dawn broke on july 1 no one on either side could have conceived what was about to take place anticipating a fight and with a keen appreciation for terrain brig gen john buford deployed his union cavalry in a giant arc north and west of gettysburg to slow down any confederate advance until maj gen john reynolds could bring up his infantry by the time the foot soldiers of the i corps arrived a p hill s heavy confederate formations had pushed back the troopers from the west richard ewell s troops would soon arrive from the north threatening the town and its key road network reynolds who would die early in the fighting poured his troops in as they arrived the road system and undulating ground broke up command control and the various ridges tall ground cover and powder smoke made target recognition difficult brigades and regiments often engaged on their own initiatives without the direction of a division or corps commander the men of both armies fought with determination born of desperation valor and fear by the time the fighting ended the i corps was in shambles and in pell mell retreat for cemetery hill its bold stand together with the xi corps north of town bought precious hours for the rest of the army of the potomac to arrive and occupy good defensive ground priest who edwin bearss hailed as the ernie pyle of the civil war spent a decade researching this study and walking the ground to immerse readers into the uncertain world of the rank and file experience he consulted more than 300 primary sources including letters diaries memoirs newspaper accounts recollections casualty lists and drill manuals to present the battle from the ground up nineteen detailed regimental level maps illustrate

the ebb and flow of the battle the result is a fast paced narrative sure to please the most demanding students of the civil war the footnotes alone are worth the price of admission readers will close the book with a full understanding of why a veteran new yorker spoke for the survivors of both armies when he wrote strong men of the regiment sobbed like children

Vol. 11th January to June, MDCCCXLV

1845

describes the organization and activities of the militia and the national guard of new jersey and includes the report of the inspector general of rifle practice as submitted by state of new jersey dept of rifle practice

Reports of the Heads of Departments to the Governor of Pennsylvania, in Pursuance of the Law for the Fiscal Year Ending ...

1864

profiles contain an overview of each colonel s military career including his previous ranks and commands his occupation and education his dates of birth and death his place of burial and a list of sources for further reading where possible a photograph accompanies each profile the author has also provided a list of every infantry militia cavalry and artillery regiment in each state complete with a succession of its commanding officers dust jacket flap

Governor's Message and Reports of the Heads of Departments

1864

the national tribune was the premier union veterans newspaper of the post civil war era launched in 1877 by a new york veteran to help his comrades and sway congress to pass better pension laws a short time later the national tribune began publishing firsthand accounts penned by the veterans themselves and did so for decades thereafter this rich overlooked and underused source of primary material offers a gold mine of eyewitness accounts of battles strategy tactics camp life and much more from generals to privates the paper printed articles and long serials on everything from major battles such as gettysburg and antietam to arguments about which battery fired the

shot that killed general leonidas polk whether grant s army was surprised at shiloh and just about every topic in between unbeknownst to many a number of confederate accounts were also published in the paper decades in the making dr rick sauers unique multi volume reference work the national tribune civil war index a guide to the weekly newspaper dedicated to civil war veterans 1877 1943 lists every article 1877 1943 the first two volumes are organized by author his unit title and page column location the third volume the main index includes a subject author and unit guide as well as a unit as sources index that lists articles that mention specific commands but are written by soldiers who were not members of that unit as an added bonus this reference guide includes the contents of both the national tribune scrapbook and the national tribune repository two short lived publications that included articles by veterans and a listing of the major libraries that have national tribune holdings thanks to dr sauers civil war researchers and writers worldwide now have easy access to the valuable contents of this primary source material

A History of the Army of the Potomac

1892

using a wealth of first hand accounts author bradley m gottfried pieces together each brigade s experience at gettysburg whether stories of forced marches weary troops or the bitter and tragic end of the battle you ll experience every angle of this epic battle learn what happened when the guns stopped firing and the men were left with only boredom and dread of what was to come this collection is a lively and fascinating narrative that empowers the everyday men who fought furiously and died honorably every detail of the battle of gettysburg is included in this comprehensive chronicle

I Dread the Thought of the Place

2023-08-22

this riveting book provides a nonpartisan examination of how the technological changes and financial imperatives of the media have led to

an entertainment driven news system poorly suited to report on american politics taking on today s brave new world of political reporting politics on demand the effects of 24 hour news on american politics examines how the technological changes and financial imperatives of the american media have led to an entertainment driven news system that cannot meet the needs of a democracy free of partisan slant and easily accessible to all readers politics on demand explains the evolving media system showing how politicians use the media to sell themselves and how the media uses politicians to its own advantage the book demonstrates that with vast amounts of programming time to fill the spotlight has shifted away from substantive information to opinion which in turn has helped perpetuate partisan politics politicians now have to contort themselves to fit within media confines and political discourse has become extreme and over simplified combining insider interviews with facts statistics anecdotes and analysis the author herself a former c span producer argues that the american media has become harmful for our nation and a detriment to our political system
