Yoga Myths 2020-08-25

the essential guide to correcting yoga misconceptions and avoiding injuries in your practice from judith hanson lasater a yoga instructor physical therapist and bodywork expert tuck your tailbone to protect your back increase your breath pull your abdominal muscles into your backbone following these movement cues is often believed to benefit your yoga practice and protect your body when entering and holding poses however what may seem like a helpful correction can actually lead to injury or physical harm in yoga myths judith hanson lasater draws on almost fifty years of experience as a yoga instructor and physical therapist to address the most common mistakes in our yoga practice and provide clear instructions for correcting these errors focusing on the eleven myths most detrimental to our practice lasater provides a comprehensive discussion of what the myth is why it can hurt us and how we can avoid it through step by step instructions and guiding photos this book will allow you to return to the inherent wisdom natural goodness and spiritual wholeness of yoga and avoid life altering injuries for as long as you practice

A Year of Living Your Yoga 2016-08-09

judith hanson lasater has been teaching an annual yoga retreat at feathered pipe ranch in helena montana for twenty eight years when lasater learned that one of her students was collecting her thoughts which she called judith s aphorisms lasater decided to collect them in

this book featuring one thought for each day of the year along with a suggested practice these brief powerful insights reflect the author's knowledge of classic yoga philosophy and years of experience humorous inspiring and surprisingly down to earth they guide seekers both on and off the yoga mat these aphorisms address love asana fear trust expectations pranayama suffering laughter presence the yoga sutra and much more they emphasize the experience of being present to one's self and to life's ups and downs day by day breath by breath moment by moment a year of living your yoga is a gentle invitation to readers to know themselves on a deeper level

Yoga Abs 2016-08-01

we have unique ways of ascribing a variety of emotions to the belly my guts are in a knot i knew it in my gut gut wrenching and no guts no glory yet too often we place more emphasis on the way the abdomen looks rather than how it feels and functions yoga abs outlines a series of exercises yoga poses asana and breathing practices pranayama designed to achieve optimal health for this crucial area which houses the organs of both digestion and procreation drawing on her experience as a yoga instructor and physical therapist judith hanson lasater phd discusses the anatomical and philosophical aspects of the abdomen and offers a set of movements that create awareness of these important muscles and develop and maintain abdominal strength each exercise and asana lists the props or supports needed safety guidelines practice instructions in addition she has created a special section called everyday abs where you will experiment with moving mindfully through your everyday activities such as driving cooking sweeping the floor and more

Yoga for Pregnancy 2016-08-09

drawing on her experience as a mother a yoga teacher and a physical therapist author judith lasater phd presents a comprehensive and easy to follow program of yoga poses and breathing practices these will help the mother to stay flexible and healthy throughout the pregnancy remain present during the challenges of labor and delivery and care for herself during the postpartum period in addition the author has created a special section called mantras for mom and baby where the mother can explore heart centered practices one for each month during pregnancy and baby's first year

Teaching Yoga with Intention 2021-10-12

the definitive guide to effective and appropriate communication through words and touch between yoga teachers and their students clear effective verbal communication and judicious touch are two skills that judith hanson lasater feels are essential for every yoga teacher in teaching yoga with intention she gives pointed advice on how to interact verbally with students in class and how to appropriately use touch to make corrections drawing from her fifty years of yoga experience and her training in nonviolent communication lasater trains yoga teachers to effectively communicate not only technique but also the more subtle lessons of respect empathy and compassion she also shines an unflinching light on the use of touch in yoga teachers often use touch to create understanding and awareness in the poses but this is a subtle art and lasater gives clear guidance on how where and when the use of touch can be used appropriately to further a student s development in this book lasater also empowers students by encouraging them to take ownership of and responsibility for their practice she covers myriad topics that can be difficult for students at any level to navigate such as how and when to say no to an adjustment keeping boundaries when to leave a class helping your teacher understand your needs how to communicate your appreciation to your yoga teacher and if and when to report a teacher s behavior the skills that lasater offers help create a safe environment for students to own their learning process and to progress technically at their own speed

Living Your Yoga 2016-08-09

if you think that you have to retreat to a cave in the himalayas to find the enlightenment that yoga promises think again in this second edition of living your yoga judith hanson lasater stretches the meaning of yoga beyond its familiar poses and breathing techniques to include the events of daily life all of them as ways to practice this edition includes three new chapters relaxation empathy and worship a full index and new interior and cover designs using the time honored wisdom of the yoga sutra and the bhagavad gita to steer the course she serves up off the mat practices to guide you in deepening your relationships with yourself your family and friends and the world around you inspiring and practical she blends her heartfelt knowledge of an ancient tradition with her life experiences as a daughter sister partner mother friend and yoga practitioner and teacher the result a new yoga that beckons you to find the spiritual in everyday life

Relax and Renew 2016-08-09

whether you have five minutes or an hour taking time out each day to relax and renew is essential to living well this book presents nurturing physical postures and breathing techniques called restorative yoga when practiced regularly they will help you to heal the effects of chronic stress recover from illness or injury balance energy and quiet the mind with clear instructions and photographs relax and renew gently guides the experienced practitioner and enthusiastic beginner regardless of age flexibility or strength in techniques that will ease your way through this hectic world the first book devoted exclusively to restorative yoga relax and renew offers a general restorative sequence programs for back pain headaches insomnia jet lag and breathing problems a special section for women during menstruation pregnancy and menopause routines for when time is limited including one for the office practical suggestions that help you prevent stress and live more fully in the present moment

Restore and Rebalance 2017-12-26

restorative yoga teacher judith hanson lasater offers a program of yoga poses to help rebalance your mind and body and counteract the effects of chronic stress restorative yoga offers the body a chance to rest deeply and revitalize whether you are feeling weak fatigued stressed from daily activities or simply need to slow down and tune into your body this wonderfully adaptive practice is essential for well being many of the practices are simple and accessible for people of all ages and in all states of health using props that are readily available like pillows and chairs these deeply relaxing poses help you rebalance your mind and body create feelings of wellbeing and counteract the effects of chronic stress recover from injury or illness lower blood pressure and elevate and stabilize your mood discover how just a few minutes a day of active supported rest can improve your mood your energy and your sense of physical comfort and ease

What We Say Matters 2022-08-09

drawing from buddhist and yogic precepts this practical guide offers tools for becoming a better more compassionate communicator at home at work and in the world have you ever tried to tell someone what you want only to feel misunderstood and frustrated or hesitated to ask for what you needed because you didn't want to burden the other person or been stuck in blame or anger that wouldn't go away judith and ike lasater long term students of yoga and buddhism experienced dilemmas like these

Yoga for Meditators 2016-08-01

charlotte bell author of mindful yoga mindful life has blended the practices of yoga and meditation since 1986 in her new book yoga for meditators she writes asana practice by its very nature is about preparing the body for meditation so a book on yoga for meditators may seem redundant all yoga is for meditators after all still there are poses that i have found to be optimal in addressing the specific physical challenges that arise during meditation and it is in this spirit that i offer the practices in this book divided into four parts the book offers practices that are designed for both beginning and seasoned practitioners taking a seat steady and comfortable addresses the most common physical issues that can cause discomfort during sitting in meditation yoga poses for sitting meditation outlines asanas to guide you to a more easeful practice whether you practice vipassana zen transcendental kriya or any other kind of sitting meditation these poses will help you collect the mind awaken the spine relax the base soften the shoulders and quiet the body mind practicing yoga uses the asanas from part two to create sequences for calming agitation increasing energy opening the hips relieving stress easing the lower back and practicing during the moon cycle alternate meditation postures discusses

the other traditional meditation positions walking standing and lying with ways to settle into each the silent peaceful mind is our birthright it lives inside us all charlotte writes our minds and bodies are interwoven when the body is at ease the mind has a much easier time settling into silence may your asana and meditation practices uncover the peace that already lives within

Yoga, the Body, and Embodied Social Change **2016-09-09**

yoga the body and embodied social change is the first collection to gather together prominent scholars on yoga and the body using an intersectional lens the essays examine yoga in the united states as a complex cultural phenomenon that reveals racial economic gendered and sexual politics of the body from discussions of the stereotypical yoga body to analyses of pivotal court cases yoga the body and embodied social change examines the sociopolitical tensions of contemporary yoga because so many yogic spaces reflect the oppressive nature of many other public spheres the essays in this collection also examine what needs to change in order for yoga to truly live up to its liberatory potential from the blogosphere around black women s health to the creation of queer and trans yoga classes to the healing potential of yoga for people living with chronic illness or trauma while many of these conversations are emerging in the broader public sphere few have made their way into academic scholarship this book changes all that the essays in this anthology interrogate yoga as it is portrayed in the media yoga spaces and yoga as it is integrated in education the law and concepts of health to examine who is included and who is excluded from yoga in the west the result is a thoughtful analysis of the possibilities and the limitations of yoga for feminist social transformation
