impetuous and headstrong is tara princess of helium and daughter of john carter tara meets prince gahan of gathol and is initially unimpressed viewing him as something of a popinjay later she takes her flier into a storm and loses control of the craft and the storm carries her to an unfamiliar region of barsoom after landing and fleeing from a pack of ferocious banths martian lions she is captured by the horrific kaldanes who resemble large heads with small crab like legs the kaldanes have bred a symbiotic race of headless human like creatures called rykors which they can attach themselves to and ride like a horse while imprisoned tara manages to win over one of the kaldanes ghek with her lovely singing voice fifth of his barsoom series burroughs began writing it in january 1921 and the finished story was first published in argosy all story weekly as a six part serial in the issues for february 18 and 25 and march 4 11 18 and 25 1922 it was later published as a complete novel by a c mcclurg in november 1922 a golf collection the oldest member knows everything that has ever happened on the golf course and a great deal more besides take the story of cuthbert for instance he s helplessly in love with adeline but what use are his holes in one when she s in thrall to culture and prefers rising young writers to winners of the french open but enter a great russian novelist with a strange passion and cuthbert s prospects are transformed then look at what happens to young mitchell holmes who misses short putts because of the uproar of the butterflies in the adjoining meadows his career seems on the skids but can golf redeem it in this collection the kindly but shrewd gaze of the oldest member picks out some of the funniest stories wodehouse ever wrote a daughter he replied only a little younger than carthoris and barring one the fairest thing that ever breathed the thin air of dying mars only dejah thoris her mother could be more beautiful than tara of helium for a moment he fingered the chessmen idly we have a game on mars similar to chess he said very similar and there is a race there that plays it grimly with men and naked swords we call the game jetan it is played on a board like yours except that there are a hundred squares and we use twenty pieces on each side i never see it played without thinking of tara of helium and what befell her among the chessmen of barsoom would

you like to hear her story i said that i would and so he told it to me and now i shall try to re tell it for you as nearly in the words of the warlord of mars as i can recall them but in the third person if there be inconsistencies and errors let the blame fall not upon john carter but rather upon my faulty memory where it belongs it is a strange tale and utterly barsoomian
