Ebook free Start paper with a quote (PDF)

while there are many different approaches to writing introductory paragraphs you may want to consider beginning your essay with a quotation finding the right quotation and using it well within the framework of your own words can ensure that your essay is off to a great start to properly quote someone you ll need to follow some general quoting rules along with properly citing your source using your preferred mla apa or chicago style guide for example many people incorrectly use punctuation with quotation marks in american english use double quotes for the outside quote and single quotes for the inside quote in british english do the opposite let's say you need to quote a book for an essay and the passage you have in mind contains a quote from some other source used effectively quotations can provide important pieces of evidence and lend fresh voices and perspectives to your narrative used ineffectively however quotations can clutter your text and interrupt the flow of your argument this handout will help you decide when and how to quote like a pro a direct quotation reproduces words verbatim from another work or from your own previously published work it is best to paraphrase sources rather than directly quoting them because paraphrasing allows you to fit material to the context of your paper and writing style use parentheses when inserting words into a quotation use brackets to enclose inserted words intended to provide a brief explanation within a quotation use parentheses to enclose a change in letter case or verb tense when integrating a quote into your paper to cite a direct quote in apa you must include the author's last name the year and a page number all separated by commas if the quote appears on a single page use p if it spans a page range use pp an apa in text citation can be parenthetical or narrative quoting means copying a passage of someone else s words and crediting the source to quote a source you must ensure the quoted text is enclosed in quotation marks usually single quotation marks in uk english though double is acceptable as long as you re consistent or formatted as a block quote the original author is correctly cited the basic rule for quoting within a quote is using single quotation marks within double quotation marks this structure is called a nested quotation which follows a hierarchy of alternating between double and single quotes use a comma when introducing a quote with a phrase such as he said example the old man protests i don t want to go on the cart place parenthetical citations outside the end quotation mark but before the punctuation example king arthur declares let's not go to camelot it is a silly place 13 colons and ellipses rule single quotation marks are used for the first quotation double quotation marks are used for a quotation within a quotation 4 8 5 key things you should know when picking the right quote when searching for a suitable quote at beginning of essay always prioritize content over authority in other words a quote s quality contained idea thought message should always be more important than the figure behind it what is a quote and its purpose essay quote format starting an essay with a perfect quote writing a quote as an essay hook characteristics of a suitable quote memorable quotations clear and short quotes credible statements essay s context for putting a quote incorporating a quote in an essay significance of quotations method 1 cite a quote in apa style download article 1 use in text citations for quotes place parentheses with the proper citation inside after directly after quoted material home frequently asked questions how do i quote text that contains a citation if you re quoting from a text that paraphrases or summarizes other sources and cites them in parentheses apa and chicago both recommend retaining the citations as part of the quote however mla recommends omitting citations within a quote introduce the discussed subject clearly the audience needs to know what the essay will be about explain the main point there are different ways how you can do it for example by introducing a thesis statement or asking a question and suggesting an answer afterward it is possible to include a combination of both in text citations most commonly take the form of short parenthetical statements indicating the author and publication year of the source as well as the page number if relevant example apa style in text citation jackson 2005 p 16 we also offer a free citation generator and in depth guides to the main citation styles aside from limiting range of expression starting with a quote requires attribution crediting the source of the quote which may cause the reader to look aside to a footnote or a bibliography during that important first moment with your essay a quote or quotation is usually a document that includes a fixed price for a job it can also be verbal a quotation is sent from a supplier to a potential buyer writing winning quotes for jobs is important as this generates new business and helps your company grow according to business queensland you can introduce the quotation with a signal phrase that includes the author's last name followed by the date of publication in parentheses according to jones 1998 students often had difficulty using apa style especially when it was their first time p 199
