A Guide to Writing for Human Service Professionals 2015-01-30 a common refrain heard from instructors in offices across the world is that students have a hard time producing quality written discourse this is no different in the world of film studies where many undergraduate students struggle to cogently discuss the films they watch in class how can film instructors help students become better writers this book answers this question by first uncovering the disciplinary expectations we have for students and then offering strategies to explicitly teach those expectations in the classroom this book examines and identifies the disciplinary conventions of professional film studies discourse along with the expectations we have for student writing in undergraduate film courses what becomes clear from this analysis is that the pedagogical expectations we have for students are aligned with and shaped by professional writing in the discipline it helps to uncover the argument types instructors take for granted and helps those teaching undergraduate students not only to know what those expectations are but also how to use that knowledge to foster better student writing

Writing for Life 2020-06-20 as scientific knowledge is continually refreshed by new experiments and theoretical insights and openly communicated to the medical community upholding the academic integrity of scientific publishing is a key ethical issue in medical research academic integrity does not just involve commitment to a moral code or ethical policy it is also about adherence to a set of values that avoid plagiarism and support trustworthy fair and honest behaviour in medical research and publishing thus ensuring that knowledge dissemination proceeds unhampered however plagiarism is often framed in narrow judgmental terms that leave little room for doctors and researchers to understand its complexities and consequences made all the more complicated by the increasing use of the internet as a research space this book provides an extensive exploration of ethics and plagiarism helping its readership to understand how and to what extent the language and text processing components of medical discourse can and should be scrutinized across the genres that matter to scientific medical research writing practices and publishing

□□□□□ 2024-01-09 essay writing paper was reintroduced in 1993 in the cse the satish chandra committee proposed a 200 mark essay paper in either english or one of the indian languages included in the constitution s eighth schedule the reason for including other languages to write an essay in the examination was that the mains examination should bring not only the candidate s language abilities but also her aptitude for understanding and critical analysis as well as the level of her integrated thinking assimilation of ideas and clarity of expression clarity of thought can only come when you are fluent in a particular language this holds importance even when writing answers for the upsc mains if you can write a good answer in english you do not need to worry about the essay paper as it is intended to serve as the testing case over and above the academic and subject tests
