Utah BLM Statewide Wilderness Environmental Impact Statement : Final

1990

vol 1 is a reprint of 1834 edition

How could he help it? Or, The heart triumphant

1860

the bulletin of the atomic scientists is the premier public resource on scientific and technological developments that impact global security founded by manhattan project scientists the bulletin s iconic doomsday clock stimulates solutions for a safer world

The Parliamentary Debates

1894

in a time of aether and elements a child of earth and a child of air find themselves willing to risk everything to be together as the fight the darkness that threatens their love they find unlikely ally in the world around them the only question is will it be enough

Senate documents

1882

discourse particles discourse markers and pragmatic markers refer to phenomena that linguists have begun to probe only since the mid 1980s long ignored in traditional linguistics and textbook grammars and still relegated to marginal status in south slavic these linguistic phenomena have emerged as invaluable devices for cutting edge theories of the semantics pragmatics interface this book which is a pioneering study in such linguistic phenomena in south slavic languages is also among the first of its kind for a related group of languages it builds on the recent findings of some of the most influential linguistically oriented theories such as relevance theory argumentation theory and coherence based approaches to explain the meaning and use of certain discourse pragmatic particles markers in bulgarian macedonian serbian bosnian croatian and slovene these particles markers are part of the contemporary and historical lexicons

of the south slavic languages varying across regions and time but also differing in origin this book which draws from naturally occurring data written media and constructed examples aims at a wider audience including scholars working in semantics pragmatics and slavic languages and applied specialists interested in this area of research the authors hope that this book will be conceived as a starting point for a structured inquiry into the flourishing field of discourse particles in south slavic
