Writing Cases 2019

this fifth edition sets a new milestone for this best seller on how to write good cases quickly thoroughly field tested all over the world it contains many ideas and examples to make case writing both enjoyable and effective the insights from our new lead author and the recent

editions of learning with cases and teaching with cases provided the impetus to ensure writing cases would be fully congruent with its sibling texts in this case method trilogy and with today's environment back cover

Epileptic Syndromes in Infancy, Childhood and Adolescence - 5th edition

2012-11-12

the ultimate reference book the 5th updated edition of the famous blue guide included a dvd with new sequences completes each chapter epileptology changes the syndromic approach is completed by an etiological approach based on the major advances in genetics and functional genetics new entities have found their place and a purely descriptive electroclinical approach is no longer adapted in many circumstances the 5th edition of the blue guide includes the most recent advances it was necessary to justify the physiological epidemiologic genetic and therapeutic approaches and to consider them in the light of the new classification efforts which are still in the making nevertheless the description of epileptic syndromes both classical and recent remains at the core of this book

Civil Rights and Constitutional Litigation 2012

the new 5th edition retains the statute based focus of the original guiding students through the rules doctrines and theories that apply to major litigation under the three generations of primary civil rights statutes the original statutes sections 1983 1981 1982 and 1985 3 with their emphasis on constitutional litigation the revolutionary statutes of the 1960s and early 1970s title vii title vi the voting rights act and section 504 and the evolutionary enactments after 1990 the americans with disabilities act the civil rights amendments of 1991 and the judicially limited violence against women act the 5th edition continues an emphasis begun in the 4th edition on legal realism and how the statutes respond to or fail to ameliorate real life problems the combination of statutory coverage and legal realism allows each professor to choose the topical areas and political viewpoints that he or she wishes to emphasize in addition to widespread general updating the new 5th edition significantly expands on prior editions with a new focus on fourth amendment litigation post scott several new approaches both substantive and procedural to official immunity defenses and new cases relating to the increasingly fractured sovereign immunity defense in addition a significant new sub section explores the supreme court's attempt in the ricci case to adjust the relation between disparate impact and disparate treatment analyses highlighting its substantial impact on affirmative action concepts as well finally the new 5th edition also covers the 2008 amendments to the americans with disabilities act and their significant alteration of the court's previous attempts to restrict disability litigation the new edition will also include any new decisions anticipated thro
