this book recounts the stories of nine ordinary people in an instant their lives changed forever these are their stories of how resilience and courage helped them find a way forward through their stories the concept of resilience and courage are explored each story is unique and how their resilience and courage emerged is equally unique experts in the field of resilience and grit talk about key factors that support a resilient nature having a good circle

of friends having a purpose in life and understanding yourself are just a few i learned that a sense of humour was also critical each person described at least one moment when laughter eased the sadness and for a couple of my storytellers belief in a higher power was essential how and when these elements surfaced was different for each person being resilient reminded them that despite that tragic instant their lives were worth living and they would find a path forward where the sun would shine again loss touches all of us resilience and courage are what get us through as you read the stories in this book you will be reminded of how strong you are how in the face of loss you found a way forward
