The Training Manager's Desktop Guide

2007

developing their rhetorical skills in early twentieth century women s organizations anna rochester and grace hutchins life partners and heirs to significant wealth aimed for revolution rather than reform they lived frugally while devoting themselves to several organizations in succession including the episcopal church and the fellowship of reconciliation as they searched for a place where their efforts were welcomed and where they could address the root causes of social inequities in 1927 they joined the communist party usa and helped to build the labor research association there they engaged in research and wrote books pamphlets and articles arguing for gender and racial equality and economic justice julia m allen s passionate commitments is a love story but more than that it is a story of two women whose love for each other sustained their political work allen examines the

personal and public writings of rochester and hutchins to reveal underreported challenges to capitalism as well as little known efforts to strengthen feminism during their time through an investigation of their lives and writings this biography charts the underpinnings of american cold war fears and the influence of sexology on political movements in mid twentieth century america
