Unit and Chapter Worksheet and Test and Answer Key 1995-01-01

teaching students with emotional and behavioral disabilities provides a comprehensive resource for preservice and in-service educators to teach and support academic, social, and behavioral development. The text focuses on implementation of evidence-based interventions, strategies, and practices. Dedicated chapters address quality service delivery models, including individual classroom and school-wide supports. In addition, academic intervention chapters concentrate on reading, mathematics, writing, and study skills. Finally, the book includes step-by-step directions for conducting functional behavior assessments, developing behavior intervention plans, and monitoring student progress. The book will serve as a valuable reference for educators supporting students with challenging behaviors. Key features include case studies written by pre-K-12 practitioners based on their experiences supporting students with emotional and behavioral disorders, numerous worksheets and examples to support implementation of evidence-based practices, accessible and consistent format across all chapters, pedagogical aids that reinforce understanding, chapter objectives, key terms, chapter summaries, discussion questions, and lists of additional resources and readings. Disclaimer: Please note that ancillary content such as documents, audio, and video, etc., may not be included as published in the original print version of this book.
