The Visitor (Animorphs #2) 2011-05-01 the wildly popular books by k a applegate are back the animorphs return in this update of the classic series rachel is still reeling from the news that the earth is secretly under attack by parasitic aliens known as the yeerks and that she and her friends five kids who stumbled onto a downed spacecraft and were given the power to morph into any animal they touch are the planet s only defense but rachel has always been a daredevil when it s suggested that they infiltrate the home of their assistant principal who also happens to be a human host of the yeerks she volunteers but what she finds inside may be more than even she can handle

The Andalite's Gift Part 2 1997 cassie s had it after the last mission she realizes she s getting tired of missions tired of battles tired of being an animorph she decides that she just can t do it anymore so she quits but the war for her planet isn t so easy to quit it seems a human controller named karen followed cassie after the last run in with the yeerks and she knows cassie has the ability to morph if she exposes cassie it s all over no more cassie no more animorphs no more planet earth

The Departure (Animorphs #19) 2017-06-27 the wildly popular bestselling sci fi series by katherine applegate and michael grant returns in a new full color graphic novel series adapted by chris grine rachel is still reeling from the news that earth is secretly under attack by parasitic aliens the yeerks now she and her friends are the planet s only defense five kids who purely by chance stumbled onto a downed spacecraft and were given the power to morph into any animals they touch the team s best lead is their assistant principal mr chapman who is the human host to a high ranking yeerk official it s not much but rachel s always been a daredevil and she volunteers to infiltrate chapman s home rachel is tough she s fearless but what she finds inside may be more than even she can handle

The Visitor: A Graphic Novel (Animorphs #2) 2021-10-05 david the newest animorph is not what he appears his need to control the other animorphs is all he thinks about and the things he does are starting to break up the group rachel and the others know that time is running out the newest battle against the yeerks is the most important one yet and it s not one that will wait winning this fight could mean slowing down the invasion but no one knows what to do with david because the newest animorph is more than just a little problem he s deadly

The Solution (Animorphs #22) 2017-07-25 the yeerks are finally starting to realize that the andalite bandits are probably not aliens at all that maybe they ve been dealing with humans all along and no one especially the newly appointed visser one is happy about this revelation when tobias and the other animorphs realize that the yeerks are about to find them it s by accident but that doesn t make the discovery any less serious because in a war one side wins and one side loses

The Diversion (Animorphs #49) 2017-09-26 there s been an accident someone crash landed a yeerk bug fighter and the yeerks have been trying to cover it up quickly when tobias spots it before they get the chance the animorphs decide to steal the ship to show the world that earth has been invaded that s when things go terribly wrong before they know it jake and the other animorphs find themselves in another place another time and there s no way home

The Forgotten (Animorphs #11) 2017-06-27 really big trouble is an understatement these days the war with the yeerks is full on and it s definitely going to get worse but cassie and the other animorphs have a lot more going on than just trying to stay alive now they ve got to actively protect their families and the free hork bajir and they no longer believe they can do it alone the yeerks are just too powerful so cassie and the others have to ask themselves a very important question is it time to increase their numbers they all remember what happened with david the animorph gone bad but this time do they really have a choice

Animorphs 2001 rachel is falling apart literally her newest morph has the ability to regenerate its limbs but when rachel demorphs there s a lot more rachel than when she started out one more rachel to be exact rachel is an okay person to have around but two could be considered overkill especially two rachels with completely opposite personalities one is pathetically weak one is super strong and super nasty now the animorphs have to figure out a way to put rachel back together again because if it s up to the twins rachel the weak will surrender to visser three rachel the super bold will try to single handedly take him down and twice the trouble may be twice as much as the other animorphs and ax can handle

The Ultimate (Animorphs #50) 2017-09-26 sometimes your worst problems are the ones you can't actually see like the helmacrons these less than an inch high aliens are back and they want the morphing cube more than ever obviously rachel and the other animorphs can't let them take the cube but when rachel tries to stop the helmacrons from stealing it marco gets in the way and ends up with tiny aliens well up his nose rachel and the others can't let the helmacrons stay inside marco's head they're armed and could cause serious damage so the animorphs come up with a plan to evict the helmacrons from their new residence but it involves a shrinking ray and the obvious marco's nose

The Separation (Animorphs #32) 2017-07-25 almost nothing could be as bad as finding out your mother is visser one the most powerful leader of the yeerk invasion of earth but it happened to marco and even though he's been handling it pretty well he knew there'd come a time when he'd have to face her again knowing that the yeerk in her brain has taken his mother away so when marco and the other animorphs discover that visser one is overseeing a secret underwater project they know they have to check it out but marco's not sure if this is a battle he'll be able to fight

The Journey (Animorphs #42) 2017-08-29 we could blame everything that happened on marco he was the one who heard about the downed submarine he was the one who thought we should check it out and everyone knows that if marco's up to a challenge i'm definitely there everything was going fine until the explosion an explosion that blew us millions of years back in time to the age of dinosaurs now tobias cassie marco ax jake and i are fighting for our lives with every step we take but that's not our biggest problem our biggest problem is we have no idea how to get back to our own time

The Escape (Animorphs #15) 2017-06-27 the battle is still raging and it's out and out war jake and the other animorphs have found a way to slow the yeerks down but now the yeerks have decided the best way to win is to just destroy everything and everyone who gets in their way just when things look hopeless jake and the others discover help where they least expected taxxon creatures so foul and heartless it's hard to believe that they're capable of having any feelings but jake and the others soon discover that the taxxon resistance has its own problems with the yeerks and for once it looks like earth may have a chance

In the Time of Dinosaurs (Animorphs Megamorphs #2) 2018-03-27 the wildly popular books by katherine applegate are back the animorphs return in this update of the classic series rachel isn't the kind of girl who backs away from a fight when her dad asks her to move across the country with him it hurts but rachel won't desert her friends in their fight to save the world but then the animorphs are contacted by a very old very powerful alien being that knows about their struggle he's called the ellimist and he presents them with a choice they can abandon the planet with their families and be taken to safety or they can stay to fight the yeerks and lose
