clive cussler s fifth oregon files novel plague ship pits juan cabrillo against a deadly adversary in a norwegian glacier during world war two a nazi officer makes an extraordinary discovery the most legendary ship of all time sixty years later juan cabrillo and the crew of the oregon a top secret state of the art military vessel disguised as a heap of junk reap the terrible rewards of this find in the persian gulf they encounter a cruise ship full of the dead and the dying while attempting a rescue the stricken liner erupts into a fireball cabrillo escapes with his life and one survivor when cabrillo decides to probe deeper into this mystery he finds a powerful cult obsessed with the end of the world it is a discovery that sees the oregon and her crew racing against time to prevent a sinister madman from using the secrets of the past to destroy the future plague ship is a high stakes high seas adventure you won t be able to put down the number one bestseller clive cussler author of the thrilling dirk pitt novels arctic drift and valhalla rising and co author jack du brul are back with their most exciting juan cabrillo assignment yet in the fifth novel of adventure series the oregon files plague ship praise for clive cussler cussler is hard to beat daily mail the guy i read tom clancy what better introduction could there be to finnegans wake perhaps the most difficult literary work ever written than the sherlock holmes stories perhaps the most readable and popular stories ever written james joyce made extensive use of sherlockian material in his work indeed jenkins argues this use goes to the core of the meaning and structure of finnegans wake in this exhaustive and entertaining analysis jenkins provides the specific references to holmes adventures in the wake and examines the context in which they occur and how they relate to the larger wake themes readers of world literature especially joyce and doyle scholars and students will find this a fascinating and useful volume recognised on its first publication in 1920 as a valuable and illuminating study of the beginnings of colonial rule in india this work gives a comprehensive account of dupleix s rise to power in southern india and his consequent rivalry with clive the author was for many years keeper of the records at madras and delved deeply into the sources there and in england and france to write what was and is still an indispensable contribution to the study of the french and british struggle for predominance in india a highly informed insider s account of some of the honest men as they sought by fair means or foul to get britain its way in the world getting our way recounts nine stories from britain s diplomatic annals over the last five hundred years in which the diplomats themselves are at the centre of the narrative it is an inside account of their extraordinary experiences sometimes in the face of physical danger often at history s hinge be it henry killigrew s mission to edinburgh in 1572 castlereagh at the congress of vienna our man in washington and the nassau deal or the handover of hong kong to china we can see how britain has viewed its interests in the world and sought to advance them some of these dramatic episodes record triumph some failure but all of them illustrate how the three pillars of the national interest security prosperity and values have been the foundation of british foreign policy for half a century each story is illuminated by colourful anecdotes and insights drawn from christopher meyer s first hand experience of international relations moreover the book is a salutary reminder that foreign policy and diplomacy begin and end with the national interest and far from being the preserve of aloof aristocrats the pursuit of our national interest is replete with an extraordinary combination of high principle and low cunning vice and virtue all with the specific aim of getting our way

narrative might seem to be conquest but real british conquests also generated a surprising cultural obsession with suffering sacrifice defeat and melancholia there was writes john kucich seemingly a different crucifixion scene marking the historical gateway to each colonial theater in imperial masochism kucich reveals the central role masochistic forms of voluntary suffering played in late nineteenth century british thinking about imperial politics and class identity placing the colonial writers robert louis stevenson olive schreiner rudyard kipling and joseph conrad in their cultural context kucich shows how the ideological and psychological dynamics of empire particularly its reorganization of class identities at the colonial periphery depended on figurations of masochism drawing on recent psychoanalytic theory to define masochism in terms of narcissistic fantasies of omnipotence rather than sexual perversion the book illuminates how

masochism mediates political thought of many different kinds not simply those that represent the social order as an opposition of mastery and submission or an eroticized drama of power differentials masochism was a powerful psychosocial language that enabled colonial writers to articulate judgments about imperialism and class the first full length study of masochism in british colonial fiction imperial masochism puts forth new readings of this literature and shows the continued relevance of psychoanalysis to historicist studies of literature and culture with the mastery that has made each of his books a major bestseller cussler ties together the disappearance of a confederate ironclad in 1865 a british aviatrix who vanished in 1931 and the 1995 mission of dirk pitt to find the remains of a pharaoh s funeral barge buried at the bottom of the nile the result is pitt s most gripping and action packed adventure ever maps the book takes a fresh look at the legacy of dr g s ghurye a pillar of indian sociology through the format of this dictionary the author takes a new path it has the widest coverage of ghurye s world through all his works and papers for the first time the 80 theses done under him have been documented in short entries it would lead the serious reader to some unexplored by laws of ghureye s world and also of indian sociology examining the memoirs and autobiographies of british soldiers during the romantic period neil ramsey explores the effect of these as cultural forms mediating warfare to the reading public during and immediately after the french revolutionary and napoleonic wars forming a distinct and commercially successful genre that in turn inspired the military and nautical novels that flourished in the 1830s military memoirs profoundly shaped nineteenth century british culture s understanding of war as romantic adventure establishing images of the nation s middle class soldier heroes that would be of enduring significance through the nineteenth and twentieth centuries as ramsey shows the military memoir achieved widespread acclaim and commercial success among the reading public of the late romantic era ramsey assesses their influence in relation to romantic culture s wider understanding of war writing autobiography and authorship and to the shifting relationships between the individual the soldier and the nation the memoirs ramsey argues participated in a sentimental response to the period s wars by transforming earlier impersonal traditions of military memoirs into stories of the soldier s personal suffering while the focus on suffering established in part a lasting strand of anti war writing in memoirs by private soldiers such stories also helped to foster a sympathetic bond between the soldier and the civilian that played an important role in developing ideas of a national war and functioned as a central component in a national commemoration of war in 1952 john cage shocked audiences with 4 33 his compositional ode to the ironic power of silence from cage s minimalism to chris burden s radical performance art two decades later in one piece he had himself shot the post war american avant garde shattered the divide between low and high art between artist and audience they changed the cultural landscape feast of excess is an engaging and accessible portrait of the new sensibility as it was named by susan sontag in 1965 the new sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism through vignette profiles of prominent figures john cage patricia highsmith allen ginsberg andy warhol anne sexton john coltrane bob dylan erica jong and thomas pynchon to name a few george cotkin presents their bold headline grabbing performances and places them within the historical moment this inventive and jaunty narrative captures the excitement of liberation in american culture the roots of this release as cotkin demonstrates began in the 1950s boomed in the 1960s and became the cultural norm by the 1970s more than a detailed immersion in the history of cultural extremism feast of excess raises provocative questions for our present day culture intrepid adventurer dirk pitt must unravel an enduring historical mystery in the latest novel in the beloved new york times bestselling series created by the grand master of adventure clive cussler in may 1940 as the german army blitzes europe and parisians flee their city the chief curator of the musée de l armée is ordered to get a mysterious piece of cargo out of the country when he arrives at the port of le havre and learns that his intended ship has been sunk he places the object on a decrepit steamer that sails out under german fire in the present day national underwater and marine agency director dirk pitt is on a diving expedition in the english channel when he discovers a cache of uncut diamonds on a shipwreck when the diamonds are stolen pitt and the numa agency find themselves up against a murderous cabal that soon reveals far more destructive plans than mere theft vital water treatment facilities around the globe are being targeted placing the world s population in grave peril from the shadow of the eiffel tower to the depths of the irish sea to the islands of the caribbean only dirk pitt and his children summer and dirk jr can locate the treasure that will preserve the soul of a nation and save the world from catastrophe treasure hunting husband and wife team sam and remi fargo must protect a discovery that redefines totec history in this high stakes adventure from the 1 new york times bestselling author baffin island sami and remi fargo are on a climate control expedition in the arctic when to their astonishment they discover a viking ship in the ice perfectly preserved and filled with pre columbian artifacts from mexico how can that be as they plunge into their research tantalizing clues about a link between the vikings and the legendary toltec feathered serpent god quetzalcoatl and a fabled object known as the eye of heaven begin to emerge but so do many dangerous people soon the fargos find themselves on the run through jungles temples and secret tombs caught between treasure hunters crime cartels and those with a far more personal motivation for stopping them at the end of the road will be the solution to a thousand year old mystery or death official organ of the book trade of the united kingdom victorian literature is a comprehensive and fully annotated anthology with a flexible design that allows teachers and students to pursue traditional or innovative lines of inquiry from the canon to its extensions and its contexts represents the period s major writers of prose poetry drama and more including tennyson arnold the brownings carlyle ruskin the rossettis wilde eliot and the brontës promotes an ideologically and culturally varied view of victorian society
