## ***108-1 Hearing: Potential Congressional Responses to The Supreme Court's Decision In State Farm Mutual Automobile Ins. Co. V. Campbell, Etc., Serial No. 48, September 23, 2003, \****

2003

contents the report executive summary central america the arms sales to iran exposure and concealment the enterprise conclusions and recommendations also contains the minority report the foreign affairs powers of the constitution and the iran contra affair nicaragua iran disclosure and investigations putting congress house in order and recommendations extensive appendices contain additional views of several representatives and senators

## **Report of the Congressional Committees Investigating the Iran/Contra Affair**

1995-11

walter oleszek examines how the majority and minority parties in the us use procedural devices to achieve their political goals and offers an assessment of the role of conference committees in reconciling bicameral differences not shying away from the complexity of the topic he ensures that the machinations of congress are understandable through an array of interesting examples cases and anecdotes

## ***Congressional Record***

1965

a clear explanation of the workings of the united states government that should be required reading for politically engaged americans kirkus congressional procedure explains the legislative and congressional budget processes along with all aspects of congress this comprehensive guide to congress is ideal for anyone who wants to know how congress really works including federal executives attorneys lobbyists media and public affairs staff government affairs policy and budget analysts congressional office staff and students clear explanation of the legislative process budget process and house and senate business legislative process flowchart explanation of the electoral college and votes by states relationship between budget resolutions and appropriation and authorization bills amendment tree and amendment procedures how members are assigned to committees glossary of legislative terms each chapter concludes with review questions chapter 1 examines the relationship between the u s constitution and the house and senate it discusses constitutional provisions that directly affect congress the makeup roles and leadership of the house and senate are compared and contrasted congressional committees and their place and power in the house and senate are explored chapter 2 begins with a discussion of why members submit legislation explains the forms of legislation and lays out the steps involved in drafting legislation bills joint resolutions concurrent resolutions and simple house and senate resolutions and their purposes are separately described ends with a flowchart of the legislative process in chapter 3 the work of congressional committees is examined in greater detail types of committees and their structures subcommittees power of the chairs of committees hearings markups and amendment procedure in committee and the reporting of legislation to the house and senate floor chapters 4 and 5 follow the course of legislation through the respective chambers and some of the more arcane elements of house and senate floor

action chapter 4 addresses some of the unique characteristics of the house including the central and crucial role played by the rules committee and the special rules it reports scheduling consideration amending and passage of legislation through the house is described in detail chapter 5 discusses the handling of legislation on the senate floor including unique senate characteristics like the filibuster the nuclear option holds and the filling of the amendment tree chapter 6 explains the various procedures for resolving differences in legislation between the senate and the house the budget process is addressed in chapter 7 including appropriations and authorization procedures the 1974 budget and impoundment control act and the key role it has played since its adoption the use of the optional budget reconciliation process and the somewhat complex but crucial byrd rule chapter 8 concludes the detail and analysis of congressional procedure with a number of processes that are not strictly legislative including a number of constitutional responsibilities given to congress such as oversight and investigation and advice and consent counting of electoral college ballots and impeachment the conclusion chapter 9 describes the way in which many of the procedures explained in this book are increasingly being used and some would say abused in both the house and the senate glossary index also see related crs reports and links on tcncpam com for detailed table of contents see congressionalprocedure com
