lauren benton and lisa ford find the origins of  
international law in empires especially in the british  
empire s sprawling efforts to refashion the imperial  
constitution and reorder the world these attempts  
touched on all the issues of the early nineteenth  
century from slavery to revolution and changed the  
way we think about the empire s legacy

une course contre la montre le secteur automobile est  
à l aube de ses plus grands changements depuis la  
mise en marché de la model t il doit faire face à une  
transformation sans précédent les constructeurs  
établis font la lutte à de jeunes pousses alors que des  
sommes astronomiques sont dépensées pour

entreprendre la transition électrique l annuel de l automobile vous invite à suivre cette évolution à travers ses pages avec l ouverture de chaque chapitre consacrée à un constructeur nous brossons un portrait éclair de l industrie automobile nous continuons également de vous offrir notre section sur les modèles entièrement électriques et hybrides branchables qui s est encore agrandie cette année un grand coup d œil sur nos reportages est ce que l autonomie Électrique fait foi de tout au volant de quatre véhicules électriques mazda mx 30 tesla model 3 genesis g70 et bmw i7 les membres de l annuel de l automobile se sont élancés sur une route de 400 km aller retour dans la région des mille îles en ontario dans le but de vérifier de quelle façon l autonomie affectait le temps de déplacement la conduite autonome va bientôt faire partie intégrante de tous les véhicules grâce à l arrivée de la technologie 5g la conduite intelligente est devenue facile d accès nous faisons le point sur cette technologie et sur ce à quoi nous devons nous attendre dans l avenir l avenir des batteries dans le monde des véhicules pas un mois ne passe sans que l industrie automobile annonce une nouvelle pile pile au sodium pile solide pile lfp que nous réserve l avenir en matière d électrification des véhicules est ce que l hydrogène y aura sa place quelles technologies arriveront à faire une percée il s agit là de questions parmi d autres sur lesquelles nous nous penchons dans cette section america s car museum harold lemay a reçu en 1997 le titre de plus grand collectionneur de voitures au monde À son

apogée l homme d affaires de l État de washington possédait plus de 3000 véhicules après son décès la ville de tacoma a ouvert en 2012 un musée pour mettre en valeur sa collection nous vous invitons à faire le tour de l america s car museum pour admirer cette collection considérée par plusieurs comme un trésor national de l automobile un nouveau modÈle d affaires automobile depuis 100 ans les voitures sont vendues en concession tesla a changé la donne en vendant ses produits directement aux consommateurs de jeunes pousses ont repris l idée et utilisent le même modèle d affaires mais voilà que des grands comme ford souhaitent aussi imiter tesla assisterons nous à une transformation du processus de vente

## **Report of the Board on Behalf of U.S. Executive Departments** **1884**

in 1933 antarctica was essentially unexplored admiral richard byrd launched his second expedition to chart the southernmost continent primarily relying on the muscle power of dog teams and their drivers who skied or ran beside the loaded sledges as they traveled the life threatening challenges of moving glaciers invisible crevasses and horrific storms

compounded the difficulties of isolation darkness and the unimaginable cold that defined the men s lives stuart paine was a dog driver radio operator and navigator on the fifty six man expedition the bold and complex venture that is now famous for byrd s dramatic rescue from bolling advance weather base located 115 miles inland paine s diaries represent the only published contemporary account written by a member of the second expedition they reveal a behind the scenes look at the contentiousness surrounding the planned winter rescue of byrd and offer unprecedented insights into the expedition s internal dynamics equally riveting is paine s breathtaking narrative of the fall and summer field operations as the field parties depended on their own resources in the face of interminable uncertainty and peril undertaking the longest and most hazardous sledging journey of the expedition paine guided the first american party from the edge of the ross sea more than seven hundred miles up the ross ice shelf and the massive thorne scott glacier to approach the south pole he and two other men skied more than fourteen hundred miles in eighty eight days to explore and map part of antarctica for the first time footsteps on the ice reveals the daily struggles extreme personalities and the matter of fact bravery of early explorers who are now fading into history detailing the men s frustrations annoyances and questioning of their leader paine s entries provide rare insight into how byrd conducted his expeditions paine exposes the stresses of living under the snow in little america

during the four month long winter night trapped in dim crowded huts and black tunnels while the men uneasily mulled over their leader s isolation at advance base the fates of paine s dogs which provided some of his most difficult and rewarding experiences are also described his relationship with jack his lead dog is an entrancing story in itself featuring previously unpublished photographs and illustrations footsteps on the ice documents the period in antarctic exploration that bridged the heroic era and the modern age of mechanized travel depicting almost incomprehensible mental and physical duress and unhesitating courage paine s tale is one of the most compelling stories in polar history surpassing other accounts with its immediacy and adventure as it captures the majesty and mystery of the untouched antarctic
