**Iran's Foreign Policy in the South Caucasus** 2019-01-10 iran s role as a regional power is more significant than many in the west may realise the country lies between central asia the caucasus and the gulf region on the one hand and on the other between the mediterranean levant region and south asia many of these areas are of increasing strategic importance this book explores iran s role as a regional power focusing on relations with south caucasus countries azerbaijan and armenia it outlines the historical context including persia s rule of these countries before the nineteenth century and discusses iran s approach to foreign and regional policy and how both internal and international factors shape these policies the book assesses iran azerbaijan and iran armenia bilateral relations to demonstrate how those policies translate in iran s regional and bilateral relations the book concludes by considering how iran s relations in the region are likely to develop in the future

*In the Matter of the Investigation Into Officially Connected Travel, ... February 26, 2010, 111-2 House Report 111-422, Bk. 1* 2010 the growth of peer to peer p2p accommodation has been remarkable however the rapid expansion of the phenomenon has yielded several concerns over its potentially negative economic social and environmental impacts these impacts are highlighted in policy agendas as an emerging problem encountered by many local communities in destinations experiencing a boom in p2p accommodation specifically concerns have been raised over the impact of the growth of p2p accommodation on local housing markets residents well being and the environment as a result of the touristification of residential areas in fact many observers accuse p2p accommodation of fuelling the overtourism problem that several destinations face this edited book addresses the need to examine the p2p accommodation phenomenon from a community resilience lens in particular through a collection of chapters presenting a range of empirical and conceptual perspectives from urban and rural communities the book considers the implications of p2p accommodation growth on the resilience of local communities and the sustainable development of places

**Peer-to-peer Accommodation and Community Resilience** 2022-03-16 this book deploys the concept of audiovisual tourism promotion to account for the promotional functions performed by a vast array of diverse media texts including tourism films feature films digital videos conceived for online circulation video games and tv commercials from this point of view this volume fills a major gap in the literature by providing the first comprehensive critical overview of audiovisual tourism promotion as a distinct media field in this book the study of audiovisual tourism promotion is characterised by an interdisciplinary approach which combines film studies media studies human geography sociology tourism studies history postcolonial and gender studies this book will appeal to a wide range of students and scholars from different disciplines

*In the Matter of the Investigation Into Officially Connected Travel, ... February 26, 2010, 111-2 House Report 111-422, Bk. 2* 2010 medical tourism and wellness hospitality bridging healthcare h2h takes a systems approach to examining the growing field of medical tourism one of the field s hottest niches with billions of dollars spent each year this important book fills the need for a modern management book that looks at medical tourism in depth from a medical and hospitality operational management perspective growing numbers of people are going abroad to find affordable quality medical care for both necessary and cosmetic medical services when they require surgery or dental work they combine it with a trip to the taj mahal a photo safari on the african veldt or a stay at a luxury hotel or at a hospital that feels like one all at bargain basement prices the book takes a comprehensive look at medical tourism covering such topics as the history of medical tourism why patients tourists decide to travel for medical care the role of professional facilitators of medical tourism key countries and medical disciplines in medical tourism transportation food entertainment and hotel hospitality services hotel and spa designs for medical tourism best practices in medical tourism patient follow up after medical discharge future trends in medical tourism careers in medical tourism with the inclusion of case studies the book provides a comprehensive look into this growing trend and will be valuable to upper level undergraduate and graduate students in health care administration and those pursuing mbas in healthcare medical students pursuing a management focus and students in hospitality management it will also be a must have resource for professionals working in hotels and in health care

**Audiovisual Tourism Promotion** 2022-01-03 agrifood systems in asia and the pacific can be strengthened by tapping on agrifood tourism linkages when tourism and agrifood systems interact both synergies and competition appear agriculture and tourism compete between themselves and

other sectors for land water labour capital and transport and logistics services cross sectoral synergies arise when agriculture and tourism influence each other through their respective demand conditions and changes in the enabling environment these cross sectoral synergies can be instrumental in strengthening agrifood systems in the region and addressing interlinked crises in the post pandemic era governments across asia and the pacific have acknowledged the potential of tapping into agrifood tourism linkages to advance sustainable development in both urban food tourism and rural areas mostly agricultural tourism and are implementing efforts to develop this subsector agrifood tourism linkages can create income generating opportunities for farmers and tourism operators boost employment and stimulate overall economic growth promote the development of sustainable agrifood systems prevent rural youth outmigration and help preserve culinary and agricultural heritage this publication guides policymakers in the region in the preparation of a strategic plan aimed at developing agrifood tourism and the tourism food value chain as drivers of sustainable development the successful positioning of a country or location as a culinary or agricultural tourism destination and the creation of synergies between the agriculture and tourism sectors requires a shared vision and coordination between policymakers destination managers tourism and agrifood businesses chefs farmers and other key stakeholders

The State of U.S. Travel and Tourism 2015 for more than 40 years the historic documents series has made primary source research easy by presenting full primary documents and excerpts from documents on the important events of each year for the united states and the world each volume includes approximately 70 events with well over 100 documents from the previous year from official or other influential reports and surveys to speeches from leaders and opinion makers to court cases legislation testimony and much more historic documents is renowned for the well written and informative background history and context it provides for each document published annually the updated 2014 volume begins with an insightful essay that sets the year s events in context and each document or group of documents is preceded by a comprehensive introduction that provides background information on the event full source citations are provided readers have easy access to material through a detailed thematic table of contents and an index as well as an other historic documents of interest section which lists related entries from this and previous editions

**Medical Tourism and Wellness** 2017-04-28 the movement of asian citizens across continents now occurs on an unprecedented scale what are the interests of asian tourists and what are the impacts on host communities this book addresses questions about asian tourist contact with unfamiliar countries and cultures and the implications for the marketing planning and policy of tourist markets

**Linking agriculture and tourism to strengthen agrifood systems in Asia and the Pacific** 2023-08-03 nowadays senior government officials visit other countries to promote tourism in their country because of the fact that the western capitalist world has huge amounts of capital at their disposal they are able to invest more money in the tourism industry for tourism development and as such they get huge dividends from tourism this work is an attempt in the collection of firsthand information from various areas of tourism industry draw from wide range of sources a travel agency is a private retailer or public service that provides travel and tourism related services to the public on behalf of suppliers such as activities airlines car rentals cruise lines hotels railways travel insurance and package tours in addition to dealing with ordinary tourists most travel agencies have a separate department devoted to making travel arrangements for business travelers and some travel agencies specialize in commercial and business travel only there are also travel agencies that serve as general sales agents for foreign travel companies allowing them to have offices in countries other than where their headquarters are located travel and tourism industry has now become the largest civilian industry in the world according to statistics one out of every ten person worldwide is part of the travel and tourism industry travel and tourism is one of the largest and fastest growing global service industries the travel and tourism industry along with the related sectors contributing to it is expected to grow in leaps and bounds in the coming years the book is a unique research account on tourism strategies and marketing it is an excellent asset for the students scholars and expert of tourism marketing

**Historic Documents of 2014** 2015-06-10 this open access book discusses the relationship between periodicals tourism and nation building in mexico it enquires into how magazines a staple form of the promotional apparatus of tourism since its inception articulated an imaginative geography of mexico at a time when that industry became a critical means of economic recovery

and political stability after the revolution notwithstanding their vogue popularity reach and close affiliations to commerce and state over several decades magazines have not received any sustained critical attention in the scholarship on that period this book aims to redress that oversight it argues that illustrated magazines like mexican folkways 1925 1937 and mexico this month 1955 1971 offer rich and compelling materials in that regard not only as unique tools for interrogating the ramifications of tourism on the country's reconstruction but as autonomous objects of study that form a vital if complex part of mexico's visual culture

The World Meets Asian Tourists 2016-12-14 this is the inside story of private equity dealmaking over the last 40 years lbo fund managers have demonstrated that they are good at making money for themselves and their investors but when one looks beneath the surface of the transactions they engineer it is apparent that these deals can at times go spectacularly wrong through 14 business stories all emanating from the noughties credit bubble and including headline grabbing names like caesars debenhams emi hertz seat pagine gialle and txu the debt trap shows how via controversial practices like quick flips repeat dividend recaps heavy cost cutting and asset stripping leveraged buyouts changed for better or for worse the way private companies are financed and managed today from technological disruption in the worlds of music recording and business directory publishing to economic turbulence in the gambling real estate and energy sectors highly levered corporations are often incapable of handling market corrections when debt commitments start piling up behind the historical events and the financial empires erected by some of the elite private equity specialists these 14 in depth case studies examine how value maximising techniques and a short cut mentality can impact investment returns and portfolio assets whether you are a practitioner investor business manager academic or business student you will find the debt trap to be an authoritative and fascinating account

Tourism Management 2022-09-14 the routledge handbook of health tourism provides a comprehensive and cutting edge overview of the philosophical conceptual and managerial issues in

the field of health tourism with contributions from more than 30 expert academics and practitioners from around the world terms that are used frequently when defining health tourism such as wellbeing wellness holistic medical and spiritual are analysed and explored as is the role that health and health tourism play in quality of life enhancement wellbeing life satisfaction and happiness an overview is provided of health tourism facilities such as thermal waters spas retreats and wellness hotels and the various challenges inherent in managing these profitably and sustainably typologies are given not only of subsectors of health tourism and related activities but also of destinations such as natural landscapes historic townscapes or individual resources or attractions around which whole infrastructures have been developed attention is paid to some of the lifestyle changes that are taking place in societies which influence consumer behaviour motivations and demand for health tourism including government policies regulations and ethical considerations this significant volume offers the reader a comprehensive synthesis of this field conveying the latest thinking and research the text is international in focus encouraging dialogue across disciplinary boundaries and areas of study and will be an invaluable resource for all those with an interest in health tourism

*China's Bilateral Relations with Its Principal Oil Suppliers* 2017-10-23 this edited volume examines the many facets of contemporary malaysia india bilateral relations the contributors provide analysis from the perspectives of trade and economic relations people to people connections tourism security cooperation ethnic identities comparative religiosity and revisiting the historical links between these countries

**Sustainable Ecotourism in Central America** 2016-09-30 this book attempts to provide a comprehensive understanding of the circumstances which have shaped india s approach towards its international borders and the framework it has developed to better manage its borders the book argues that persistence of various cross border threats and challenges and an absence of robust intra regional trade among its neighbouring countries forced india to employ a security centric and unilateral approach to border management with emphasis on hardening the borders to cross border trade and travel and keeping the border areas underdeveloped to act as a buffer against external conventional threats besides discussing the threats and challenges that india faces along the borders the book aims to develop an understanding of india s border management practices by analysing various programmes and initiatives such as the raising of border guarding forces building of physical and electronic fences the establishment of modern facilities for smoothening legitimate cross border travel the development of the border areas through special programmes and increasing trade and connectivity as well as other cooperative bilateral mechanisms print edition not for sale in south asia india sri lanka nepal bangladesh pakistan and bhutan

*Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 2016* 2015 this book discusses the mozambique s foreign policy framework in general and towards south africa in particular searching to understand why it has been characterized by the hostility friendship dichotomy the book argues that asymmetry alone cannot explain the occurrence of the dichotomy as suggested by womack s asymmetry theory in the case of mozambique s foreign policy the dichotomy is caused by combination of factors namely power asymmetry ideological differences leadership perceptions economic disagreements and economic ties however it is highlighted that power asymmetry is the main factor of the dichotomy this complexity and amalgamations of causes of the dichotomy makes it a permanent and distinctive feature of mozambique s foreign policy towards south africa thus the major contribution of this book is twofold first it presents a detailed and comprehensive analysis of mozambique s foreign affairs as they have interacted with south africa second by applying asymmetry theory to mozambique the study makes a significant theoretical contribution to understanding the agency of the smaller side in bilateral asymmetric relationships

**The Future of Law and eTechnologies** 2016-02-22 in a dramatic unveiling of the little known world of contracted military logistics adam moore examines the lives of the global army of laborers who support us overseas wars empire s labor brings us the experience of the hundreds of thousands of men and women who perform jobs such as truck drivers and administrative assistants at bases located in warzones in the middle east and africa he highlights the changes the us military has undergone since the vietnam war when the ratio of contractors to uniformed personnel was roughly 1 6 in afghanistan it has been as high as 4 1 this growth in logistics contracting represents a fundamental change in how the us fights wars with the military now dependent on a huge pool of

contractors recruited from around the world it also moore demonstrates has social economic and political implications that extend well beyond the battlefields focusing on workers from the philippines and bosnia two major sources of third country national tcn military labor moore explains the rise of large scale logistics outsourcing since the end of the cold war describes the networks infrastructures and practices that span the spaces through which people information and goods circulate and reveals the experiences of foreign workers from the hidden dynamics of labor activism on bases to the economic and social impacts these jobs have on their families and the communities they hail from through his extensive fieldwork and interviews moore gives voice to the agency and aspirations of the many thousands of foreigners who labor for the us military thanks to generous funding from ucla and its participation in tome toward an open monograph ecosystem the ebook editions of this book are available as open access volumes from cornell open cornellopen org and other repositories

*Appendix, Budget of the United States Government, Fiscal Year 2016* 2015-02-02 this book explores the role that states might play in promoting a cosmopolitan condition as an agent of cosmopolitanism rather than an obstacle to it in doing so the book seeks to develop recent arguments in favour of locating cosmopolitan moral and political responsibility at the state level as either an alternative to or a corollary of cosmopolitanism as it is more commonly understood qua requiring transnational or global bearers of responsibility as a result the contributions in this volume see an on going role for the state but also its transformation perhaps only partially into a more cosmopolitan minded institution instead of a purely national or particularistic one it therefore makes the case that the state as a form of political community can be reconciled with various form of cosmopolitan responsibility in this way the book will address the question of how states in the present and in the future can be better bearers of cosmopolitan responsibilities

**The Budget of the United States Government** 2015 this book focuses on film tourism the phenomenon of people visiting locations from popular film or tv series it is based on a unique asian perspective encompassing case studies from around the pan asian region including china taiwan india japan south korea thailand hong kong indonesia and singapore by focusing emphatically on film tourism in the non west this book offers a timely and crucial contribution to a more comprehensive understanding of the relation between film culture and place particularly in light of the increased volume of media production and consumption across asia and the consequent film tourism destinations that are currently popping up across the asian continent

**The Routledge Handbook of Health Tourism** 2016-11-10 this book a follow up publication to the 2016 volume foreign fighters under international law and beyond zooms in on the responses that the international community and individual states are implementing in response to prospective and actual returning foreign fighters ffs and their families focusing on returnees from syria and iraq to european countries as states and international organisations are still learning by doing the role of the academic community is to help steer the process by bridging the divide between international standards and their implementation at the national level and between security concerns and human rights law furthermore the academic community can and should assist in identifying ways forward that are both effective sustainable and international law compliant those are ultimately the goals that the present volume seeks to pursue the observations recommendations and warnings included in this book will be useful in future debates on returning ffs both in the academic world and in the world of policy makers and practitioners as well as to the public at large francesca capone is associate professor of international law at the istituto dirpolis of the scuola superiore sant anna in pisa italy christophe paulussen is senior researcher international law at the t m c asser instituut in the hague the netherlands rebecca mignot mahdavi is lecturer in international law at the manchester international law centre university of manchester school of law in manchester united kingdom

**Emerging Dynamics in Contemporary India-Malaysia Relations** 2023-04-24 the tabe a ii report is a second more detailed analysis of the arab region s world heritage programme based on the baseline established in the first report from 2011 as well as of the progress achieved since then specifically the tabe a report provides a strategic update on the state of conservation of the natural world heritage properties in the arab region based on the various assessment tools used by iucn further analyses the national tentative lists of the states parties in the region presents a selection of key case studies success stories challenges and lessons learnt and provides a set of specific recommendations targeting the multiple layers related to world heritage in the arab region

**India's Approach to Border Management** 2022-12-29 hypothetical spacecraft and interstellar travel collects information about the latest and greatest hypothetical spacecraft

Mozambique's foreign policy towards South Africa 2022-07-20 key issues background the gambian economy is facing urgent balance of payments needs triggered mostly by the impact of the regional ebola outbreak on tourism although the country remains ebola free the regional outbreak is expected to cut by more than half tourism receipts for the 2014 15 season during 2014 15 the impact of the shocks on the balance of payments offset in part by lower global fuel prices is estimated to be 40 million over 5 percent of 2015 gdp policy slippages and persistent financial difficulties in public enterprises have exacerbated the problems and pushed the gambia s ecf arrangement off track in their letter of intent the authorities have notified the fund of their decision to cancel the arrangement request the authorities are requesting support under the rcf in an amount of sdr 7 775 million or equivalent to 25 percent of quota to cope with the urgent balance of payments needs and a one year staff monitored program smp to guide policy implementation before returning to a successor ecf arrangement provided policies remain on track main policy commitments the authorities have taken a number of upfront policy actions the approved 2015 budget envisages lowering net domestic borrowing ndb to 1 percent of gdp in 2015 from 121 4 percent in 2014 anchored by a set of revenue and expenditure measures and complemented by some 22 million in external budget support the authorities have taken steps to resolve the financial problems of key public enterprises and intend to take measures to secure their medium term fiscal consolidation and poverty reduction objectives staff s view staff supports the authorities request staff views the package of measures articulated in the attached letter of intent as representing a considerable effort the rcf disbursement would augment the authorities own strong adjustment efforts help catalyze additional donor financing and give the authorities the time needed to develop their medium term adjustment plans the smp will provide the gambian authorities an opportunity to establish a track record before moving to a successor ecf to which they aspire a period of monitoring will also allow the time needed to assess the impact of the shocks fully and hence better tailor the objectives of a successor ecf arrangement

**Empire's Labor** 2019-11-15 this volume provides a reference textbook and comprehensive compilation of multifaceted perspectives on the legal issues arising from the conservation and exploitation of non human biological resources contributors include leading academics policy makers and practitioners reviewing a range of socio legal issues concerning the relationships between humankind and the natural world the routledge handbook of biodiversity and the law includes chapters on fundamental and cutting edge issues including discussion of major legal instruments such as the convention on biological diversity and the nagoya protocol the book is divided into six distinct parts based around the major objectives which have emerged from legal frameworks concerned with protecting biodiversity following introductory chapters part ii examines issues relating to conservation and sustainable use of biodiversity with part iii focusing on access and benefit sharing part iv discusses legal issues associated with the protection of traditional knowledge cultural heritage and indigenous human rights parts v and vi focus on a selection of intellectual property issues connected to the commercial exploitation of biological resources and analyse ethical issues including viewpoints from economic ethnobotanical pharmaceutical and other scientific industry perspectives

The State and Cosmopolitan Responsibilities 2019-06-06 the 2012 2013 economic crisis in the republic of cyprus is commonly attributed to a number of factors including the exposure of cypriot banks to over leveraged local property companies the knock on effect of the greek government debt crisis and international credit rating agencies downgrading the cypriot government s bond credit status what followed was unexpected and controversial a bailout on condition of a one time bank deposit levy on all uninsured deposits in the country s second largest bank the cyprus popular bank and on the uninsured deposits of large proportion of the island s largest commercial bank the bank of cyprus many have questioned the implications of cyprus ties with the russian financial system as well as the draconian and unprecedented bailout terms imposed on the cypriot population by the eurozone there has been little written from the cypriot perspective on these events this book presents a study of the events surrounding the recent cypriot financial crisis and its impact on the eurozone it incorporates insights from leading protagonists in the cypriot government and banking sectors and focuses on qualitative research to assess the events that formed the backdrop of the crisis the book analyzes the policies of many public and private institutions and presents the crisis

alongside other eurozone bailouts to compare and contextualize the ongoing issues cyprus and the financial crisis also explains the political and historical backdrop of the events including the wider cypriot experience since the 1974 invasion and the unravelling financial relationship between cyprus greece and russia it incorporates the views of cypriots from a wide and diverse spectrum and presents the resilience of the island in fighting back to beat forecasts for recovery helped by the eldorado of gas finds off its southern shores

**Film Tourism in Asia** 2017-10-13 according to the un conference on trade and development thailand has been among eight priority destinations for foreign investment since 2012 factors weighing on growth in 2016 will include an ongoing economic slowdown weakening global demand for thai exports and growing levels of consumer debt the government s investment promotion agenda while perhaps more complicated than in previous years also addresses the dual challenge of labour shortages and the middle income trap through promotion of both labour intensive and high tech industries while potential membership in two major trade blocs could see regional and international exports soar in the coming years although the near term forecast is dampened by global volatility weakening demand and the impact of china s slowdown trade in thailand will remain on an upwards trajectory in 2016 and investment though unlikely to meet government targets is nonetheless expected to bounce back from a challenging 2015
