role in the production of cultural memory this book explores different parameters through which film festivals shape our reception and memories of films by focusing on two asian american film festivals this book analyzes the frames of memory that festivals create for their films constructed through and circulated by the various

festival media it further establishes that festival locations both cities and screening venues play a significant role in shaping our experience of films finally it shows that festivals produce performances which help guide audiences towards certain readings and direct the film s role as a memory object bringing together film festival studies and memory studies asian american film festivals offers a mixed methods approach with which to explore the film festival phenomenon thus shedding light on the complex dynamics of frames locations and performances shaping the festival s memory practices it also draws attention to the understudied genre of asian american film festivals showing how these festivals actively engage in constructing and performing a minority group s collective identity and memory the new full colour rough guide to guatemala is the definitive guide to this fascinating central american country fully updated detailed accounts of every attraction along with clear colour maps will show you everything guatemala has to offer from ancient mayan cities to beautiful rainforest scenery and stunning lakes the rough guide is packed full of insider tips about off the beaten track destinations hiking trails surf spots kayak and rafting trips and jungle walks plus all the best hotels cafés restaurants and bars for every budget whether you re taking in the grand mayan site of tikal the graceful colonial architecture of antigua a traditional market or an adventurous jungle trek the rough guide to guatemala will help you make the most of your holiday originally published in print in 2012 make the most of your time with the rough guide to guatemala now available in epub format
