short stories have enjoyed a long and popular history with many famous writers attempting the craft at some point or another here lee assembles a variety of writers who comment on the form itself and its many meanings and manifestations concentrating on the features and challenges of the short story contributors from amiri baraka to richard ford and jayne anne phillips to janette turner hospital discuss their own writing the writing of others the short story form gender politics and other issues concerning the writing of short fiction readers will come away with a fuller understanding and appreciation of the craft of the short story writer taking a populist approach to the subject writers on writing focuses on relaying to readers the truth about short story writing writers from around the globe reveal the secrets of the form and their own approaches to it as well as criticism of other writers and their output challenging some of the traditional views of past and current critics about short fiction they present a new outlook on the short story

that speaks to both the short story writer and the short story reader

Against Gravity

1996

in presenting an innovative and timely analysis of the novels of one of america s foremost modernists the author draws on theories of women s speech voice and self realization to illuminate robert penn warren s awareness of gender differences in language and psychological development this book s joint focus on dialogue contents and motivation of women characters reveals warren s understanding of and sensitivity to women s ways of speaking and self actualizing by reinterpreting these works in the context of postmodernism and feminist criticism this study argues for a reassessment of warren s fiction along more contemporary lines
