Arvid Ellison is gracefully leading his wife through the golden years. Friends and family see a sweet and giving soul. Not everyone agrees. FBI Agent Woodhull won't be fooled by an old man with a Bible. He believes Arvie is lying and should spend his remaining years behind bars. Arvie speaks of hope and miracles. Just because something seems impossible doesn't make it so. God is capable of everything and may use an old codger and his friends to make a difference. Newspaper man Sandy Marsh is after the truth. Is Arvie senile or purposely deceiving everyone? Could it be that he speaks the truth that miracles are possible right here and now? From Bible study to a jail cell, new author Bill Pearson takes us on a journey from the least of us to the most powerful, demonstrating that all things are possible, no matter who you are or what your past. God can make good from bad, right from wrong, and may even use some old guy pouring coffee to change the world. One baby boomer at a time.
