softbound new softbound print book

Business Law / Legal Studies 2016

written for every law student who ever wondered how to get better grades in law school how to write law exams irac perfected provides students of all levels with a detailed comprehensive and practical guide to success on law school exams what s more how to write law exams applies equally to all subject matters making this text an ideal supplement for every law school course focuses on law school and bar exams rather than the kind of assignments seen in legal writing class as such the book helps students improve their grades in all of their substantive courses not just in their first year legal writing class provides readers with a proven and easy to implement means of maximizing points on a law school exam rather than repeating vague generalities about grammar and style or providing simple bullet point lists as other writing guides do this text breaks the well known irac method of legal writing into comprehensible segments and gives students the tools needed to master their law exams provides readers with detailed student written examples of the irac method in action annotated with line by line critiques these sample essays show readers exactly what can go wrong in a law school exam and how to fix those problems before they appear on a graded paper combining in depth analysis easy to understand writing and innovative design features how to write law exams irac perfected is the answer to every law student s exam questions

How to Write Law Exams 2019-08-11

the technique in this book was derived from more than 150 actual contract law exams given by more than 40 professors at more than 15 law schools including but not limited to top ranked law schools such as harvard stanford and berkeley using answers provided by professors a system was developed for answering exam questions quickly and thoroughly the system

was tested for speed and accuracy by using it to answer exam questions under timed conditions and comparing the system's answers with the professors' answers provided in this book are 10 partial exam questions and 4 full exam questions along with step by step instructions and a model answer for every question

IRAC Law School Exam Study Guide 1997

Why practice taking exams? Siegel's essay and multiple choice questions and answers are designed to show you how to handle law school examination questions. Siegel's have been used by thousands of law students during the past decade and any one will tell you why doing practice exam questions is the key to exam success. To ace your exams you must 1) memorize blackletter principles and rules of law for each subject and 2) understand how those principles of law arise within a test fact pattern. One of the most common misconceptions about law school is that you must memorize each word on every page of your casebooks or outlines to do well on exams. The reality is that you can commit an entire casebook to memory and still do poorly on an exam. Reviewing hundreds of student answers has shown us that most students pretty much know the law. The ones who do best on exams understand how legal problems/issues stem from the rules of law which they have memorized and how to communicate their analysis of these issues to the grader. Working through Siegel's essay and multiple choice questions and answers will give you the practice you need to achieve superior scores on your law school exams. Each essay question comes with an extensive, well-organized model answer. Every multiple choice question comes with a detailed answer that tells you not only why the correct answer is correct but why each of the other choices are wrong so you can better understand why you're choosing the wrong answer. Brian Siegel is a Columbia Law School graduate and is the author of *How to Succeed in Law School* and numerous works pertaining to preparation for the California Bar Examination. Professor Siegel has taught as a member of the adjunct faculty at Pepperdine School of Law and Whittier College School of Law as well as for the UCLA Extension program.
