just after sunset is the fifth collection of short stories by stephen king it was released in hardcover by scribner on november 11 2008 and features a holographic dust jacket on february 6 2008 the author s official website revealed the title of the collection to be just past sunset who but stephen king would turn a port o san into a slimy birth canal or a roadside honky tonk into a place for endless love a book salesman with a grievance might pick up a mute hitchhiker not knowing the silent man in the passenger seat listens altogether too well stephen king 3 88 55 694 ratings 3 309 reviews just after sunset as darkness grips the imagination is the time when you feel the unexpected creep into the everyday as familiar journeys take a different turn ordinary objects assume extraordinary powers just after sunset as darkness grips the imagination is the time when you feel the unexpected creep into the every day as familiar journeys take a different turn ordinary objects assume extraordinary powers thirteen dazzling associated press and wonderfully wicked usa today stories from 1 new york times bestselling author stephen king a book salesman with a grievance picks up a mute hitchhiker not knowing the silent man in the passenger seat listens altogether too well thirteen dazzling associated press and wonderfully wicked usa today stories from 1 new york times bestselling author stephen king a book salesman with a grievance picks up a mute hitchhiker not knowing the silent man in the passenger seat listens altogether too well just after sunset stories hardcover november 11 2008 a collection of short works is comprised of pieces that previously appeared in such publications as the new yorker playboy and mcsweeney s in a volume that includes such tales as the gingerbread girl and n 1 250 000 first printing who but stephen king would turn a port o san into a slimy birth canal or a roadside honky tonk into a place for endless love a book salesman with a grievance might pick up a mute hitchhiker not knowing the silent man in the passenger seat listens altogether too well just after sunset stories stephen king who has written more than fifty books dozens of number one new york times bestsellers and many unforgettable movies delivers an astonishing just after sunset is the 58th book published by stephen king and was his eighth collection of short stories the book was released by scribner on 11 november 2008 and collected thirteen stories in his first collection of short stories since everything s eventual in 2002 king delivers 13 stories ranging from the subtle to the disturbing set in a world where the line between the living and the dead is often blurry and the seams that hold reality intact might tear apart at any moment available in a tall premium edition in just after sunset stephen king delivers an astonishing collection of short stories his first since everything s eventual six years ago stephen

king's fifth collection of short stories just after sunset 2008 contains twelve previously published stories and one previously unpublished story called 'n the first story is called 'willa' and it concerns a man who is dazed following an apparent train wreck just after sunset as it's meant to be heard narrated by Stephen King, Jill Eikenberry, Holter Graham, George Guidall, Ron McLarty, Denis O'Hare, Ben Shenkman, Mare Winningham. Discover the English audiobook at Audible free trial available. The astonishing New York Times bestseller just after sunset it's the perfect time for Stephen King's first story collection since everything's eventual features the chilling tale of madness and apocalypse that was adapted as a groundbreaking digital graphic novel. In just after sunset Stephen King delivers an astonishing collection of short stories. Read more: a man who should have died along with the rest of his office on 9/11 suddenly finds objects in his apartment that he associates with his co-workers. This was a quietly powerful story that had much more going on than meets the eye. It read like a good exploration of survivor's guilt. Don't dismiss this one as just another Stephen King. After sunset Dawn arrives when Wan, a widowed man in his mid-sixties, meets a younger man and starts exploring the world of underground ballroom dancing. It opens him up to an entirely new world. Soon he begins to gradually open up to himself as well as to his deceased wife. 04/04/11: The Volusia Sheriff's Office melted down former Deputy Stephen Corbin's badge Friday, more than a month after Corbin was accused of threatening to arrest two women if they didn't. After the gentle welcoming of 'willa' comes a shocker: 'The Gingerbread Girl', one of the fastest-paced and most driven of King's scenes for a long while. It sets everything out nice and sedately, everything ticks along nicely, then bang! The trademark nightmare that King does so well. Kicks in.
