

Free pdf Indian philosophy radhakrishnan (Read Only)

about the book sarvepalli radhakrishnan former president of india is regarded as one of the representative of its rich philosophic tradition and its leading spokesman for a reconciliation of eastern and western spiritual values sarvepalli himself has tracing the development of indian philosophy as a single tradition of thought these two volumes provide a classical exposition of indian thought the author showcases ancient philosophical texts and relates them to contemporary issues of philosophy and religion he presents the essential meaning and significance of individual texts and philosophies and also draws parallels between indian and western philosophical traditions the first volume covers the vedic and epic periods including expositions on the hymns of the rig veda the upanishads jainism buddhism and the theism of the bhagvadgita the second investigates the six brahmanical philosophical systems the theism of ramanuja saiva ethics metaphysics and literature and the theism of the later vaishnavas this second edition with a new introduction by eminent philosopher j n mohanty underlines the continuing relevance of the two volumes and the philosophic tradition they represent lucidly written these books will form essential reading for students teachers scholars of indian philosophy as well as general reader interested in the development and growth of indian thought jacket the spiritual homelessness of modern man cannot last long thus believed dr sarvepalli radhakrishnan 1888 1975 a prominent philosopher educationalist and one of the makers of modern india his solution to the problems of humanity is a return to the religion of spirit to be achieved through the right kind of education radhakrishnan advocated a sound educational philosophy aimed at harmonious development of the human personality with utmost emphasis on moral and spiritual education this book effectively presents radhakrishnan s thoughts highlighting their relevance to the present day the author has at length discussed indian philosophy in comparison with the western thought and successfully established that the east west synthesis as propagated by radhakrishnan is the need of the hour to arrest the self destructive tendency of the world and ensure development and peace readers will also get an account of radhakrishnan s life story in the backdrop of the political history of pre and post independent india here are the chief riches of more than 3 000 years of indian philosophical thought the ancient vedas the upanisads the epics the treatises of the heterodox and orthodox systems the commentaries of the scholastic period and the contemporary writings introductions and interpretive commentaries are provided additional editors are m hiriyanna p t rajju the philosophy of rabindranath tagore by sarvepalli radhakrishnan published by digicat digicat publishes a wide range of titles that encompasses every genre from well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read each digicat edition has been meticulously edited and formatted to boost readability for all e readers and devices our goal is to produce ebooks that are user friendly and accessible to everyone in a high quality digital format sarvepalli radhakrishnan colleague of gandhi nehru and tagore former ambassador to the soviet union and now vice president of india is regarded as the greatest living thinker of the east the ablest representative of its rich philosophic tradition and its leading spokesman for a reconciliation of eastern and western spiritual values in this volume twenty three world renowned scholars have contributed a series of brilliant critical essays covering every aspect of radhakrishnan s thought his contributions to social philosophy and political philosophy to modern religion and mysticism to his influence on contemporary hinduism and his place in the main currents of twentieth century philosophy this book presents a critical and comprehensive biography of radhakrishnan the authors explain how radhakrishnan who had a british knighthood and an oxford professorship and who did not participate in india s struggle for freedom became important in the political life of independent india they show how this philosophy professor and vice chancellor often expressed radical views developed rapport with national leaders and became president of indian under nehru without losing the goodwill and regard of either the british intellectuals or the colonial government of india it is the thought of sarvepalli radhakrishnan that is most often presented in the west as hinduism through an analysis of his autobiographical sketches writings of those who knew him and worked with him and documents the authors come to grips with radhakrishnan s complex personality which in spite of his greatness and varied achievements is all too human in the centenary of radhakrishnan s birth this commemorative volume reexamines the worth of his legacy in the light of modern developments and look critically at his one world philosophy and the religion of the spirit orphaned at age six and taken in by a heartless couple nine year old katie rose spends her days doing chores and dreaming of going west to find her uncle jack then mr stevens brings home an unbroken mustang and katie s world changes katie is drawn to the horse s wildness and he seems to sense her need for companionship so when katie learns that the stevenses plan to join the expansion west 150without her or the mustang 150she makes a desperate decision to go on her own and she will not leave the mustang behind in the philosophy of hinduism dr s radhakrishnan has explained the central tenets of hinduism its philosophical and spiritual doctrine religious experience ethical character and traditional faiths hinduism is a process and not a result a growing tradition and not fixed revelation as in other faiths he has compared christianity islam and buddhism in the light of hinduism and stressed that the ultimate aim of these religions is the attainment of the universal self radhakrishnan s analysis of religions is highly intellectual and balanced and his lectures have also received a whole hearted response in the uk the articles in the book reflect the mind of this great philosopher who has been hailed as another vivekananda contents the philosophy of hinduism the hindu dharma islam and indian thoughts hindu thought and christian doctrine buddhism indian philosophy references papers of a conference of the institute for environmental studies ramapo college of new jersey may 1986 the book provides an interdisciplinary overview and analysis of

radon and the environment no math accessible to lay readers no index using the works of radhakrishnan organ philosophy emeritus ohio u identifies eight ways of oneness and concludes that one of them nondestructive dualism is the path toward which eastern and western philosophers should work no index annotation copyrighted by book news inc portland or the writings of sarvepalli radhakrishnan philosopher and former president of india constitute one of the best possible introductions to indian thought and culture they are the most important body of work in the development of recent indian and western studies in comparative philosophy this volume contains a representative selection of radhakrishnan s most significant writings in these area it explains the aims key concepts and major predispositions of radhakrishnan s thoughts and deals with his interpretation of indian philosophy his systematic version of vedanta his reinterpretation of hindu dharma and yoga and his consistent plea for the universal synthesis on the plane of spirit one of the most profoundly religious books of our time the spectator science is a system of second causes which cannot describe the world adequately much less account for it in this remarkable treatise radhakrishnan explores aspects of the modern intellectual debate on science vis a vis religion and the vain attempts to find a substitute for religion he discusses drawing upon the traditions of east and west the nature and validity of religious experience finally he creates a fine vision of mans evolution and the emergence of higher values the range of subjects combined with the authors own faith undogmatic and free of creed makes this book a philosophical education in itself sarvepalli radhakrishnan 1888 1975 educationist and former president of india ideas are more potent than facts even though the ideas may be illusions every great achievement is a vision in the soul before it becomes a fact of history ideas control the world they triumph over the blind forces this selection comprises some of radhakrishnan s thought provoking essays on freedom culture and the future of civilization dr radhakrishnan sketches the lives of fourteen individuals who have influenced india s life and culture significantly and altered the course of its history among these are social reformers like swami dayanand and raja ram mohan roy political thinkers and activists like lala lajpat rai sardar patel tilak and gokhale and a giant among scientists jagdis bose all of them had one thong in common they dreamt and had the courage and tenacity to turn their dreams into reality it is the thought of sarvepalli radhakrishnan that is most often presented in the west as hinduism he was a remarkable man in addition to having been president of india while nehru was prime minister and the indian ambassador to the soviet union he held the spaulding chair of comparative religion and ethics at oxford university and he continues to be a culture hero of india radhakrishnan s thought developed in the context of his full life robert minor places his thought in that context his book traces the influences on him and the growth of his thought from his birth in tirutani to his retirement to madras the book contains a complete bibliography of radhakrishnan s writings and of the secondary literature additional editors are m hiriyanna p t raju this beautifully written book describes the leading ideas of indian philosophy and religion and defends them from the attacks to which they have been subjected by certain critics the upanisads the basic philosophical texts of hinduism represent the height of vedic philosophy many of the older upanisads can be dated in the eighth and seventh centuries bce this newly reissued scholarly work by s radhakrishnan first published in 1953 and long out of print contains in full the classical upanisads those commented on or mentioned by the eighth century indian philosopher shankara the sanskrit text transliterated into roman script is followed verse by verse with an english translation the volume also includes a commentary on the argument notes on the vocabulary and a very detailed introduction by dr radhakrishnan this is a new release of the original 1918 edition a timeless treatise on what constitutes the hindu way of life religion in india can appear to be a confusing tangle of myths with many different gods and goddesses worshipped in countless forms this complexity stems from a love of story telling as much as anything else but it is only the surface expression of indian faith beneath can be found a system of unifying beliefs that have guided the lives of ordinary families for generations here one of the most profound philosophers of india explains these and other related concepts intrinsic to the hindu philosophy of life five lectures four delivered in england and one in india dr sarvepalli radhakrishnan september 5 1888 april 17 1975 was a philosopher and statesman one of the foremost scholars of comparative religion and philosophy in his day he is best known for having introduced the thinking of western idealism into indian philosophy into western thought he was an oxford don who became the first vice president and the second president of india sarvepalli is his family name and radhakrishnan is his first name he was born at tiruttani a town in tamil nadu south india his primary education was in gowdie school tiruvallur he graduated with a master s degree in arts from the university of madras this book introduces the vast topic of indian philosophy it begins with a study of the major upanishads and then surveys the philosophical ideas contained in the bhagavadgita after a short excursion into buddhism it summarizes the salient ideas of the six systems of indian philosophy nyaya vaisesika samkhya yoga purva mimamsa and vedanta it concludes with an introduction to contemporary indian thought
