phrase global south marks a shift from a focus on development or cultural difference toward an emphasis on geopolitical power relations. R. W. Connell demystifies and contextualizes this term. R. W. Connell, also known as Robert W. Connell, is an Australian sociologist who gained prominence as an intellectual of the Australian New Left. She is currently Professor Emerita at the University of Sydney and is known for the concept of hegemonic masculinity and Southern Theory. Her work includes a critical survey of Northern thinking about masculinity, a theoretical framework, reports on interviews with four groups of men, reflections on the history of masculinities, and a discussion of masculinity politics. Her translations are in Italian, German, Swedish, Spanish, Chinese, and Hebrew. Connell's 1992 book, *R. W. Connell*, is a biography of her. Born on 3 January 1944, she is an Australian sociologist and Professor Emerita at the University of Sydney. Her research focuses on gender studies, masculinity studies, and transgender studies.
