## ***Hansard's Parliamentary Debates***

1884

the dramatic shifts seen over the last few years from economic to political to moral to beyond have set the stage for a crisis that will affect every sphere of society but this crisis isn t just looming in the united states all of humanity is at a crossroads like never before mike bickle director of the international house of prayer of kansas city offers god s definitive answer to this approaching global crisis he provides a fresh biblical perspective on the agenda to secularize and de christianize america what the upsurge of secular humanism looks like the rise of isis and islamic extremists the looming financial crisis readers will overcome fear and confusion in the last days and learn to pray effectively for this nation and the world

## ***Testimony of Anthony Krchmarek and Charles Musil***

1960

no one can deny that friendships are powerful relationships of influence why not strategically incorporate friendship within a philosophy of leadership people long for relational models of leadership yet few specific methodologies have been developed this book examines the friendship of god with humanity and the leadership of jesus with his disciples to whom he declared i no longer call you servants instead i have called you friends john 15 15 in response to this enduring example of the divine bringing together both friendship and leadership this book presents an unexplored model of leadership for the christian practitioner friendship leadership the authors of friendship leadership share research historical examples and their personal experiences with this leadership model as they describe both the trials and triumphs through this process the book addresses the primary barriers a leader might experience when utilizing the friendship leadership model finally the authors offer a guide for how to incorporate friendship into their leadership strengthening others as they follow the example of our great leader the result is a transformational way of leading that nurtures relationships

## ***Reports of Cases Argued and Determined in the Supreme Court of Appeals of West Virginia***

1886

lieutenant chris fish hill has just barely stepped off the plane after one dangerous mission before he s thrust into the most important fight of his life within moments he s dodging bullets and saving the life of who would soon steal his heart tiny four year old ariel with ari seemingly safe it s a race against time to find and rescue her mother the woman he ll give the rest of his heart to

## **The Parliamentary Debates**

1882

when we came for a romantic walk in the park we didn t think we would be involved in an international crisis this side of the line that side of the line does it really make that much of a difference which side i am from when a country s new border is drawn a couple are divided by the line under the rigorous eyes of a brand new border guard they are trapped in an increasingly absurd nightmare stuck in between two aggressive nations on the verge of war a comic new play exploring the imaginary lines that divide us and the severe penalties for breaking them

## **Reports of Cases at Common Law and in Chancery Argued and Determined in the Supreme Court of the State of Illinois**

1880

why did the language of contract become the dominant metaphor for the relationship between subject and sovereign in mid seventeenth century england in wayward contracts victoria kahn takes issue with the usual explanation for the emergence of contract theory in terms of the origins of liberalism with its notions of autonomy liberty and equality before the law drawing on literature as well as political theory state trials as well as religious debates kahn argues that the sudden prominence of contract theory was part of the linguistic turn of early modern culture when government was imagined in terms of the poetic power to bring new artifacts into existence but this new power also brought in its wake a tremendous anxiety about the contingency of obligation and the instability of the passions that induce individuals to consent to a sovereign power in this wide ranging analysis of the cultural significance of contract theory the lover and the slave the tyrant and the regicide the fool and the liar emerge as some of the central if wayward protagonists of the new theory of political obligation the result is must reading for students and scholars of early modern literature and early modern political theory as well as historians of political thought and of liberalism
