Nissan Owners Workshop Manual

1991

the datsun 240z was a landmark in automotive history some say the japanese e type jaguar and by the time the first generation of z cars came to an end in 1978 everyone around the world knew the name datsun and that the company was serious about sports cars

Nissan Owners Workshop Manual

1987

the 240z was a landmark in automotive history by the time the first generation z cars came to an end in 1978 everyone around the world knew the name datsun here is the full story of the zx series from the 280zx introduced as the second generation z car in 1978 through to the 300zx of 1999 the 240z and 260z were pure sports cars but the 280zx represented the evolution of the z car into a grand tourer this evolution continued through two generations of 300zx and the z became a true supercar with state of the art engineering features this book contains a great deal of new information for enthusiasts in the west as japanese models have been covered in detail for the first time photographs and other illustrations have been sourced almost exclusively from the factory and therefore illustrate the cars in original detail datsun z also by brian long and veloce is a complementary book
