wordnet a visit that last for only a very short time
wordnet lasting a very short time
wordnet a very short speech
1 like bbyfoxes 2017 10 13 too short often means that something is short in a bad way while very short just points out that something is really short for example if you say a song is too short you think that it ends too soon but if you say it is very short you probably don t mind that it is short
