their success in 2007 twenty one year old david karp launched tumblr a simple micro blogging platform on a whim by 2012 it had become one of the top ten online destinations drawing 170 million visitors by 2013 yahoo had acquired tumblr for over 1 billion just like that a kid who hadn t even earned his high school diploma was worth over a quarter billion dollars and he s not the only one silicon valley s newest billionaires represent a unique and unconventional breed of entrepreneur young bold and taking the world by storm with their extreme speed insatiable hunger and progressive leadership these whiz kids and to be fair a few adults have the hottest companies in the world they are all turning just one brilliant insight or hook into money at a rate never before seen in human history creating companies that even with no revenue garner insane valuations with unique insider access to the world s most influential and wealthy entrepreneurs forbes has dug in to find what these super entrepreneurs say about their own success this book introduced edited and updated by forbes editor randall lane is the first comprehensive look at who these instant tech billionaires are and how they achieved their quick wins with sixteen illuminating pieces including two never before published features we get behind the scenes examinations of the founders of spotify airbnb tumblr twitter and more including elon musk the billionaire founder of paypal electric carmaker tesla and private space company spacex his extreme ambition is matched by his preternatural engineering mind no wonder he was the model for robert downey jr s portrayal of iron man evan Spiegel the twenty three year old declined a 3 billion cash offer from mark zuckerberg after making the mountain come to mohammed snapchat s hq is in los angeles an unheard of request from a young gun to one of the biggest players in silicon valley the story of snapchat s origin is even wilder than facebook s but Spiegel s ability to parlay infamy and popularity into revenue is still up in the air even as snapchat s valuation continues to grow alex karp an eccentric philosopher with almost no tech background turned a peter thiel backed venture palantir into a data mining champion with clients like the nsa the fbi and the cia amid heated privacy concerns karp continues to grow palantir like crazy to 196 million in funding and an estimated 1 billion in contracts in 2014 you only have to be right once is the definitive collection of everything we can learn from these incredible game changers and what their next moves spell for the future of business Журнал computerbild это уникальный сборник информации и практических курсов по работе с компьютером Простые и понятные пошаговые инструкции помогут начинающему
