Popular Movements in Autocracies 2012-08-13 this book presents a new explanation of the rise development and demise of social movements and cycles of protest in autocracies the conditions under which protest becomes rebellion and the impact of protest and rebellion on democratization focusing on poor indigenous villages in mexico s authoritarian regime the book shows that the spread of us protestant missionaries and the competition for indigenous souls motivated the catholic church to become a major promoter of indigenous movements for land redistribution and indigenous rights the book explains why the outbreak of local rebellions the transformation of indigenous claims for land into demands for ethnic autonomy and self determination and the threat of a generalized social uprising motivated national elites to democratize drawing on an original dataset of indigenous collective action and on extensive fieldwork the empirical analysis of the book combines quantitative evidence with case studies and life histories

Nontraditional Agricultural Exports Regulatory Guide for Latin America and the Caribbean 1993 when the pri fell from power in the elections of 2000 scholars looked for an explanation some focused on international pressures while others pointed to recent electoral reforms in contrast dolores trevizo argues that a more complete explanation takes much earlier democratizing changes in civil society into account her book explores how largely rural protest movements laid the groundwork for liberalization of the electoral arena and the consolidation of support for two opposition parties the pan on the right and the prd on the left that eventually mounted a serious challenge to the pri she shows how youth radicalized by the 1968 showdown between the state and students in mexico city joined forces with peasant militants in nonviolent rural protest to help bring about needed reform in the political system in response to this political effervescence in the countryside agribusinessmen organized in peak associations that functioned like a radical social movement their countermovement formulated the ideology of neoliberalism and they were ultimately successful in mobilizing support for the pan together social movements and the opposition parties nurtured by them contributed to mexico s transformation from a one party state into a real electoral democracy nearly a hundred years after the revolution

Utility Corporations 1930 the globalization of media industries that began during the 1980s and 1990s occurred at the same time as the establishment of or return to democratic forms of government in many latin american countries in this volume of specially commissioned essays thirteen well known media experts examine how the intersection of globalization and democratization has transformed media systems and policies throughout latin america following an extensive overview by editors elizabeth fox and silvio waibord the contributors investigate the interaction of local politics and global media in individual latin american countries some of the issues they discuss include the privatization and liberalization of the media the rise of media conglomerates the impact of trade agreements on media industries the role of the state the mediaization of politics the state of public television and the role of domestic and global forces the contributors address these topics with a variety of theoretical approaches combining institutional historical economic and legal perspectives

Rural Protest and the Making of Democracy in Mexico, 1968-2000 2015-11-05 this book is the result of the collective effort of the people of a small rural town absorbed by urban development at the southern tip of mexico city it is made up of memories about the lives they shared with their parents while young and with the same neighbors that now gather to recall the games the food the streets and the activities that used to be part of their daily lives it presents a way to build a future that rescues the nature of the community based on the sense of identity that still binds them together as members of the town in spite of the segregating trends in city dynamics

Text and talk as social practice 2016-07-11 on august 21 1911 the unfathomable happened leonardo da vinci s mona lisa vanished from the louvre more than twenty four hours passed before museum officials realized she was gone the prime suspects were as shocking as the crime pablo picasso and guillaume apollinaire young provocateurs of a new art as french detectives using the latest methods of criminology including fingerprinting tried to trace the thieves a burgeoning international media hyped news of the heist no story captured the imagination of the world quite like this one thousands flocked to the louvre to see the empty space where the painting had hung they mourned as if mona lisa were a lost loved one left flowers and notes and set new attendance records for more than two years mona lisa s absence haunted the art world provoking the question was she lost forever a century later questions still linger part love story part mystery vanished smile reopens the case of the most audacious and perplexing art theft ever committed r a scotti s riveting ingeniously realized account is itself a masterly portrait of a world in transition combining her skills as a historian and a novelist scotti turns the tantalizing clues into a story of the painting s transformation into the most familiar and lasting icon of all time

Latin Politics, Global Media 2009-09-15 phil camp has a problem not the fact that he wrote a parody of a self help book where can i stow my baggage that the world took seriously and that became an international bestseller or that he wrote the book under a phony name marty fleck and the phony name became a self help guru overnight phil cannot be marty fleck he can barely be himself no phil s problem is that he has been walking with a limp for nine months phil is in constant pain yet there is nothing physically wrong with his body that would cause such agony this problem leads him to the controversial dr samuel abrun a real doctor who wrote a real self help book the power of ow that made thousands of people pain free so what happens when the self help fraud meets the genuine item does he get better can he hobble out of his own way to help himself most important can the reader make it through fifty pages without thinking wait a minute is that a twinge i feel in my lower back or just gas phil embraces abrun s unorthodox psychogenic theories passionately but manages to save some passion for abrun s daughter janet herself a doctor who has her own theories about and remedies for chronic pain if all this weren t enough phil tries to delve further into his past with his unconventional psychotherapist the irish shrink even if it means revealing dark secrets he never remembered telling him the first two or three times to top it all off phil confronts his alter ego s nemesis right wing radio blowhard jim mcmanus only to find out they share a common enemy the same family like carl hiassen and larry david author bill scheft understands that the best humor is always excruciating that fits the story of everything hurts and its lesson pain is the ultimate teacher by the end phil camp the self proclaimed self help fraud turns out to be the real thing and the real thing turns out to be flawed and confused but hopeful in other words human

Mexican Governance 2005 by the end of the twentieth century mexican multimedia conglomerate televisa stood as one of the most

powerful media companies in the world most scholars have concluded that the company's success was owed in large part to its executives who walked in lockstep with the government and the partido revolucionario institucional pri which ruled for seventy one years at the same time government decisions regulating communications infrastructure aided the development of the television industry in one of the first books to be published in english on mexican television celeste gonzález de bustamante argues that despite the cozy relationship between media moguls and the pri these connections should not be viewed as static and without friction through an examination of early television news programs this book reveals the tensions that existed between what the pri and government officials wanted to be reported and what was actually reported and how further despite the increasing influence of television on society viewers did not always accept or agree with what they saw on the air television news programming played an integral role in creating a sense of lo mexicano that which is mexican at a time of tremendous political social and cultural change at its core the book grapples with questions about the limits of cultural hegemony at the height of the pri and the cold war

Investigation of the Assassination of President John F. Kennedy 1964 the richly documented history of mexican south chicago here yields a sophisticated rounded and compelling study of the evolution of an immigrant place attentive to structural factors shaping migration and assimilation innis jiménez also tells textured human stories of the work play and solidarity that created and recreated an enduring community snatching life from discrimination and hardship david roediger university of illinois since the early twentieth century thousands of mexican americans have lived worked and formed communities in chicago's steel mill neighborhoods drawing on individual stories and oral histories michael innis jiménez tells the story of a vibrant active community that continues to play a central role in american politics and society examining how the fortunes of mexicans in south chicago were linked to the environment they helped to build steel barrio offers new insights into how and why mexican americans created community this book investigates the years between the world wars the period that witnessed the first massive influx of mexicans into chicago south chicago mexicans lived in a neighborhood whose literal and figurative boundaries were defined by steel mills which dominated economic life for mexican immigrants yet while the mills provided jobs for mexican men they were neither the center of community life nor the source of collective identity steel barrio argues that the mexican immigrant and mexican american men and women who came to south chicago created physical and imagined community not only to defend against the ever present social political and economic harassment and discrimination but to grow in a foreign polluted environment steel barrio reconstructs the everyday strategies the working class mexican american community adopted to survive in areas from labor to sports to activism this book links a particular community in south chicago to broader issues in twentieth century u s history including race and labor urban immigration and the segregation of cities michael innis jiménez is a native of laredo texas and assistant professor in the department of american studies at the university of alabama he lives in tuscaloosa where he working on his next book on latino a immigration to the american south in the culture labor history series

Handling Newspaper Text 1974 this open access book discusses the relationship between periodicals tourism and nation building in mexico it enquires into how magazines a staple form of the promotional apparatus of tourism since its inception articulated an imaginative geography of mexico at a time when that industry became a critical means of economic recovery and political stability after the revolution notwithstanding their vogue popularity reach and close affiliations to commerce and state over several decades magazines have not received any sustained critical attention in the scholarship on that period this book aims to redress that oversight it argues that illustrated magazines like mexican folkways 1925 1937 and mexico this month 1955 1971 offer rich and compelling materials in that regard not only as unique tools for interrogating the ramifications of tourism on the country s reconstruction but as autonomous objects of study that form a vital if complex part of mexico s visual culture

Collective Memory of Rural Life in an Original Village in Mexico City 2022-12-06 in developing countries the extent to which intellectuals disengage themselves in state activities has widespread consequences for the social political and economic development of those societies roderic camps examination of intellectuals in mexico is the first study of a latin american country to detail the structure of intellectual life rather than merely considering intellectual ideas camp has used original sources including extensive interviews to provide new data about the evolution of leading mexican intellectuals and their relationship to politics and politicians since 1920

A. N. Marquis & Co.'s Handy Business Directory of Chicago 1886 ten outstanding books in mission studies world christianity and intercultural theology for 2019 international bulletin of mission research ibmr noted theologian samuel escobar offers a magisterial survey and study of christology in latin america starting with the first spanish influence and moving through popular religiosity and liberationist themes in catholic and protestant thought of the twentieth and twenty first centuries in search of christ in latin america culminates in an important description of the work of the latin american theological fraternity ftl escobar chronologically traces the journey of latin american christology and describes the milestones along the way toward a rich understanding of the spiritual reality and powerful message of jesus ivp academic is pleased to release this important work originally published in spanish as en busca de cristo en américa latina for the first time in english offers theological historical and cultural analysis of latin american understandings of christ discusses the sixteenth century spanish christ popular religiosity and developed theological reflection covers the full spectrum of theological traditions in latin america examines the figure of jesus christ in the context of latin american culture of the twentieth century places liberation theology within its social and revolutionary context

Vanished Smile 2009-04-07 in city of suspects pablo piccato explores the multiple dimensions of crime in early twentieth century mexico city basing his research on previously untapped judicial sources prisoners letters criminological studies quantitative data newspapers and political archives piccato examines the paradoxes of repressive policies toward crime the impact of social rebellion on patterns of common crime and the role of urban communities in dealing with transgression on the margins of the judicial system by investigating postrevolutionary examples of corruption and organized crime piccato shines light on the historical foundations of a social

problem that remains the main concern of mexico city today emphasizing the social construction of crime and the way it was interpreted within the moral economy of the urban poor he describes the capital city during the early twentieth century as a contested territory in which a growing population of urban poor had to negotiate the use of public spaces with more powerful citizens and the police probing official discourse on deviance piccato reveals how the nineteenth century rise of positivist criminology which asserted that criminals could be readily distinguished from the normal population based on psychological and physical traits was used to lend scientific legitimacy to class stratifications and to criminalize working class culture furthermore he argues the authorities emphasis on punishment isolation and stigmatization effectively created cadres of professional criminals reshaping crime into a more dangerous problem for all inhabitants of the capital this unique investigation into crime in mexico city will interest latin americanists sociologists and historians of twentieth century mexican history

Everything Hurts 2009-04-07 miguel pro martyrdom and politics in twentieth century mexico examines the complex relationship of modern martyrdom as preserved by memory and factual truth and as retold through stories intended to impel political and religious aims martyr narratives depend on institutional affiliation to remain in the public memory and are altered in order to maintain their ability to mobilize followers within changing social and political contexts in order to examine the evolution of lasting martyr narratives lópez menéndez scrutinizes the various renditions of the 1927 execution of miguel pro a jesuit priest caught in the bloody conflict between catholics and the post revolutionary state

Newspaper Character 1938 in the mid nineteenth century prophetic visions attributed to a woman named madre matiana roiled mexican society pamphlets of the time proclaimed that decades earlier a humble laywoman foresaw the nation s calamitous destiny foreign invasion widespread misery and chronic civil strife the revelations however pinpointed the cause of mexico s struggles god was punishing the nation for embracing blasphemous secularism responses ranged from pious alarm to incredulous scorn although most likely a fiction cooked up amid the era s culture wars madre matiana s persona nevertheless endured in fact her predictions remained influential well into the twentieth century as society debated the nature of popular culture the crux of modern nationhood and the role of women especially religious women here edward wright rios examines this much maligned and sometimes celebrated character and her position in the development of a nation

Annual Report of the Factory Inspectors of the State of New York for the Year Ending ... 1898 this book tells the rich and often heroic story of the press in liberia early newspapers were infused with a broad race consciousness which gave way to a specific nationalism at the turn of the last century initially newspapers featured biting social commentary and enjoyed wide latitude to criticise officials but restrictions were soon applied exploring the uses and abuses of power the author demonstrates that the experience of liberia provides a sobering corrective to the current euphoria regarding the effects of globalisation

Muy Buenas Noches 2013-01-01 produced to fill a gap in current knowledge about the state of journalism in latin america this timely book chronicles how recent changes toward democratization and privatization in the region have influenced mass media industries and the practice of journalism written as a tribute to earlier books about the development and status of latin american news organizations

this text provides a readable overview of journalism in the area unlike those in previous works these chapters are divided by issues and subject matter instead of by nations and regions each chapter concludes with a spotlight case study to illustrate the reading material these features along with several easy to follow tables topical examples suitable for class discussions and a variety of sources including original interviews with media professionals all combine to form the most up to date book currently available on this constantly changing subject
