america finds itself in a time of crisis for anyone remotely in touch with the state of our
republic there is a growing sense of dread that whatever is wrong is getting much worse
much faster voters clamor for change and politicians promise to deliver but does anyone
really know what changes are necessary or even what changes they want is america still
the land of opportunity is it still the land of the free do we still know what freedom is this
book attempts to answer those questions to do so it goes back to the beginning to
rediscover the meaning behind our most sacred words and the truth about our natural
rights the answers that this book provides will surprise even the most informed reader and
will reveal the long forgotten secret behind america s former prosperity and greatness
