Wine Passion 2012-10 a fascinating and interesting journey through the wine world that began in the pioneering days of the napa valley in the 1960 s and continued through college then a wonderfully successful award winning restaurant most recently john has been consulting about wine and writing in sundry publications

Wine for Every Day and Every Occasion 2009-10-13 choosing a bottle of wine should be fun not frightening after all one of the most important elements of enjoying wine is not so much the vintage or the vineyard but the occasion on which it is enjoyed in their new book wine for every day and every occasion dorothy j gaiter and john brecher authors of the popular weekly tastings column in the wall street journal give you the kind of honest accessible wine information that is hard to find in wine for every day and every occasion dottie and john as they are known to their fans answer the most frequently asked questions about what wine to drink on specific occasions they cover all the bases what wine should i put away for my newborn s twenty first birthday what wine is best with thanksgiving turkey they also suggest ways in which wine can make every day a little bit more of an occasion how to throw a wine tasting how to start a wine tasting group even how to add wine to your tailgating party and they share scores of tips from people like you chapters include lists of specific wines and provide readers with suggestions for choosing champagne to ring in the new year and for chilled whites and even reds to drink in the summer there is no stodginess about vintages and there are no numbered ratings wine for every day and every occasion gives you simple straightforward advice to help you choose the best wines for life s best moments as dottie and john say the problem with most wine books is that they are about wine our book is about life so raise your glass to wine for every day and every occasion and drink to life

Wine and Place 2018-01-02 the concept of terroir is one of the most celebrated and controversial subjects in wine today most will agree that well made wine has the capacity to express somewhere a set of consistent aromatics flavors or textures that amount to a signature expression of place but for every advocate there is a skeptic and for every writer singing praises related to terroir there is a study or a detractor seeking to debunk terroir as a myth wine and place examines terroir using a multitude of voices and multiple points of view from science to literature from winemakers to wine critics seeking not to prove its veracity but to explore its pros its cons and its other aspects this comprehensive anthology lets the reader come to one s own conclusion about terroir

Thomas Jefferson on Wine 2009-09-18 a connoisseur s compendium of a great american s passion for fine wine

A Treatise on Wines 1894 i am deeply inspired by this heartwarming story of how two people found love and even better a way to get paid for drinking wine dave barry internationally renowned journalists dorothy j gaiter and john brecher present a captivating memoir about falling in love with each other and with wine she grew up in the all black environment of florida a m university in tallahassee he was raised in jacksonville florida where his was one of a handful of jewish families when they met on june 4 1973 in the newsroom of the miami herald she says i felt in my bones like i had known him forever and he says i felt the instant i saw her that we had

always been together and knew we always would be that passion for each other and for wine has made their column a must read for millions of neophyte and veteran wine lovers who also follow their appearances on martha stewart s tv show the annual global celebration of wine that they created open that bottle night encourages readers to finally drink that special wine they have been keeping as dotted and john write wine can conjure up memories in a way that few other things can whether it s a rare burgundy or a bottle of cold duck frank j priol of the new york times said of their first book the wall street journal guide to wine their enthusiasm for the grape is exceeded only by their enthusiasm for each other it spills over on every other page indeed john and dottie say they don t write a wine column they write a column about more important things this book follows them from love at first sight through a life of journalism to a triumph on the basketball court at madison square garden you ll discover the joys of wine along with them but you ll also discover that wine is really about good times bad times moments shared with loved ones and new friends it s about memories it s about life

Love by the Glass 2011-11-02 over the last decade spain s most classic and widely recognized wine region rioja has experienced a tumultuous evolution in its wine industry this book documents the changes in wine law the heated debates between the network of estates bodegas and growers and the problems of overproduction all aspects of the wines of rioja are covered in detail from the traditional estates to the most innovative bodegas to the newest styles of red and white wines available there are comprehensive indepth profiles of producers and their wines with opinions and observations from the world s most recognized expert on spanish wine

Wine. A poem. By John Gay 1708 wine is a creative work of art that requires a measure of skill and knowledge to be fully appreciated this book will provide you with the expertise necessary to evaluate and fully enjoy a wine it is designed for individuals who are seriously interested in becoming competent wine tasters this is a unique book there is not another book in the marketplace that will furnish you with such an extensive spectrum of information regarding the art of wine tasting after reading this book you will discover a new way to envision wine one that utilizes your senses of sight taste smell and feel you will be able to evaluate a wine on its merits rather than relying on pure sybaritic sentiments this new insight into the artistry of wine will bring you great satisfaction and many hours of pleasure and wine will become an important part of your life a chapter dealing with matching wine with food will show you how simple it is to make wine food pairings once you have a solid understanding about the nature of wine

Cwl Wines Of Rioja Ebook 2004-11-18 cultural anthropologist and wine studies professor john hudelson tells the deep and rich history of wine in eastern europe and relates the modern vinus treasures that can be had if one knows where to look contents include a detailed map of the 20 countries surveyed and it s wine regions a description of each nation s wine history industry regulations trends and developments grape varieties and their importance to the respective wine industries vignettes on wine makers practices and oddities going to insets with suggestions on wine trails wine regions not to miss accommodations and what to look for or avoid hudelson presents the first ever holistic picture of eastern europe how wine has shaped its history and where this new and exciting age of wine making is headed

The Evaluation of Wine 2001 a precise and comprehensive description of the problems encountered at times by all winemakers and wine judges wine faults covers the differences between flaws and faults how flavors develop how taste works and how it differs from smell in the evaluation of wine from there it tackles the increasing problems resulting from high alcohol wines as well as volatile acidity found in high ph wines common in some warm grape growing regions it also deals with the vegetal qualities of cool viticultural regions usually caused by methoxypyrazines and the occasional lady beetle every microbial infection found in today s wineries is fully described and arrayed in full color slides dense as the material may seem the book is written in a manner that the layperson or even the quality control professional who forgot that he ever took organic chemistry can understand

The Wines of Eastern Europe 2018-08 discover how to buy drink and enjoy wine by the authors of the popular weekly tastings column

Wine Faults: Causes, Effects, Cures 2010-11-01 the effects of soil on wine and the other long reaching effects that climate change will have

John Platter's South African Wine Guide 2004-11 what makes the book so encompassing informative and relevant is that haeger has avoided focusing on viticulture or enology or economy in isolation and has instead looked at all of them in their historic and contemporary scientific and socio cultural context not everyone loves riesling but those of us who do will find our passion articulately explained and expressed in haeger s book anne krebiehl mw the world of fine wine if you haven t been sold on dry riesling this is required reading if you re already a fan it s an essential reference to add to your shelf wine spirits riesling is the world s seventh most planted white wine grape variety and among the fastest growing over the past twenty years it is a personal favorite of many sommeliers chefs and other food and wine professionals for its appealing aromatics finesse and minerality for its uncanny ability to reflect terroir and for its impressive versatility with cuisines of all types it is stylistically paradoxical however now usually made dry in most of europe and australia and assumed dry by most german consumers riesling is made mostly sweet or lightly sweet in north america and is believed sweet in the american marketplace irrespective of origin riesling is thus consequently but mistakenly shunned by the mainstream of american wine drinkers whose tastes and habits have been overwhelmingly dry for two generations riesling rediscovered looks at the present state of dry riesling across the northern hemisphere where it is grown and made what models and objectives vintners have in mind and what parameters of grape growing and winemaking are essential when the goal is a delicious dry wine john winthrop haeger explores the history of riesling to illuminate how this variety emerged from a crowded field of grape varieties grown widely across northern europe riesling rediscovered is a comprehensive current and accessible overview of what many consider to be the world s finest and most versatile white wine

The Wall Street Journal Guide to Wine 1999 presents information about wines and the wine industry includes information about wineries and rare wines contains information about online wine selling and auctions provides a search engine for the site allows users to participate in online wine forums offers information about wine and food events

Wine, Terroir and Climate Change 2011 the purpose of this book is twofold to supply the reader with a basic knowledge about wine and to develop the expertise necessary to successfully match wine with food it is a book of concepts not a long list of wine food pairings the concepts are simple logical and easy to understand after reading this book the pleasure you derive in pairing wine with food will be greatly enhanced by your newly acquired knowledge of the culinary arts this book is extremely readable i especially like the organization which makes it a great educational tool for wine novices as well as connoisseurs david rosegarten author of red wine with fish john fischer has redefined the concept of matching wine and food scientific though easy to understand this book is a must read for wine aficionados and professionals josé r garrigó chairman of the international wine and food society board of governors of the americas this is an outstanding book that gives a simple and logical approach to match wine to food it is easy to understand and enjoyable to read we have thoroughly enjoyed using it at the institute for the culinary arts and have received many compliments from students james e trebbien academic director institute for the culinary arts omaha nebraska the book is very well organized clearly written light without being lightweight and enlightening without being self important mike scott winemaker and vice president of lone canary winery spokane washington

Riesling Rediscovered 2016-03-08 the adventure of a lifetime to buy stalin s secret multimillion dollar wine cellar located in georgia it is the raiders of the lost ark of wine in the late 1990s john baker was known as a purveyor of quality rare and old wines he was the perfect person for an occasional business partner to approach with a mysterious wine list that was different to anything john or his second in command kevin hopko had ever come across the list was discovered to be a comprehensive catalogue of the wine collection of nicholas ii the last tsar of russia the wine had become the property of the state after the russian revolution of 1918 during which nicholas and his entire family were executed now owned by stalin the wine was discreetly removed to a remote georgian winery when stalin was concerned the advancing nazi army might overrun russia half a century later the wine was rumoured to be hidden underground and off any known map john and kevin embarked on an audacious colourful and potentially dangerous journey to georgia to discover if the wines actually existed if the bottles were authentic and whether the entire collection could be bought and transported to a major london auction house for sale stalin s wine cellar is a wild sometimes rough ride through the glamorous world of high end wine
