analyzing these and other trends the future of news offers a thoughtful and provocative preview of the media's role in the twenty-first century why do crimes and accidents earn more news coverage than development and policy issues affecting thousands of people filled with revealing interviews with both journalists and city officials making local news is the first comprehensive look at how the economic motives of media owners professional motives of journalists and the strategies of media-wise politicians shape the news we see and hear thereby influencing urban policy making local news by phyllis kaniss is significant if we can continue to get smarter about that which journalism leaves out or distorts in its coverage of politics we may eventually get smarter about politics itself mitchell stephens the philadelphia inquirer view a convincing analysis of the factors and forces which color how and why local issues do or do not become newsworthy michael h ebner journal of interdisciplinary history this work serves as a reminder of the importance of a medium that is often overlooked until economic realities threaten its very existence choice kaniss is truly a pioneer in the study of local news susan herbst contemporary sociology

using experience-driven advice and compelling articles from scores of newspaper and magazine writers feature writing for newspapers and magazines shows how award-winning journalists achieve excellence and national recognition this book helps readers to cultivate vital journalistic skills with a thorough discussion about creating and refining article ideas conducting research and interviews writing and navigating legal and ethical questions rooted in the creative success of over 30 years of supermarket tabloid publishing the weekly world news has been the world's only reliable news source since 1979 the online hub weeklyworldnews.com is a leading entertainment news site what does it feel like to be featured quoted or just named in a news story a refugee family the survivor of a shooting a primary voter in iowa the views and experiences of ordinary people are an important component of journalism while much has been written about how journalists work and gather stories what do we discover about the practice of journalism and attitudes about the media by focusing on the experiences of the subjects themselves in becoming the news ruth palmer argues that understanding the motivations and experiences of those who have been featured in news stories voluntarily or not sheds new light on the practice of journalism and the importance many continue to place on the role of the mainstream media based on dozens of interviews with news subjects becoming the news studies how ordinary people make sense of their experience as media subjects palmer charts the arc of the experience of making the news from the events that brought an ordinary person to journalists' attention through the decision to cooperate with

reporters interactions with journalists and reactions to the news coverage and its aftermath she explores what motivates someone to talk to the press whether they consider the potential risks the power dynamics between a journalist and their subject their expectations about the motivations of journalists and the influence of social media on their decisions and reception pointing to the ways traditional news organizations both continue to hold on to and are losing their authority becoming the news has important implications for how we think about the production and consumption of news at a time when americans distrust the news media more than ever you really can't believe everything you read a premature newswire report announces the end of world war i spurring wild celebrations in american streets days before the actual treaty was signed a st louis newspaper prints reviews of theatrical performances that never took place they had been canceled due to bad weather new york newspaper reporters plant evidence in the apartment of the man accused of kidnapping the lindbergh baby and then call him a liar in the courtroom once the trial begins these are just a few of the many wrongs that have been reported as right over two centuries of american history all the news unfit to print puts the media under the microscope to expose the many types of mistakes hoaxes omissions and lies that have skewed our understanding of the past and reveals the range of reasons and motivations from boredom and haste to politics and greed behind them reviewing a host of journalistic slip ups involving ben franklin mark twain william randolph hearst theodore h white and many others this book covers the stories behind the stories to refine incorrect first drafts of history from the revolutionary war era to more recent times all the news unfit to print is a rollicking joyride that careens through the ridiculous the odd and the serious malfeasances in american journalistic history and reminds us of the difference between news and facts neal gabler author of walt disney the triumph of the american imagination the language of the news investigates and critiques the conventions of language used in newspapers and provides students with a clear introduction to critical linguistics as a tool for analysis using contemporary examples from uk usa and australian newspapers this book deals with key themes of representation from gender and national identity to race and looks at how language is used to construct audiences to persuade and even to parody it examines debates in the newspapers themselves about the nature of language including commentary on political correctness the sensitive use of language and irony as a journalistic weapon featuring chapter openings and summaries activities and a wealth of examples from contemporary news coverage including examples from television and radio the language of the news broadens the perceptions of the use of language in the news media and is essential reading for students of media and communication journalism and english language and linguistics in news for all leonard provides a fascinating account of the love hate relationship we have always had with the news from the early nineteenth century to the present america's insatiable appetite for news played a critical role in the growth of democracy but never before have the readers rather than the periodicals been examined in detail news for all bridges this critical gap bringing to life the nation's cantankerous love affair with the press this book is an investigation of the 300 year old model of global

journalism used by the western news media it argues that the framework of localization is fragile and unable to cope with the issues events agents and institutions of globalization that exist and that the current model of news gathering and reporting requires rethinking written by a long time journalist this guidebook offers practical advice on writing effective news stories from gathering leads to conducting interviews to polishing final drafts readers will gain a comprehensive understanding of the skills needed to succeed in the field this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant for more than a century local journalism has been taken almost for granted but the twenty first century has brought major challenges the newspaper industry that has historically provided most local coverage is in decline and it is not yet clear whether digital media will sustain new forms of local journalism this book provides an international overview of the challenges facing changing forms of local journalism today it identifies the central role that diminished newspapers still play in local media ecosystems analyses relations between local journalists and politicians government officials community activists and ordinary citizens and examines the uneven rise of new forms of digital local journalism together the chapters present a multi faceted portrait of the precarious present and uncertain future of local journalism in the western world rapid industrialization and new advances in technology marked the victorian period as one of prodigious socio cultural change chief among the many transformations of quotidian life was the swift and widespread dissemination of information made possible by the emergence of the daily newspaper an unprecedented new media the changes it wrought in politics history and advertising of the age have all been well documented but its influence on one area remains overlooked the victorian novel redressing this oversight the novelty of newspapers highlights the variety of ways the changing world of nineteenth century journalism shaped the period s most popular literary form arising in the 1800s and soon drawing a million readers a day the commercial press profoundly influenced the work of bronte braddon dickens conrad james trollope and others who mined print journalism for fictional techniques five of the most important of these narrative conventions the shipping intelligence personal advertisement leading article interview and foreign correspondence show how the victorian novel is best understood alongside the simultaneous development of newspapers in highly original analyses of victorian fiction this study also captures the surprising ways in which public media enabled the expression of private feeling among ordinary readers from the trauma caused by a lover s reported suicide to the vicarious gratification felt during a celebrity interview from the distress at finding one s behavior the subject of unflattering editorial commentary to the apprehension of distant cultures

through the foreign correspondence combining a wealth of historical research with a series of astute close readings the novelty of newspapers breaks down the assumed divide between the epoch s literature and journalism and demonstrates that newsprint was integral to the development of the novel discusses basic aspects of news journalism including judging what is newsworthy gathering information journalistic ethics and bias and shaping a story evaluation across newspaper genres hard news stories editorials and feature articles is the first book length study of evaluation or stance in three major newspaper genres hard news stories editorials and feature articles the last of which is a cinderella genre in linguistic studies it offers a fresh approach to exploring the ways in which evaluation or stance contributes to the construction of the three newspaper genres each with a distinct communicative purpose key features include using a 900 000 word comparable corpus of newspaper texts arranged by genre and topic domain drawing on a specially developed framework of analysis with a strong orientation to news values carrying out structural analysis by creating sub corpora of different parts of newspaper texts and adopting a functional approach to evaluation in newspaper discourse evaluation across newspaper genres amply demonstrates that evaluation plays a vital and yet dynamic role in the construction of hard news stories editorials and feature articles by performing a great variety of discourse functions in doing so the book also illuminates such important linguistic concepts as specificity variation and textual colligation providing a new and unifying perspective on evaluation as a prime driver of text construction it will be of interest and use to researchers teachers and students of english language applied linguistics and journalism rooted in the creative success of over 30 years of supermarket tabloid publishing the weekly world news has been the world s only reliable news source since 1979 the online hub weeklyworldnews com is a leading entertainment news site rooted in the creative success of over 30 years of supermarket tabloid publishing the weekly world news has been the world s only reliable news source since 1979 the online hub weeklyworldnews com is a leading entertainment news site news of war civilian poetry 1936 1945 is a powerful account of how civilian poets confront the urgent problem of writing about war the six poets rachel galvin discusses w h auden marianne moore raymond queneau gertrude stein wallace stevens and césar vallejo all wrote memorably about war but still they felt they did not have authority to write about what they had not experienced firsthand consequently these writers developed a wartime poetics engaging with both classical rhetoric and the daily news in texts that encourage readers to take critical distance from war culture news of war is the first book to address the complex relationship between poetry and journalism in two chapters on civilian literatures of the spanish civil war five chapters on world war ii and an epilogue on contemporary poetry about the wars in iraq and afghanistan galvin combines analysis of poetic form with attention to socio historical context drawing on rare archival sources and furnishing new translations in comparing how poets wrestled with the limits of bodily experience and with the ethical political and aesthetic problems they faced galvin theorizes the concept of meta rhetoric a type of ethical self interference she argues that civilian writers employed strategies drawn from journalism precisely to

question the objectivity and facticity of war reporting civilian poetics of the 1930s and 1940s was born from writers desire to acknowledge their own socio historical position and to write poems that responded ethically to the gravest events of their day since the founding america s faith in a democratic republic has depended on citizens who could be trusted to be communicators vigorous talk about equality rights and collaboration fueled the revolution the declaration of independence and the constitution with its amendments in a republic the people set the terms for their lives not individually but in community the genius of keeping it alive exists in how everyday citizens talk and listen write and read for a common good dialogue and deliberation rather than an accumulation of individual preferences sustains a republic yet a diminished and scarred institution of journalism jeopardizes citizens access to shared and truthful information a disturbing what s in it for me attitude has taken over many citizens and a creeping autocratic sense of dismissive accusation too often characterizes the political style of elected officials the basic fuel for democracy is the willingness of informed citizens to take each other seriously as they talk about political choices once we begin to clam up build walls and dismiss each other we unravel the threads tying us to the founders vision of a republic a free press and free speech become meaningless if not supported by sustained listening to multiple positions there are those who profit by dividing citizens into two camps a comfortable us versus a scary them they make their case with accusations and often with lies they warp the very meaning of communication hoping citizens never truly discover each other s humanity democracy s news discusses today s problems of public communication in the context of history law and interpersonal life news should not be something to dread mistrust or shun aided by reliable factual journalism citizens can develop a community based knowledge to cope with social issues great and small they come to treat neighbors and strangers as more than stereotypes or opponents they become collaborators with whom to identify and sustain a working republic where news citizenship and public discourse merge looks at modern journalism and newspaper production crumbling business models mean news media structures must change gavin ellis explores the past and present use of newspaper trusts drawing on case studies such as the guardian the irish times and the pulitzer prize winning tampa bay times to make the case for a form of ownership dedicated to sustaining high quality journalism a spidery network of mobile online media has supposedly changed people places time and their meanings a prime case is the news digital webs seem to have trapped legacy media killing off newspapers and journalists jobs did news businesses and careers fall prey to the digital spider to solve the mystery kevin barnhurst spent thirty years studying news going back to the realism of the 1800s the usual suspects technology business competition and the pursuit of scoops are only partly to blame for the fate of news the main culprit is modernism from the mister pulitzer era which transformed news into an ideology called journalism news is no longer what audiences or experts imagine stories have grown much longer over the past century and now include fewer events locations and human beings background and context rule instead news producers adopted modernism to explain the world without recognizing how modernist ideas influence the knowledge they produce when webs of

networked connectivity sparked a resurgence in realist stories legacy news stuck to big picture analysis that can alienate audience members accustomed to digital briefs the exchange of news belongs to the fabric of functional elites and affects institutionalisation processes in seventeenth century the news market was part of the elite s social economy investment in news resulted in participation and privilege using examples and exercises the process of writing news takes an impact elements and words approach to demystify reporting and writing for beginners this is a concise book that approaches writing as a process using a pedagogy that has proven effective in each chapter the book addresses the roles of journalists at several levels of abstraction beginning with their responsibilities to audiences in a democratic society and continuing with ethical decision making in fulfilling those responsibilities each chapter ends with reporting and writing exercises which allow the reader to develop skills for informing audiences and telling compelling stories in print broadcast and online news media and to practice and be evaluated on those skills the reader is taken through a year in the life of a fictional community revisiting issues and stories in a series of more than two dozen linked exercises of increasing complexity from lede writing to handling a major breaking story on deadline there are even opportunities to report and write from the reader s own community news framing through english chinese translation provides a useful tool to depict how chinese news translation can be examined in the era of globalization the author has integrated framing theory in journalism studies with translation studies and developed a new theoretical model framework named transframing this interdisciplinary model is pioneering and will make theoretical and conceptual contributions to translation studies this book aims to reveal ideological sociocultural and linguistic factors creating media discourse by examining chinese media discourse in comparison to its counterpart in english through the analysis of both quantitative and qualitative methods it is concluded that the transframing model can be applied to interpreting describing explaining as well as predicting the practice of news translation

All the News Unfit to Print 2009-05-18

for more than a century local journalism has been taken almost for granted but the twenty first century has brought major challenges the newspaper industry that has historically provided most local coverage is in decline and it is not yet clear whether digital media will sustain new forms of local journalism this book provides an international overview of the challenges facing changing forms of local journalism today it identifies the central role that diminished newspapers still play in local media ecosystems analyses relations between local journalists and politicians government officials community activists and ordinary citizens and examines the uneven rise of new forms of digital local journalism together the chapters present a multi faceted portrait of the precarious present and uncertain future of local journalism in the western world

The Language of the News 2013-12-16

rapid industrialization and new advances in technology marked the victorian period as one of prodigious socio cultural change chief among the many transformations of quotidian life was the swift and widespread dissemination of information made possible by the emergence of the daily newspaper an unprecedented new media the changes it wrought in politics history and advertising of the age have all been well documented but its influence on one area remains overlooked the victorian novel redressing this oversight the novelty of newspapers highlights the variety of ways the changing world of nineteenth century journalism shaped the period s most popular literary form arising in the 1800s and soon drawing a million readers a day the

commercial press profoundly influenced the work of bronte braddon dickens conrad james trollope and others who mined print journalism for fictional techniques five of the most important of these narrative conventions the shipping intelligence personal advertisement leading article interview and foreign correspondence show how the victorian novel is best understood alongside the simultaneous development of newspapers in highly original analyses of victorian fiction this study also captures the surprising ways in which public media enabled the expression of private feeling among ordinary readers from the trauma caused by a lover s reported suicide to the vicarious gratification felt during a celebrity interview from the distress at finding one s behavior the subject of unflattering editorial commentary to the apprehension of distant cultures through the foreign correspondence combining a wealth of historical research with a series of astute close readings the novelty of newspapers breaks down the assumed divide between the epoch s literature and journalism and demonstrates that newsprint was integral to the development of the novel

A Newspaper History of the World 1974

discusses basic aspects of news journalism including judging what is newsworthy gathering information journalistic ethics and bias and shaping a story

The American Journalist 1991

evaluation across newspaper genres hard news stories editorials and feature articles is the first book length study of evaluation or stance in three major newspaper genres hard news stories editorials and feature articles the last of which is a cinderella genre in linguistic studies it offers a fresh approach to exploring the ways in which evaluation or stance contributes to the construction of the three newspaper genres each with a distinct communicative purpose key features include using a 900 000 word comparable corpus of newspaper texts arranged by genre and topic domain drawing on a specially developed framework of analysis with a strong orientation to news values carrying out structural analysis by creating sub corpora of different parts of newspaper texts and adopting a functional approach to evaluation in newspaper discourse evaluation across newspaper genres amply demonstrates that evaluation plays a vital and yet dynamic role in the construction of hard news stories editorials and feature articles by performing a great variety of discourse functions in doing so the book also illuminates such important linguistic concepts as specificity variation and textual colligation providing a new and unifying perspective on evaluation as a prime driver of text construction it will be of interest and use to researchers teachers and students of english language applied linguistics and journalism
