☞ ☞ ☞ ☞ 2007 this is the first full scale commentary on euripides alexandros which is one of the best preserved fragmentary tragedies it yields insight into aspects of euripidean style ideology and dramatic technique e g rhetoric stagecraft and imagery and addresses textual and philological matters on the basis of a re inspection of the papyrus fragments

this book offers a reconstruction of the play and an investigation of issues of characterization staging textual transmission and reception not least because alexandros has enjoyed a fascinating nachleben in literary dramaturgical and performative terms it also contributes to the readers understanding of the trends of later euripidean drama especially the dramatist s innovation and experimentation with plot patterns and staging conventions furthermore the analysis of alexandros could stimulate a more comprehensive reading of the extant trojan women coming from the same production which bears the features of a connected trilogy thus the information retrieved through the interrogation of the rich fragmentary material serves to supplement and contextualize the extant tragic corpus showcasing the vitality and multiformity of euripidean drama as a whole

Euripides, "Alexandros" 2017-12-18 she is fearful of strangers he is terrified of false accusations but when a snowstorm sparks desire will they open their hearts or resist in this holiday romance abikok never expected to go through another terrifying road trip since her family s escape from sudan when a snowstorm diverts her plane to saskatoon she must put aside her fear of strangers and share a car with omondi to edmonton if she wants to make it home for christmas omondi has lived his adult life accumulating wealth as his means to happiness he s now ready to marry but his fear that women will interpret any proposition he makes as harassment stops him from approaching prospective partners when he carools with abikok he realizes she s the woman he needs in his life but how will he overcome his fear of rejection dare he ask her to be more than just a friend abikok and omondi take a risk that could change their lives when their six hour trip to edmonton turns into three days they take their best option and pretend to be a couple while they shelter at the homes of strangers can they nurture the growing attraction between them into a lifelong relationship or will they let fear control their destiny in this chance romance the fear within us is the first book in a series an immigrant s marriage the story continues in the family between us and concludes with the love within us

The Fear Within Us 2020-01-09 this book examines the concept of translation as a return to origins and as restitution of lost narratives and is based on the idea of diaspora as a term that depicts the longing to return home and the imaginary reconstructions and reconstitutions of home by migrants and translators the author analyses a corpus made up of novels and a memoir by italian canadian writers mary melfi nino ricci and frank paci examining the theme of return both within the writing itself and also in the discourse surrounding the translations of these works into italian these reconstructions are analysed through the lens of translation and more specifically through the notion of written code switching understood here as a fictional tool which symbolizes the translational movements between different points of view this book will be of particular interest to students and scholars of translation and interpreting migration studies and italian and diasporic writing

Catalog of Copyright Entries 1977 this edited collection approaches the most pressing discourses of the anthropocene and posthumanist culture through the surreal yet instructive lens of jeff vandermeer s fiction in contrast to universalist and essentializing ways of responding to new material realities vandermeer s work invites us to re imagine human subjectivity and other collectivities in the light of historically unique entanglements we face today the ecological technological aesthetic epistemological and political challenges of life in the anthropocene era situating these messy multi scalar material complexities of life in close relation to their ecological material and colonialist histories his fiction renders them at once troublingly familiar and strangely generative of other potentialities and insight the collection measures vandermeer s work as a new kind of speculative surrealism his texts capturing the strangeness of navigating a world in which nature has become radically uncanny due to global climate change and powerful bio technologies the first collection to survey academic engagements with vandermeer this book brings together scholars in the fields of environmental literature science fiction genre studies american literary history philosophy of technology and digital cultures to reflect on the environmentally culturally aesthetically and politically central questions his fiction poses to

The Oxford Encyclopedia of British Literature 2006 with this memoir doubling as an exercise in theological reflection mark lloyd taylor invites readers to explore the work and play of a year of preaching a turbulent and supersaturated year of life in the world featuring parish departures and resilience a housing crisis in neighborhood and city the inauguration of donald trump as president with attendant social political economic issues isis iraq and syria displaced people at the southern border sexual violence against women

race in america feminist womanist and process theologies propel taylor s twelve sermons across the 2016 17 church year lectionary year a but at its most imaginative the adult work of preaching becomes child s play sermons carried by verbal and visual and tactile images walking makes the way straying beyond fences of hatred and staying beyond a broken porcelain bowl mended with gold a seven foot tall assemblage of kimchi pots no longer buried by fear an icon of the great faith of the canaanite woman great enough to convert jesus every single one of us a little baby sophia living and moving and having our being in the universal womb of god our mother all to fill corners and empty spaces in our imaginations

Dictionary Catalogue of the Byzantine Collection of the Dumbarton Oaks Research Library, Washington, D.C. 1975 these two moving studies by the eminent orthodox theologian and sophiologist father sergei bulgakov are remarkable in many ways the first is a unique consideration from the point of view of eastern christianity of the holy grail the chalice used by joseph of arimathea to catch the blood and water as it flowed from jesus side when it was pierced on the cross by the spear of longinus this moment is described in john 19 34 bulgakov s essay is a dogmatic exegesis of this passage in which with astounding passion and precision he reveals that the earth itself and hence the human universe is the grail wherein christ lives forever the second essay is also unique the most important contribution to eucharistic theology by an orthodox theologian in the west the meaning of the communion bread and wine as the christ s body and blood has been interpreted largely in philosophical terms deriving from aristotle and thomas aquinas bulgakov insists on a christological and gospel based interpretation one with tremendous significance for our understanding of the supernatural and sophianic nature of a world interpenetrated by the divine this little book is a priceless gift enriching our understanding of the christian mystery and two of its deepest aspects the grail and the eucharist

Yachting 2008-11 in the beginning the goddess danced the world into existence peace reigned for generations through matriarchal rule within the minca dute and carroo tribes but then one man s lust for power destroyed this balance vestor assassinated his sister mother of the minca tribe his army ravaged the dute and carroo tribes a once idyllic world was thrust into war famine and despair yet today there is hope vestor s niece cora has a vision if she can convince an emissary from each tribe to rendezvous at the heart stone she can overthrow her evil uncle take her rightful place as mother minca and restore harmony but the dutes have disappeared deep into their mountains there are rumors that the carroos are extinct and cora must move swiftly lest vestor learn that she s pregnant with the mincan heir

Captured Dragon (Guarding Their Dragon Mate 4) 2020-07-22 couldn t her first week of new responsibilities have ended at least a little less bloody sophia and her men have barely left the safety of the academy grounds when they re faced with the first big obstacle a group of renegade fae soldiers set on killing them before they reach their destination but the fae soldiers obviously underestimated the group of highly trained fighters from fire dragons to werewolves and even an assassin and the five manage to survive the attack with minimal losses minimal losses but a very real sense of the danger ahead of them can they reach the dragon town without more attacks or trouble and what will they find once they re there maybe more importantly what happens between sophia and her men now they ve put their lives in each other s hands this is the second novella in the guarding their dragon mate serial a six episodes long reverse harem whychoose story this novella may include any of these elements steamy scenes i need tissues now moments cries of why oh why and cliffhangers that make you bite your nails and curse the author this story takes place in the same world as the lughnasadh elite academy and happens after the events from the other series both series can be read stand alone they are about different characters but they are connected

Journey to the Heart Stone 2022-09-27 in this work jobling argues that religious sensibility in the western world is in a process of transformation but that we see here change not decline and that the production and consumption of the fantastic in popular culture offers an illuminating window onto spiritual trends and conditions she examines four major examples of the fantastic genre the harry potter series rowling his dark materials pullman buffy the vampire slayer whedon and the earthsea cycle le guin demonstrating that the spiritual universes of these four iconic examples of the fantastic are actually marked by profoundly modernistic assumptions raising the question of just how contemporary spiritualities often deemed postmodern navigate philosophically the waters of truth morality authority selfhood and the divine jobling tackles what she sees as a misplaced disregard for the significance of the fantasy genre as a worthy object for academic investigation by offering a full length thematic comparative and cross disciplinary study of the four case studies proposed chosen because of their significance to the field and because these books have all been posited as exemplars of a postmodern religious sensibility this work shows how attentiveness to spiritual themes in cultural icons can offer the student of theology and religions insight into the framing of the moral and religious imagination in the late twentieth and twenty first centuries and how this can prompt traditional religions to reflect on whether their own narratives are culturally framed in a way resonating with the signs of the times
