when a high powered gallery owner collides with a wildly offbeat artist it s the perfect recipe for
disaster but in her 63rd bestselling novel danielle steel proves that when two hopelessly
mismatched people share a love for art a passion for each other and a city like paris nothing is truly
impossible or is it everything sasha does is within the boundaries of tradition liam is sockless in
december sasha is widowed a woman who knows she was lucky enough to be married to the most
wonderful man in the world and thankful for every moment they had liam is half in and half out of a
marriage that only a wacky artist could manage and that his own impossibly impulsive behavior has
helped tear apart but while sasha has been methodically building her father s parisian art gallery
into an intercontinental success story liam has been growing into one of the most original and
striking young painters of his time so while the two are utterly unlike and a nine year age
difference stares them squarely in the face the miracle of art brings them crashing together now
the question is can sasha guard her reputation while juggling a secret somewhat scandalous
relationship and how can liam who lives for the moment put up with a woman who insists on having
things her own way in her own style and at her own time for sasha it s a matter of keeping liam
hidden from her grown children and well heeled clientele as she commutes between new york and
paris and two thriving galleries for liam it s about creating chaos out of order bringing out the wild
streak that sasha barely knows she has of choosing pizza over foie gras and making love when
others are busy making money that is until a family tragedy suddenly alters liam s life and forces a
choice and a sacrifice that neither one of them could have expected but from the snow falling on
the tuileries to the joy of eating ice cream by candlelight the artist and the art dealer have tasted

spent every dime he d ever earned and run up millions in debt at eighteen penniless and alone she had lost everything except her father s dearest friend ivo stewart a wealthy handsome publisher of sixty two he offered bettina a way out marriage but only for a time what lay ahead for bettina was a life filled with shocks and surprises and eventually a chance to become a playwright and a writer like her father having learned her lessons dearly bettina blossoms into her own person at last
