## **God's Court and Courtiers in the Book of the Watchers 2017-11-06**

1 Enoch is an ancient Judean work that inaugurated the genre of apocalyptic chapters 1-36 tell the story of the descent of angels called Watchers from heaven to earth to marry human women before the time of the flood the chaos that ensued and God's response they also relate the journeying of the righteous scribe Enoch through the cosmos guided by angels heaven including the place and those who dwell there God the angels and Enoch plays a central role in the narrative but how should heaven be understood existing scholarship which presupposes Judaism as the appropriate framework views the Enochic heaven as reflecting the temple in Jerusalem with God's house replicating its architecture and the angels and Enoch functioning like priests yet recent research shows the Judeans constituted an ethnic group and this view encourages a fresh examination of 1 Enoch 1-36 the actual model for heaven proves to be a king in his court surrounded by his courtiers the major textual features are explicable in this perspective whereas the temple and priests model is unconvincing the author was a member of a nontemple scribal group in Judea that possessed distinctive astronomical knowledge promoted Enoch as its exemplar and was involved in the wider sociopolitical world of their time

## ***The Judgments of the Watchers 2022-08-01***

the author of this book was driven by a vision that god so impressed upon him that he was compelled to understand its interpretation and purpose contained herein is a detailed account of the ancient watchers during the early times of earth's co habitation with mankind as such we are finally given a meticulously clear account of the origin of not simply the sin nature but the vehicle of the perversion and wickedness that we have inherited in our lives today by way of a rebellion that was diabolical in nature this wickedness was brought to the earthly plane by a group of fallen angels from the angelic realm who in their righteous state were called holy watchers these angelic hosts were created by god himself to act as protectors and guardians of mankind in accordance with the creator's purpose however there was a group of these watchers fallen angels who left their heavenly abode and their responsibility for which they were created as protectorates for humanity and were driven from heaven by their own compulsion of lust for the beautiful women of the earth the result has been catastrophic to mankind the offspring of these fallen angels became the giants in the land the nephilim who brought forth such a vile and perverse nature of evil into the earth that god the father of creation was forced to bring his judgments upon the evil watchers and their offspring in the meantime even since the flood the effect of this rebellious nature upon the earth has been to defile mankind and everything

aligned with goodness and truth and mankind is still contending with this evil to this day

it is generally accepted that revelation s heavenly scenes were intended to demonstrate that god continued to exercise his control even when the audience s experience might suggest otherwise in the abyss in revelation edward gudeman argues that even though the scenes of the underworld and its inhabitants are describing reality from the opposite perspective they declare god s sovereignty and power in an equally powerful way examining the motif and imagery of the abyss and the sea in old testament new testament greco roman and second temple jewish writings gudeman identifies traditions that john appropriates in revelation in order to create his unique vision of the abyss gudeman shows that the abyss and related concepts in revelation are variously envisioned as the abode of evil creatures the place from which they exit and a prison that holds them captive in all of this john consistently demonstrates that god is in control of the activity of satan and demonic beings and that their destruction is both planned and certain original and convincing this volume sheds light on revelation s message about how god

responds to evil and advances our understanding of several interpretive problems related to the abyss and its inhabitants biblical scholars especially will benefit from gudeman s research

## **The Apocrypha and Pseudepigrapha of the Old Testament in English *1913***

this is mulberry nothing bad ever happens here small towns are generally safe somewhere you can leave your car or home unlocked at night without worry kids frolic around the town joyful to be playing outdoors without parental supervision because it s so safe it s too safe no bad people live in these towns nothing bad ever happens in these towns murders drugs and stalkers don t come here those only happen in big cities right

khoa and his grandfather tristian are thought to be the last two descendants of an ancient pack of white wolves who followed the way of the wolf as the novel opens tristian lies dying having been torn apart by the pack for teaching khoa the way which is now forbidden the old wolf sends khoa on a quest to find a watcher wolf a book and a society of white wolves none of which may exist as khoa escapes through a mole tunnel that his grandfather

had prepared for him the pack waits outside the hut to set upon him in this revisionist pack wolves kill wolves khoa is a reluctant hero but through his adventures he takes on more belief in the traditions his grandfather had opened him up to khoa goes over a waterfall runs into vipers and has other troubles but finally makes it to the river where tristian told him he would find the watcher wolf it is here that his new family finds him his adopted zoo is made up of washer the raccoon pieces the old chewed rabbit and serious the young officious rabbit to name a few who add a lighter side to khoa's quest khoa has a love interest in the story in the form of ani an arctic white wolf they grew up in the revisionist society together but never knew they had feelings for each other ani sees khoa escape and hopes to have staver dueces son rescue her instead of hounding khoa's trail to give him a head start she places her paw in the mouth of the red iron dog a man trap and puts a twig in it to prevent her from really getting hurt but the steel trap snaps the twig and she is caught in it for real scout her father and the pack are on the trail of khoa but get her scent and follow it until they realize khoa isn't with her through a twist in the tale scout talks his daughter into leaving the pack and setting out to look for khoa which she does with the help of retread who happens to be one of the alpha pack leader dueces son they have turned against the pack the watcher wolf finally meets up with khoa and teaches him to humble himself before he can read the way of the wolf the watcher and the other animals tell him the true story of the last revolt how

duece came to be in possession of the oryx and how it was that the black wolves killed khoa s mother and father duece believes the oryx is the magic that has protected the white wolves and seeks after it as well as khoa the young cub has learned through the watcher that there are other white wolves and a twin cub his brother tor who did survive the last revolt he meets up with his twin as duece and the black wolves close in on him gathering their great armies of the east south and west against the white wolves both armies come face to face on the mountain of fire and ice where the spirit of the venger wolf is unleashed through the use of the oryx and the ways of the wolf the two brothers triumph over the venger spirit of the dark wolves and make it to the realm of the wilds and their ancestral home
