this book was written as a result of questions i had concerning the state of the church of our lord and savior jesus christ i read of all the miracles god performed in the bible and like gideon judges 6 13 i asked the question where has that god gone why am i not seeing that kind of power in my life after much prayer and meditation god started to show me what was lacking in my life i realized that walking with god was more than just memorizing scriptures and learning formulas to get god to work on my behalf while i was paralyzed from a spinal infection i realized that some of what i had been taught in church were based on tradition and were not biblically based during this period of time god began the healing process through faith in the word of god i was healed physically but more importantly god gave me the assignment to pass on to others what i have learned i pray for all those who read this book may your eyes and hearts be open to receive the message of god s great love for you and his desire to lead you to your promise land

that this book was written despite its seemingly trite title this classic work endorsed by the renowned rev andrew murray offers robust hope and practical insight for christians longing to waken to the joy filled victorious life of jesus written by hannah whitall smith 1832 1911 a lay speaker and author this quintessential work on joyful christianity offers sage wisdom in an accessible tone that is at once both simple and rich readers will discover practical insight for entering into this abundant life bolstering weak faith harnessing a stubborn will wrestling with lingering doubt overcoming persistent temptation walking in joyful obedience experiencing oneness with christ and much more weary readers who know there must be an entire surrender of self to him and have tried over and over to do it but hitherto without any apparent success will find in this book a healing balm and rousing charge to continue in faith until they have laid hold of this abundant life the life hid with christ in god in the very depths of your hearts you know that your experience is not a scriptural experience and you have been forced to settle down to the conviction that the best you can expect from your religion is a life of alternate failure and victory one hour sinning and the next repenting but is this all had the lord jesus only this in his mind when he laid down his precious life to deliver you from your sore and cruel bondage to sin did he propose to himself only this partial deliverance no no a thousand times no god is able to save unto the uttermost and he means to do it
