## **Annual Reports and Resolutions 1993**

in recent decades and around the world much attention has been given to the role of spirituality in the education of children and young people while educationalists share many common goals and values in nurturing the spiritual lives of children and young people national and regional cultures religions and politics have impacted on the approaches scholars and practitioners have adopted in their investigations and practices the different contexts across nations and regions mean that educators face quite distinct conditions in which to frame their approaches to spiritual education and research and the nature and impact of these differences is not

yet understood this book brings together thinkers from around the globe and sets them the task of explaining how their research on children's spirituality and education has been shaped by the historical cultural religious and political contexts of the geographic region in which they work the book presents contributions in three sections europe and israel australasia and the americas and concludes with a chapter highlighting what is common and what is contextually unique about global approaches to spirituality and education

## **Emotional Intelligence in Schools 2019-11-13**

on february 6 1989 the federal home loan bank board contacted mid america institute to inquire whether it would undertake an independent academically oriented analysis of the insolvency resolution crisis in the thrift industry the senate banking committee during the course of hearings on the thrift crisis had suggested to the bank board the desirability of an independent assessment of bank board and fslic resolution methodology specifically as it related to the controversy surrounding the december deals the southwest plan and the possibility that tax considerations were driving certain deals the bank board had already initiated studies from industry oriented perspectives therefore it felt that an academic perspective would provide both a valuable addition to the process and by the nature of academia perhaps the best prospect of a credible and independent viewpoint the bank board was prepared to give an appropriately structured task force virtually unlimited access to all personnel documents and resources that the task force felt necessary to come to an uncompromising assessment the only significant constraint imposed was that a report had to be available prior to the start of the next round of senate banking committee hearings on march 1 1989 the task force would be given complete discretion as to the scope and coverage of the report but it was requested that the topic of the december deals particularly the associated tax considerations be a significant part of the report
