this book revisits and analyzes three of the most accomplished twentieth century black diaspora activists malcolm x 1925 1965 stokely carmichael 1941 1998 and walter rodney 1942 1980 all three began their careers in the diaspora and later turned toward africa this became the foundation for developing and solidifying a global force that would advance the struggles of africans and people of african descent in the diaspora adeleke engages and explores this african centered discourse of resistance which informed the collective struggles of these three men the book illuminates shared and unifying attributes as well as differences presenting these men as unified by a continuum of struggle against and resistance to shared historical and cultural challenges that transcended geographical spaces and historical times africa in black liberation activism will be of interest to scholars and students of african american history african studies and the african diaspora

## Stokely Speaks

1971

a new biography of ghana s kwame nkrumah one of the most influential political figures in twentieth century african history as the first prime minister and president of the west african state of ghana kwame nkrumah helped shape the global narrative of african decolonization after leading ghana to independence in 1957 nkrumah articulated a political vision that aimed to free the country and the continent politically socially economically and culturally from the vestiges of european colonial rule laying the groundwork for a future in which africans had a voice as equals on the international stage nkrumah spent his childhood in the maturing gold coast colonial state during the interwar and wartime periods he was studying in the united states he emerged in the postwar era as one of the foremost activists behind the 1945 manchester pan african congress and the demand for an immediate end to colonial rule jeffrey ahlman s biography plots nkrumah s life across several intersecting networks colonial postcolonial diasporic national cold war and pan african in these contexts ahlman portrays nkrumah not only as an influential political leader and thinker but also as a charismatic dynamic and complicated individual seeking to make sense of a world in transition

## Africa in Black Liberation Activism

2016-12-19

winner of the 2010 clinton jackson colely award for the best book on local history from the alabama historical association a remarkable story of the people of rural lowndes county a small southern town who in 1966 organized a radical experiment in democratic politics early in 1966 african americans in rural lowndes county alabama aided by activists from the student non violent coordinating committee sncc established an all black independent political party called the lowndes county freedom organization lcfo the group whose ballot symbol was a snarling black panther was formed in part to protest the barriers to black enfranchisement that had for decades kept every single african american of voting age off the county s registration books even after the passage of the voting rights act most african americans in this overwhelmingly black county remained too scared even to try to register their fear stemmed from the county s long bloody history of whites retaliating against blacks who strove to exert the freedom granted to them after the civil war amid this environment of intimidation and disempowerment african americans in lowndes county viewed the lcfo as the best vehicle for concrete change their radical experiment in democratic politics inspired black people throughout the country from sncc organizer stokely carmichael who used the lowndes county program as the blueprint for black power to california based activists bobby seale and huey p newton who adopted the lcfo panther as the namesake for their new grassroots organization the black panther party for self defense this party and its adopted symbol went on to become the national organization of black militancy in the 1960s and 1970s yet long obscured is the crucial role that lowndes county historically a bastion of white supremacy played in spurring black activists nationwide to fight for civil and human rights in new and more radical ways drawing on an impressive array of sources ranging from government documents to personal interviews with lowndes county residents and sncc activists hasan kwame jeffries tells for the first time the remarkable full story of the lowndes county freedom struggle and its contribution to the larger civil rights movement bridging the gaping hole in the literature between civil rights organizing and black power politics bloody lowndes offers a new paradigm for understanding the civil rights movement

## Kwame Nkrumah

2021-04-23

published three times per year by indiana university press for the hutchins center at harvard university transition is a unique forum for the freshest most compelling ideas from and about the black world since its founding in uganda in 1961 the magazine has kept apace of the rapid transformation of the african diaspora and has remained a leading forum of intellectual debate this issue of transition focuses on mad the editors look at connections between blackness and psychology examining richard wright s attempts to bring clinical psychotherapy to harlem and revealing the links between schizophrenia and fears of black psychos as ferguson missouri becomes the latest community to rage against the state sanctioned murder of unarmed black men we ask what james baldwin and stokely carmichael might have to tell us about why african americans continue to be pushed to the margins of american society the editors also examine the marginalized community of black palestinians doubly imperiled by israeli slaughter and internal racism and finally on a lighter note discover music and art that we re mad about from otis redding and vijay iyer to kara walker and christopher cozier

## Bloody Lowndes

2009-07-01

debate as global pedagogy rwanda rising illustrates that the teaching of debate offers an ideal educational approach for the prevention and remediation of genocide as the antithesis of propaganda debate and argument instruction promotes the critical thinking necessary to resist processes of propaganda that enable injustice and human rights abuses case studies of argumentation instruction and deliberative forums worldwide demonstrate how environments of discursive complexity can be fostered through education in debate and argumentation the central example of rwanda recovering from genocide in 1994 with help from innovative pedagogy by idebate dreamers academy provides a model for how argumentation instruction can reduce and prevent social injustices
