violence the seventy five nursing policies and
procedures in this manual are based on current
standards of nursing practice and federal
regulations and guidelines from the centers
for medicare and medicaid services the center
for disease control and the occupational
health and safety administration the director
of nursing can review and update the manual
annually some facilities have a policy and
procedure committee that meets to review and
consider changes to policies the form at the
top of each policy and procedure has spaces
for the date the policy and procedure was
approved by the don and the date of any
addendums or changes updates can be made when
applicable due to changes in regulations or
nursing standards of practice other
appropriate additions to the manual would be
manufacturer guidelines and instructions for
new equipment and devices some facilities
include with the policy and procedure manual
master copies of forms and this can help to

ensure uniform documentation throughout the facility each of the policies and procedures in this book are also included on the cd so they may be easily edited on a word processor for desired updates and changes
