we all know that everything we have is a gift from god but sometimes it s hard to know just how to give back to god how much is enough what does the bible really say what should giving look like in our everyday lives filled with good news for followers of jesus mark allan powell s giving to god shows christians the way to a better life and a better relationship with their money and with god powell presents stewardship as an act of worship an expression of faith and a discipline for spiritual growth faithful use of our time talents and money starts with a deep satisfying relationship with the god to whom we belong we can then learn says powell to give gladly and generously out of our heartfelt connection with god informative concise and eminently practical including discussion questions giving to god gives us resources for best using the treasures material and otherwise that god has given us

Where God's People Are Going, Life Giving Messages 2012-10

for many years the church has prayed for revival to come never knowing or understanding how god might answer that prayer today we are witnessing the greatest shaking that we have ever known and on a world wide scale as financial institutions become bankrupt and many lose jobs land and homes the awakening that we once prayed for has come everything that can be shaken is and this scenario is causing even the weakest links within the soul of man to rise up as god becomes our only hope but what will become of it all and how will we survive where god s people are going is like an oracle from the lord he tells us in his word that my sheep hear my voice and i know them and they follow me john 10 27 until we come to know the lord s voice our relationship and our knowledge of him is vague at best the life giving messages in this book are just that messages that bring life to dark situations and answers to life s questions about today and what is yet to come my questions to the lord often reflect the times in which we live as i ask the simple question why

it s an old question can a man and a woman just be colleagues or friends without taking it to the next level it always starts innocently an attraction that grows as they spend more time together the couple enjoy each other s company and the connection builds and feelings develop the anticipation grows even if they are married decisions are made what if the line is crossed the excitement of being together is palatable sometimes temptation wins will couples stray and give up their promises to be with someone else the big question is will it last and was it worth the consequences are all the good ones taken do vows have an expiration date find out
