**Bud, Not Buddy Leveled Comprehension Questions** 2010-02-24 a history of the chapter from its origins in antiquity to today why do books have chapters with this seemingly simple question nicholas dames embarks on a literary journey spanning two millennia revealing how an ancient editorial technique became a universally recognized component of narrative art and a means to register the sensation of time dames begins with the textual compilations of the roman world where chapters evolved as a tool to organize information he goes on to discuss the earliest divisional systems of the gospels and the segmentation of medieval romances describing how the chapter took on new purpose when applied to narrative texts and how narrative segmentation gave rise to a host of aesthetic techniques dames shares engaging and in depth readings of influential figures from sterne goethe tolstoy and dickens to george eliot machado de assis b s johnson agnès varda uwe johnson jennifer egan and lászló krasznahorkai he illuminates the sometimes tacit sometimes dramatic ways in which the chapter became a kind of reckoning with time and a quiet but persistent feature of modernity ranging from ancient tablets and scrolls to contemporary fiction and film the chapter provides a compelling elegantly written history of a familiar compositional mode that readers often take for granted and offers a new theory of how this versatile means of

dividing narrative sculpts our experience of time
