xylara is a daughter of xy brought up to do her duty to her country her king and her people her father the warrior king xyron is dead and her incompetent half brother xymund is on the throne she has chosen to serve her people as a healer until she is needed to make a marriage of alliance but the once great kingdom of xy is threatened by the warlord and his barbarian firelanders and her brother xymund is forced to surrender the terms are fair the kingdom will remain under xymund s control and the taxes and tithes are reasonable all prisoners and wounded are to be exchanged unharmed there is just one thing more to ensure a true peace no pillaging no looting no rapine the warlord has claimed tribute he claims xylara daughter of xy to be his warprize lara is a daughter of kings a city girl and a powerful healer ion her own right but she is the warprize and has sworn an oath of loyalty to keir the barbarian warlord and his people as keir and the tribe are makingtheir way back to their homeland they come across a village stricken down by plague and though lara has the tools to fight this scourge the warlord forbids her risking her own life both lara and kier are strong willed and neither will bend easily even for love when lara disobeys she pays the price for both she and keir are struck down by the fatal disease and so is their entire encampment in the midst of the dying a rival warrior gathers his followers and challenges keir for the right to rule their tribe if keir weakened by sickness loses he dies and so does lara lara of xy and her warlord keir of the cat have been through much together lara left her homeland and her people for him adopting his tribe as hers and learning their ways together they have overcome great trials faced plague and insurgency and found joy and happiness in each other s arms but now they face their most arduous trial keir must take lara into the heart of the plains where she will be tested and examined by the warrior priests for lara is the warprize but if the elders are to confirm her in her role she must be accepted by a people who loathe everything she and magic set against the backdrop of a world in the grip of a global scale war against the vampire hordes of datara bent on the conquest of the entire realm malagen the black embarks on an unholy war to obtain an artifact fabled to the nexus of all manner of magical energy this is the first full study of an african country during the second world war unusually it provides both an africanist and an imperial perspective using extensive archival and oral evidence ashley jackson explores the social economic political agricultural and military history ofbotswana he examines botswana's military contribution to the war effort and the impact of the war on the african home front the book focuses on events and personalities on the ground in africa and also on their interaction with and impact upon events and personalities in distant imperialcentres such as whitehall and the wartime british army headquarters in the middle east the attitudes aims and actions of all levels of colonial society british rulers african chiefs military officials ordinary african men and women are considered producing a total history of an africancountry at war amidst a terrible war of magic and sword six heroes fight a battle against the innumerable masses of the vampire hordes of datara malagen leader of the dataran horde stands ready to and complete his conquest after the dwarves elves and humans of the eastern kingdoms suffer a devastating defeat and our heros fail in their task to prevent their enemies from obtaining the darklyte armor unbeknownst to malagen's own son to wield the darklyte armor against his former master now our heroes must discover how to unlock the secrets of the darklyte armor before it s too late no one really knew the true story of uncle ho s early life before he came to amy s family all they knew was that he was a vietnamese orphan born among the bombings and terrors of war amy s grandmother told her the same stories that she told uncle ho because as granny said everyone needsto know the story of their life even if it has to be invented but the warland nightmares in uncle ho s head won t go away a companion to war orphan rachel anderson has previously won the guardian fiction award for her book paper faces her recent young adult titles for oxford scavenger s tale and hodder sweet bird of youth have been much acclaimed rachel anderson sown adoption of a vietnamese war orphan gives her writing a unique insight into the history of this troubled country rachel anderson lives in norfolk the displacement of population during and after the second world war took place on a global scale and formed part of a longer historical process of violence territorial reconfiguration and state development this book focuses on the profound political social and economic upheavals in the soviet union and eastern europe at this time in 1939 hitler went to war not just with great britain he also went to war with the whole of the british empire the greatest empire that there had ever been in the years since 1945 that empire has disappeared and the crucial fact that the british empire fought together as a whole during the war has been forgotten all the parts of the empire joined the struggle and were involved in it from the beginning undergoing huge changes and sometimes suffering great losses as a result the war in the desert the defence of malta and the malayan campaign and the contribution of the empire as a whole in terms of supplies communications and troops all reflect the strategic importance of britain's imperial status men and women not only from australia new zealand and india but from many parts of africa and

the middle east all played their part winston churchill saw the war throughout in imperial terms the british empire and the second world war emphasises a central fact about the second world war that is often forgotten elizabeth vaughan staged a superb clever return to the desolate warlands midwest book review in dagger star now she continues the epic story of palins a land in the throes of upheaval there is no one more adored everyone knows that the lady high priestess evelyn is virtuous and noble one of the leaders of the rebellion against the unjust usurper as well as a gentle healer who channels the powers of the gods to help the sick and injured there is no one more despised orrin blackhart the scourge of palins is renowned as an evil man as the war leader of one of the usurper's supporters he has killed many and has stood by while the sorceress he served created an army of the undead and there is nothing more unexpected than passion when orrin takes evelyn prisoner during the war each will uncover more to the other than they expected and souls that should have clashed will be forged in desire redemption and glory in the new york times bestselling noble dead saga barb and j c hendee created an engrossing mix of intrigue epic fantasy and horror now they present a bold new series set in the same world where the destinies of two hunters shaped by the shadows of their pasts are about to collide in the dark reaches of the eastern continent tris vishal travels from village to village using his power to put unsettled spirits to rest he works alone having learned that letting people close only leads to more death still he finds himself accepting the help of the mondyalitko woman who saves his life a woman whose gifts are as much a burden as his own mari kaleja thirsted for vengeance since the night her family was taken from her she has searched far and wide for the one she thinks responsible known only as the dead s man but before she can kill him she has to be sure mari hopes traveling with tris will confirm her suspicions but as they embark on a hunt where the living are just as dangerous as the dead she learns the risks of keeping your enemy close because it s no longer clear who is predator and who is prey born a half breed to an elven mother and human father leesil was raised in the warlands as an assassin spy and slave for lord darmouth ruler of an independent province but leesil s mother trained him well and he used his skills to escape leaving his parents to suffer darmouth s wrath for all such traitors and their kin now with newfound purpose in the company of his beloved magiere leesil returns to confront the sins of his past and uncover his parents fate unable to turn him from this dangerous course magiere follows leesil into the darkness of his past in the warlands knowing what may happen should darmouth learn of leesil s return she is prepared to slaughter any who try to take him from her but magiere s own past may well pose a more deadly threat two creatures of unfathomable power continue to stalk her one who believes she s the key to his salvation and one who seeks to destroy her and all those she loves magiere is a dhampir half human half vampire sired for the purpose of slaying the undead outside the village of chemestuk where she was born and raised stands her father s keep within its walls she hopes to discover the secrets of her past and figure out why a vampire would wish to breed a creature capable of slaughtering his own kind but there are those who don't want magiere to learn the truth and when her half elf partner leesil makes a startling discovery in the keep he can understand why before leesil can reveal the truth to magiere they must vanquish a creature of unimaginable and unlimited power who has damned a small village of people with a horrifying curse the noble dead saga continues as magiere and leesil embark on a quest to uncover the secrets of their mysterious
