latest action packed adventure from our indomitable gauls
asterix and the griffin is out now the year is 50bc and all gaul
is occupied only one small village of indomitable gauls still
holds out against the invaders but how much longer can
asterix obelix and their friends resist the mighty roman
legions of julius caesar anything is possible with a little
cunning plus the druid getafix s magic potions their effects
can be truly hair raising women in frankish society is a careful
and thorough study of women and their roles in the
merovingian and carolingian periods of the middle ages
during the 5th through 9th centuries frankish society
transformed from a relatively primitive tribal structure to a
more complex hierarchical organization suzanne fonay
wemple sets out to understand the forces at work in
expanding and limiting women s sphere of activity and
influence during this time her goal is to explain the gap
between the ideals and laws on one hand and the social
reality on the other what effect did the administrative
structures and social stratification in merovingian society have

on equality between the sexes did the emergence of the nuclear family and enforcement of monogamy in the carolingian era enhance or erode the power and status of women wemple examines a wealth of primary sources such as deeds testaments formulae genealogy ecclesiastical and secular court records letters treatises and poems in order to reveal the enduring german roman and christian cultural legacies in the carolingian empire she attends to women in secular life and matters of law economy marriage and inheritance as well as chronicling the changes to women's experiences in religious life from the waning influence of women in the frankish church to the rise of female asceticism and monasticism french theorist rené girard was one of the major thinkers of the twentieth century read by international leaders quoted by the french media girard influenced such writers as j m coetzee and milan kundera dubbed the new darwin of the human sciences and one of the most compelling thinkers of the age girard spent nearly four decades at stanford exploring what it means to be human
