Currency Swaps 1992 pricing money provides a highly practical introduction to the principles of bonds and fixed income and is aimed at readers who have little prior knowledge the book is written in a style that

is not overly mathematical or theoretical but takes a practical approach focusing on the aspects of pricing and trading fixed income securities that are most relevant to the day to day activities of people working in the markets starting at a basic level the author explains the concepts and principles behind fixed income in an informative way using every day examples that can be understood by the layman it includes a listing of the terms used the rules and conventions the techniques for valuation and pricing and a description of the different roles within the industry this book will be an excellent training tool for new recruits to the financial markets

Securitisation Swaps 2019-04-08 me caribou is on fire is a great read one can almost taste the camp grub he describes whether prepared for or by him smell the scents of the hunting camps and cabins and feel the bitter cold of the 1992 fall hunt or the delta sheep hunt snowstorm the descriptions of his many hunting experiences make the reader feel like they were there with him in the wild or on a flight to the next adventure i can t wait for the sequel mike fleagle former chairman alaska board of game pete buist is undoubtedly the epitome of the outdoorsman in the truest meaning of the term trapper hunter master guide firefighter are just some of his accomplishments in a nutshell a lifetime of adventure and excitement lived in the manner that makes me envious and at the same time filled with admiration while guiding pete in south africa it did cross my mind that i would have relished doing a hunt with our roles

reversed and basking in the experience of a life well lived pete tumkulu buist has applied his knowledge experience and eloquence to add the title of author to his other accomplishments and has produced a well written enjoyable read capable of transporting the reader to those wild places john madala barnes professional hunter south africa the real trophies of a life spent outdoors are the stories indeed storytelling is a foundational skill of the seasoned hunter and pete s seasoning reaches into a stratosphere most of us will never see i became friends with pete in 2008 and after only a couple of days of immersing myself in his storytelling prowess i said pete you really need to write a book and here it is pete s recall precise detail wit and humor are extraordinary as he takes you along on countless adventures these entertaining stories are definitely worth the price of admission curt wells editor bowhunter magazine
